The Guild of Shadows Laurie Bowler, 2024-08-09 Seventeen year old Genevieve Gen Thornhill never believed in fairy tales until the night her brother Jack vanishes without a trace Desperate for answers she uncovers his secret life as a warrior in The Guild an elite band of hunters sworn to protect the balance between worlds Before she can make sense of it Gen is thrust through a mystical portal into a parallel realm where myths breathe shadows whisper and danger lurks in every corner Lost in a land where reality bends and ancient magic reigns Gen finds allies in The Guild fierce warriors bound by duty and secrets There's Sirius the steadfast leader Lila the brilliant strategist Eldrin the elusive scout Mara the deadly blade Ola the silent shadow and Eli the healer with a heart of gold Together they face monstrous foes unravel dark conspiracies and forge a bond tested by the perils ahead But as Gen digs deeper she stumbles upon a chilling truth Morlak a malevolent force threatens to unravel the fragile harmony between worlds Gen must embrace a power she was never meant to wield to stop

him As forbidden magic seeps into her veins the lines between hero and villain blur and a single reckless choice could turn her from saviour to destroyer Betrayal looms Friendships fracture And the battle for the realm is only beginning Will Gen and The Guild of Shadows stand against the darkness or will she become the very thing they swore to fight Step into a world where destiny is rewritten loyalty is tested and the fight between light and shadow is more than just a legend *A Woman's Book of Shadows* Elisabeth Brooke,2019-04-23 The irresistible definitive guide to the magical practices of contemporary women Beginning with a brief history of witchcraft it explores the huge range of beliefs festivals skills and lore including goddesses priestesses witches reincarnation karma magic power the aura the chakras psychic awareness astral travelling pathworking dreamwork healing covens initiations collectives lone witches the circle the altar wands robes chalices incenses oils candles the moon the planets sabbats esbats solstices equinoxes Samhain Candlemas Beltane Lammastar tarot scrying starcraft herbal lore Gathering together all the disciplines of European witchcraft and giving rituals and spells for use in our lives *A Woman's Book of Shadows* first published in 1993 is a remarkable compendium of magical lore psychic skills and women's mysteries *Shadow Realm* Jody Brady,2015-03-13 Deep within the recesses of the human mind there is a world where the souls of mankind are trapped in an eternal struggle between the dimensions of flesh and blood and the spirit realm Within this Shadow Realm fugitives live in hopelessness as the chains of death shackle them This world is under the control of evil Overlords who maintain their power through the might of the Sahat and knights of Kratos But there is hope A light appears in the land from the power of the Bene Elohim that legend foretold has the power to remove the chains of death and free mankind A young fugitive finds the light and embarks on a quest in search of the truth to expose the Shadow Realm for what it truly is and win freedom for his people *Ghost Of Shadows* P H Claus,2018-07-02 Revised 6th edition 2022 featuring a brief collection of essential poems This material should be considered an attempt to understand and self heal some inner scars It is neither meant to be pretty or perfect in any sense but simple honest and true THE SHADOW WITCH Gertrude Crownfield ,2020-12-29 This is a sequel to *Princess White Flame* and is a children's story about a curse placed on Princess White Flame of the Fire Fairies and how it was lifted OF all the fairy countries in the world none is more wonderful or beautiful than the country where the Fire Fairies live Into that land no fairies of the earth or air or water dare venture They would be seared or changed to ash or vapor In the very heart of the Fire Country stands the palace of King Red Flame the gleaming flame coloured palace the Palace of Burning Coals Around it lies a wonderful garden where paths wind away among great fields of fire lilies and flame roses lift their heads and the tall shining trees rustle in the wind with a sound like the whispering of the fire on the hearth Here in this glowing country the good and happy fairies work and play and serve their king as all good fairies should But not all fairies in this land are good and happy Beyond the glow of the roses and the lilies beyond all sight of the glimmering trees there lies another part of the country where the evil fairies live Here are great Plains of Ash and huge Caverns of Soot and stretches of gloom in which the Shadow Witch comes and goes Here the Imps of

Darkness lurk Dragons crouch and Wizards dwell Perhaps sometimes when you have looked into the Fireplace you have seen those dismal plains and darksome valleys They lie away from the heart of the Fire at the side of the Hearth and between the flames and the heaps of ashes In this story you will hear tell of Prince Radiance and Princess White Flame who lived in the Fire Country and of many strange and wonderful adventures on which they journeyed on to reach at last a never ending happiness Yesterday s Books for Today s Charities 10% of the profit from the sale of this book will be donated to charity

The Land of St. Castin Herbert Milton Sylvester, 1909 Wayside Jottings Mattie E. Hull, 1891 Grey Aliens and the Harvesting of Souls Nigel Kerner, 2010-01-19 Exposes the agenda behind the bio robotic grey aliens genetic manipulation of certain human races Reveals the Grey's nature as sophisticated self aware machines created by a long vanished extraterrestrial civilization Explains how their quest to capture human souls appears in the historical record from biblical times Explains how the phenomenon of racism is a by product of their genetic tampering In 1997 Nigel Kerner first introduced the notion of aliens known as Greys coming to Earth explaining that Greys are sophisticated biological robots created by an extraterrestrial civilization they have long since outlived In this new book Kerner reveals that the Greys are seeking to master death by obtaining something humans possess that they do not souls Through the manipulation of human DNA these aliens hope to create their own souls and thereby escape the entropic grip of the material universe in favor of the timeless realm of spirit Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague humanity such as violence greed and maliciousness Racism he contends was developed by the aliens to prevent their genetic experiments from being compromised by breeding with others outside their influence Examining historical records Kerner shows that Jesus who represented an

uncorrupted genetic line warned his disciples about the threat posed by these alien interlopers while Hitler a pure product of this alien intelligence waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering Despite the powerful grip the Greys have on humanity Kerner says that all hope is not lost Greys exist wholly in the material world so if we follow the spiritual laws of reincarnation and karma aiming for enlightenment and rising above the material a state the Greys are unable to reach we can free ourselves from their grasp **The Yukaghir and the Yukaghirized Tungus**

Waldemar Jochelson, 2018-11-12 As the first profound anthropological descriptions of that region the publications of the Jesup North Pacific Expedition undertaken in the first years of the 20th century marked the beginning of a new era of research in Russia Jochelson's work the Yukaghir and the Yukaghirized Tungus for which he also draws on results of his earlier fieldwork in that area was an important milestone for Russian and North American anthropology that provides to this day a unique contribution to thoroughly understanding the cultures of northeastern Siberia
