From Shakespeare To Coward:

Shakespeare's Insults Nathalie Vienne-Guerrin, 2016-01-28 Why are certain words used as insults in Shakespeare's world and what do these words do and say Shakespeare's plays abound with insults which are more often merely cited than thoroughly studied quotation prevailing over exploration The purpose of this richly detailed dictionary is to go beyond the surface of these words and to analyse why and how words become insults in Shakespeare's world It's an invaluable resource and reference guide for anyone grappling with the complexities and rewards of Shakespeare's inventive use of language in the realm of insult and verbal sparring *Northrop Frye's Writings on Shakespeare and the Renaissance* Northrop Frye, 2018-08-08 This collection of Northrop Frye's writings on Shakespeare and the Renaissance spans forty years of his career as a university teacher public critic and major theorist of literature and its cultural functions Extensive annotations and an in depth critical introduction demonstrate Frye's wide ranging knowledge of Renaissance culture the pivotal place of the Renaissance in his oeuvre his impact on Renaissance criticism and on the Stratford Festival and his continuing importance as a literary theorist This volume brings together Frye's extensive writings on Shakespeare and other Renaissance writers excluding Milton who is featured in other volumes and includes major articles introductions public lectures and four previously published books on Shakespeare Frye's insightful analyses offer not just a formidable knowledge of Renaissance culture but also a transformative experience moving the reader imaginatively towards an experience of created reality *The Coward's Option* Adam-Troy Castro, 2017-08-16 Two stories from the early years of Andrea Cort later the heroine of the Philip K Dick Award winning novel *Emissaries from the Dead* *The Coward's Option* On the hostile home world of the Caith Andrea Cort has been assigned the case of a murderer who's been condemned to a horrible death All legal options have been exhausted but the Caith offer a rarely used alternative to execution one that purports to ensure that the accused will never break the law again Alas it's not so much another chance at life but deliverance into a hell far worse than mere death Tasha's Fail Safe Once she and Andrea Cort hated each other Now the victim of a savage assassination attempt by a traitor to the Confederacy she lies in an unresponsive state the identity of her assailant locked inside her head Can Andrea penetrate a vital secret she never even knew existed Other Andrea Cort stories available from JABberwocky With *Unclean Hands* *Unseen Demons* *Across the Seas* Elizabeth Sharland-Jones, 2016-04-15 Travel has always been a large part of her life in Volume One of *Classical Destinations* she recounts her travels to home and studios of composers and artists across Europe including George Sand Noel Coward and Franco Zeffirelli In this new sequel she visits the legendary hotels where famous writers enjoyed staying including the Hotel du Cap in Antibes discovered by Sarah and Gerald Murphy the Carlton Hotel in Cannes and the Villa Cimbronne in Ravello *Noel Coward In His Own Words* Noël Coward, 2008-09-29 In my time I have said some noteworthy and exceptionally memorable things Noël Coward A delightful and revealing collection of quotations from the master wordsmith Noël Coward In his plays verse song lyrics stories and everyday life he chose his

words to uniquely stylish and truthful effect This insightful portrait includes not only his best loved witticisms bons mots and lyrics but also excerpts from his private papers and hidden gems from unpublished material Barry Day delves into the whole range of Coward s talents as well as his thoughts on theatre England the Arts religion life and the man himself In His Own Words displays the usual frivolity and a surprising capacity for depth and compassion *Love Beyond the Footlights* Elizabeth Sharland,2012-05-16 Nicoles story tells of her climb to stardom from her student days at drama school her first job working for the National Theatre a Broadway run marriage and divorce When her beloved Michael deserts her her entire career is in jeopardy as she struggles to come to terms with the effect her career is having on her private life *A Poet's Notebook* Stewart Henderson,2018-06-22 A Poet s notebook with new poems obviously includes not just recent favourites television and radio commissioned poems some freshly minted verse written especially for this book but also notes and gives the background on how why and where the poems were written Such documentary reportage and wider contemporary reflection gives a fascinating insight into the genesis development and presentation of the 30 poems chosen In effect the book is part journal part commentary on the wider implications of how did we all end up here It addresses the light and shade of our days the celebrations and catastrophes and acutely observes the collective state and soul of this one life Complete with the poet s trademark humour encouraging the reader to practice once again child like glee These are poems you can whistle sing chant and be silent with **A Dictionary of Quotations in Prose** Anna Lydia Ward,1889 *Staging Touch in Shakespeare's England* Alex MacConochie,2022 Examines the social roles of touch as depicted and debated in the plays of Shakespeare and his contemporaries to show how touch is central to the dramatic vocabulary of early modern England *A Dictionary of the English Language ... Dover Wilson,1979-08-30 Dr Dover Wilson examines Falstaff s role in the two parts of Henry IV and his relationship to the Prince Like most other Shakespearean scholars he had accepted Bradley s portrait as shown in *The Rejection of Falstaff* until as he writes he began checking it with yet another portrait that which I found in the pages of Shakespeare himself As the result of much recent work on the two parts of Henry IV a new Falstaff stands before me as fascinating as Bradley s certainly quite as human but different and beside him stands a still more unexpected Prince Hal The discovery throws all my previous ideas out of focus As the reviewer in the Times Literary Supplement wrote Falstaff is no hero as the romantics have tried to make him out nor is he merely a typical and traditional stage butt But he is Falstaff riding for a fall and when he takes his toss he is up again in still unconquerable effrontery and humour The Prince as we watch him through Dr Dover Wilson s eyes growing in grace first in chivalry and then in justice we do more than observe the making of a hero king We get to know a very lovable faulty generous noble minded young man and a character in the play whose scenes are so far from being mere padding between Falstaff s that the whole is seen as a masterpiece of construction **The British Invasion of Broadway Continues** Elizabeth Sharland,2018-09-28 Elizabeth Sharland THE BRITISH ON
