### **From The Fifteenth District:**

*From the Fifteenth District* Mavis Gallant, 2014-12-16 A fine tuned and elegant collection from the prize winning author of Paris Stories Kirkus Reviews Mavis Gallant has a unique talent for distilling the sense of otherness one feels abroad into something tangible and utterly understandable In this collection she relates the stories of those stranded in relationships places and even times in which they don t belong In *The Moslem Wife* a woman is entrusted to look after a hotel in France when her husband is trapped in America after the breakout of World War II As the situation progresses the two grow in surprising and profound ways In another tale a German prisoner of war is released from France and returns home to a mother whose personality has been as irrevocably changed by the war as his has In one of the most poignant entries Gallant follows the life of a Holocaust survivor illustrating how his experiences tint his outlook on life forty years later With its wide breadth of subject matter and the author s characteristic way with nuance *From the Fifteenth District* is classic Mavis Gallant

**From The Fifteenth District** Mavis Gallant, 2011-06-22 Set in Europe in the aftermath of the Second World War the nine stories in this glittering collection reflect on the foibles and dilemmas of human relationships An English family goes to the south of France for the sake of the father s health and to get away from an England of rationing and poverty A displaced person turned French soldier in Algeria now makes a living as an actor in Paris A group of selfish English expatriates on the Italian Riviera are incredulous that Mussolini and the Germans may affect their lives A great writer s quiet widow blossoms in widowhood to the surprise and alarm of her children who send a ten year old grandson to Switzerland to keep her company one Christmas Full of wry humour and penetrating insights this is Mavis Gallant at her most unforgettable **The Congressional Globe** United States. directions The settings in The Collected Stories range from Paris to Berlin to Switzerland from the Italian Riviera to the C te  
d Azur and her characters are almost all exiles of one sort or another as she herself was for most of her expatriate life The  
wit and precision of her prose combined with her expansive view of humanity provide a rare and deep reading pleasure With
