The Oxford Handbook of Asian American History David K. Yoo, Eiichiro Azuma, 2016-02-01 After emerging from the tumult of social movements of the 1960s and 1970s the field of Asian American studies has enjoyed rapid and extraordinary growth Nonetheless many aspects of Asian American history still remain open to debate The Oxford Handbook of Asian American History offers the first comprehensive commentary on the state of the field simultaneously assessing where Asian American studies came from and what the future holds In this volume thirty leading scholars offer original essays on a wide range of topics The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history The Oxford Handbook of Asian American History demonstrates how the roots of Asian American history are linked to visions of a nation marked by justice and equity and to a deep effort to participate in a global project aimed at liberation The contributors to this volume attest to the ongoing importance of these ideals showing how the mass politics creative expressions and the imagination that emerged during the 1960s are still relevant today It is an unprecedentedly detailed portrait of Asian Americans and how they have helped change the face of the United States

In Defense of Asian American Studies Sucheng Chan, 2005 In Defense of Asian American Studies offers fascinating tales from the trenches on the origins and evolution of the field of Asian American studies as told by one of its founders and most highly regarded scholars Wielding intellectual energy critical acumen and a sly sense of humor Sucheng Chan discusses her experiences on

three campuses within the University of California system as Asian American studies was first developed in response to vehement student demand under the rubric of ethnic studies Chan speaks by turns as an advocate and an administrator striving to secure a place for Asian American studies as a teacher working to give Asian American students a voice and white students a perspective on race and racism and as a scholar and researcher still asking her own questions The essays span three decades and close with a piece on the new challenges facing Asian American studies Eloquently documenting a field of endeavor in which scholarship and identity define and strengthen each other In *Defense of Asian American Studies* combines analysis personal experience and indispensable practical advice for those engaged in building and sustaining Asian American studies programs *Asian American Issues Relating to Labor, Economics, and Socioeconomic Status* Franklin

Ng, 2014-06-23 In the late 19th and early 20th century labor issues fanned the flames of anti Asian sentiment as they continue to do to this day These essays explore the topics of immigration and work ethnic economics and enclaves the role of middlemen minorities Southeast Asian refugee employment and issues of class hierarchy immigrant recruitment intra community exploitation and poverty in Asian American communities **Encyclopedia of North American Immigration**

John Powell, 2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more Refugees From Revolution Peter Koehn, 2019-06-26 This book relates social constraints and opportunities to micro level exile decision making It focuses on Cuban Indo Chinese Ethiopian Eritrean and Iranian exile communities in the United States The book analyzes the origins of these large groups of exiles and their treatment under US policy **The Last American Diplomat** George W. Liebmann, 2012-01-27 Can John D

Negroponte be described as The Last American Diplomat In a career spanning 50 years of unprecedented American global power he was the last of a dying breed of patrician diplomats devoted to public service a self effacing and ultimate insider whose prime duty was to advise guide and warn a bulwark of traditional diplomatic realism against ideologue excess Negroponte served as US ambassador to Honduras Mexico the Philippines and Iraq he was US Permanent Representative to the UN Director of National Intelligence and Deputy Secretary of State to George W Bush His was a high flying and seemingly conventional career but one full of surprises Negroponte opposed Kissinger in Vietnam supported a proxy war but opposed direct American military action against Marxists in Central America facing bitter Congress opposition in the process He swam against the floodtide of George W Bush s neocon dominated administration warning against the Iraq war as a possible new Vietnam and criticising aspects of Bush s War on Terror He disconcerted the administration by arguing that the re establishment of Iraq would take as long as five years And he was influential in international social and economic policy working for the successful re settlement of millions of refugees in Southeast Asia following the Vietnam War issuing early warnings about the scourge of AIDS in Africa and successfully launching the North American Free Trade Agreement NAFTA George W Liebmann s incisive account is based on personal and shared experience but it is no hagiography beyond the

author's discussions with Negroponte this book is deeply researched in US state papers and includes interviews with leading actors It will provide fascinating reading for anyone interested in the inside story of American diplomacy showing personal and policy struggles and the underlying fissures present even in the world's last remaining superpower The Theory-Story Reader for Social Studies Bretton A. Varga, Erin C. Adams, 2024 Theory holds the capacity to help educators see the world differently challenge problematic assumptions and practices that cultivate harm and illuminate pathways towards access equity justice joy and love While it is easy to underestimate the role of theory in such pursuits throughout social studies education this book shows that theory is always already present in all productions of teaching and learning In this collection well established scholars highlight a broad range of theories that are currently being used to alter the landscape of social studies instruction Important to these efforts is the position that theory does not exist in a vacuum but rather is the reflection of a certain set of concepts and the relationship that one holds to those ideas Taking this further each chapter author employs storytelling as a means to share their personal history and unpack how they came to understand their selected theoretical topic They address a breadth of concepts such as Black feminism psychoanalysis racial capitalism settler colonialism sustainability and technoskepticism Book Features The only resource of its kind that pairs storying with a far reaching range of theories actively being used by scholars in the field of social studies education and research Brief chapters arranged alphabetically by concept provide structure while also staying true to the book's framing of theory as being curious fragmented nomadic and discursive Embedded connections within each chapter meant to help readers understand the relational and entangled nature of theory Contributors include Sohyun An Kristen Duncan Jillian Ford Jim Garrett Wayne Journell Noreen Naseem Rodriguez Muna Saleh Sandra Schmidt Sarah Shear Cathryn van Kessel and Amanda Vickery

Asian American Youth Jennifer Lee, Min Zhou, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company Body Counts Yen Le Espiritu, 2014-08-23 Body Counts The Vietnam War and Militarized Refugees examines how the Vietnam War has continued to serve as a stage for the shoring up of American imperialist adventure and for the re production of American and Vietnamese American identities Focusing on the politics of war memory and commemoration this book retheorizes the connections among history memory and power and refashions the fields of American studies Asian American studies and refugee studies not around the narratives of American exceptionalism immigration and transnationalism but around the crucial issues of war race and violence and the history and memories that are forged in the aftermath of war At the same time the book moves decisively away from the damage centered approach that pathologizes loss and trauma by detailing how first and second generation Vietnamese have created alternative memories and epistemologies that challenge the established public narratives of the Vietnam War and Vietnamese people Explicitly interdisciplinary Body Counts moves between the humanities and social sciences drawing on historical ethnographic cultural and virtual evidence in order to illuminate the places where Vietnamese refugees have managed to conjure up social public

and collective remembering *The Good Governor* Matthew R. Walsh, 2017-06-06 After the Americans withdrew from the Vietnam War their Indochinese allies faced imprisonment torture and death under communist regimes The Tai Dam an ethnic group from northern Vietnam campaigned for sanctuary writing letters to 30 U S governors in 1975 Only Robert D Ray of Iowa agreed to help Ray created an agency to relocate the Tai Dam advocated for the greater admission of boat people fleeing Vietnam launched a Cambodian relief program that generated 540 000 and lobbied for the Refugee Act of 1980 Interviews with 30 refugees and officials inform this study which also chronicles how the Tai Dam adapted to life in the Midwest and the Iowans divided response Desperate Crossings Norman L. Zucker, Naomi Flint Zucker, 2016-09-16 This work provides an examination of US refugee policy since the 1960s particularly as it has been applied to Cuba Haiti and Central America The authors also address world wide refugee problems proposing ideas for the 21st century **Children of the Boat People** Nathan Caplan, Marcella H. Choy, John K. Whitmore, 1991 An exploration of the reasons for the extraordinary educational success in America of the children of the Boat People
