## **From The Crash To The Blitz:**

*From the Crash to the Blitz, 1929-1939* Cabell B. H. Phillips, 2000 Mr Phillips s sources were the files of The New York Times and the leading periodicals of the day histories memoirs diaries and government reports Together text and photographs offer a total historical experience of a decade in the life of a nation shadowed by depression heading toward war

BOOK JACKET      *From the Crash to the Blitz* Cabell Phillips, 1970      ***From the Crash to the Blitz, 1929-1969*** Cabell B. H. Phillips, 1969      ***The New York Times Chronicle of American Life*** Cabell Phillips, 1969      *The Inaugural Addresses of Twentieth-Century American Presidents* Halford Ryan, 1993-06-30 The essays in Halford Ryan s *The Inaugural Addresses of Twentieth Century American Presidents* explore how presidents have used their addresses to empower themselves in office The volume s construct holds that the president delivers persuasive speeches to move the Congress and the people and to move the people to move the Congress if it is intransigent Even on Inauguration Day a largely ceremonial occasion the president seeks acquiescence and action from Congress and the people in his first rhetorical deed as the nation s chief executive officer Since scholars agree that the rhetorical presidency arose in the twentieth century with Theodore Roosevelt the book commences with Roosevelt s address followed by all subsequent presidents inaugurals including that of Bill Clinton The authors methodology applies classical rhetoric to the nexus of political discourse the interrelationships between the speaker the speech and the audience discussing vox populi elocutio inventio and actio Each of the chapters analyzes the political situation with regard to political purpose giving special attention to genre criticism and to the themes of campaign rhetoric that were or were not carried forth into the inaugural address The essayists explicate the evolution of each inaugural s preparation criticize its delivery and evaluate its persuasive strengths and weaknesses by accounting for its reception by the media and by the American people Recommended for scholars of political communication and rhetoric political science history and presidential studies      *Fire in the Forest* Robert W. Cermak, 2005 United States Department of Agriculture Forest Service Pacific Southwest Region      ***Criminal Justice*** George S. Bridges, Joseph G. Weis, Robert D. Crutchfield, 1996-02-22 This is a solid representation of criminological articles that are important to the discipline The important material from each article has been retained yet an undergraduate won t be overwhelmed The articles are germane and flow together a certain consistency in thought is presented to the student as opposed to interesting but often semi related articles This book is accessible and in several areas very enjoyable reading A L Marsteller Drury College Also by the Editors *Crime Vol 1* and *Juvenile Delinquency Vol 2* Why are these edited collections THE anthologies to use for teaching *Criminal Justice Criminology* or *Juvenile Delinquency* All volumes present the field accurately and completely to students and in a way that is understandable to undergraduates and therefore teachable All include rich collections of classic and contemporary articles all of which have been carefully edited so that students can master the material All volumes contain essays written by the Editors which provide the coherence and structure to the collections that undergraduate students need

Questions for Discussion and Writing and well prepared indexes help to make these anthologies even more teachable All are edited by scholars who have the credentials and the undergraduate teaching experience to make this three volume set a particularly rich resource

**Days on the Family Farm** Carrie A. Meyer,2013-11-30 From the beginning of the twentieth century to World War II farm wife May Lyford Davis kept a daily chronicle that today offers a window into a way of life that has all but disappeared May and her husband Elmo lived through two decades of prosperity the Great Depression and two World Wars in their Midwestern farming community Like many women of her time Davis kept diaries that captured the everyday events of the family farm she also kept meticulous farming accounts In doing so she left an extraordinary record that reflects not only her own experiences but also the history of early twentieth century American agriculture May and Elmo s story engagingly told by Carrie A Meyer showcases the large scale evolution of agriculture from horses to automobiles and tractors a surprisingly vibrant family and community life and the business of commercial farming Details such as what items were bought and sold what was planted and harvested the temperature and rainfall births and deaths and the direction of the wind are gathered to reveal a rich picture of a world shared by many small farmers With sustainable and small scale farming again on the rise in the United States Days on the Family Farm resonates with both the profound and mundane aspects of rural life past and present in the Midwest

The Great Depression: A Diary Benjamin Roth,Daniel B. Roth,2009-10-13 This is a first person diary account of living through the Great Depression with haunting parallels to our own time It tells the story through Benjamin Roth who was born in New York City in 1894

**Saints and Their Cults in the Atlantic World** Margaret Jean Cormack,2007 Saints and Their Cults in the Atlantic World traces the changing significance of a dozen saints and holy sites from the fourth century to the twentieth and from Africa Sicily Wales and Iceland to Canada Boston Mexico Brazil and the Caribbean Scholars representing the fields of history art history religious studies and communications contribute their perspectives in this interdisciplinary collection also notable as the first English language study of many of the saints treated in the volume Several chapters chart the changing images and meanings of holy people as their veneration traveled from the Old World to the New others describe sites and devotions that developed in the Americas The ways that a group feels connected to the holy figure by ethnicity or regionalism proves to be a critical factor in a saint s reception and many contributors discuss the tensions that develop between ecclesiastical authorities and communities of devotees

**The New York Times Chronicle of American Life** Cabell B. H. Phillips,1970

**The Dark Valley** Piers Brendon,2002-01-08 The 1930s were perhaps the seminal decade in twentieth century history a dark time of global depression that displaced millions paralyzed the liberal democracies gave rise to totalitarian regimes and ultimately led to the Second World War In this sweeping history Piers Brendon brings the tragic dismal days of the 1930s to life From Stalinist pogroms to New Deal programs Brendon re creates the full scope of a slow international descent towards war Offering perfect sketches of the players riveting descriptions of major events and crises and telling details from everyday life he offers both a grand rousing

narrative and an intimate portrait of an era that make sense out of the fascinating complicated and profoundly influential years of the 1930s      **The New York Times Chronicle of American Life** Cabell B. H. Phillips, 1969      *Righteous Pilgrim: The Life and Times of Harold L. Ickes, 1874-1952* T. H. Watkins, 2019-08-15 Born in rural western Pennsylvania Harold LeClair Ickes 1874 1952 son of a gambler womanizer drunk father and of a strictly reared Presbyterian mother grew up desperately poor and desperately ambitious He became a Chicago newsman during its gilded era a key figure in the Progressive Party and in FDR s cabinet became America s longest serving and most influential Interior Secretary As Interior Secretary he helped change the face of America forging that department into the most powerful tool for the protection of our lands He was also a major force in reshaping the character and quality of American society often seeming to speak ex cathedra as the conscience of FDR s administration Opinionated vigorously outspoken as impassioned defending minorities as defending our wild places Ickes who happily styled himself the Old Curmudgeon was arguably the most controversial and most beloved figure in the New Deal When Ickes wrote his first column in the New Republic the editors of the magazine introduced him on May 2 1949 as old enough to be called an Elder Statesman but he is too salty for that label He himself has cheerfully accepted the epithet of Curmudgeon which likewise is insufficient to his case A more accurate description would be that he is America s most venerable progressive and one of the stoutest fighters at any age for justice and good government *Righteous Pilgrim* was a non fiction National Book Award finalist in 1990 and received the Los Angeles Times Book Prize for biography in 1991 and was a finalist for the National Book Critics Circle Award an outstanding biography that is also a major work of social history spanning the first half of the 20th century Ickes was a courageous public servant who in *Righteous Pilgrim* receives long overdue recognition Herbert Mitgang The New York Times highly successful Written in a delightful conversational style that disguises the impressive scholarly research that went into its preparation this is an appreciative biography of a man who was so temperamental thin skinned and bluntly outspoken that he acknowledged these traits himself This thoughtful readable and yet gripping book is so persuasive it may well force a more positive reassessment of the New Deal *Righteous Pilgrim* is likely to be one of the most significant histories of the Progressive and New Deal reform impulse to appear in a decade Howard R Lamar Washington Post an elegant and exhaustive new biography of Ickes Using primary sources such as the diary Ickes religiously maintained through most of his life with great sensitivity Watkins provides an astonishingly intimate portrait of a public man Watkins editor of The Wilderness Society magazine Wilderness is a wonderfully skillful writer As Watkins powerfully demonstrates in this rewarding and illuminating work Ickes had no shortage of ego but his real fuel was conviction burning at an octane hardly ever seen in Washington any more Ronald Brownstein Los Angeles Times an engaging monumental biography Publishers Weekly Researched with amazing thoroughness and organized with a sure hand this will undoubtedly prove to be the definitive work on Harold L Ickes Watkins portrays the currents of political maneuvering that swirled and eddied about Ickes with admirable clarity A complex

fascinating and convincing portrait Kirkus Reviews a worthy well written biography Clayton R Koppes Reviews in American History Harold Ickes was one of the most interesting political figures of the first half of the twentieth century and T H Watkins vividly sets forth both the complexities of his personality and personal life and the remarkable scope of his achievements Frank Freidel A superbly written story of the preeminent Progressive of this century I couldn't put it down Stewart L Udall Righteous Pilgrim is one of those rare and wonderful biographies that are at once incisive portraiture and important social history Wallace Stegner Harold Ickes stomps across the pages of T H Watkins's biography as one of the most arresting and essential figures of the American twentieth century Frederick Turner At last a biography worthy of its extraordinary subject vivid impassioned larger than life Geoffrey C Ward Deterrence of the Drinking Driver Hugh Laurence Ross, 1981 Review of Legal Literature--published Between July 1974 and July 1978. Pertaining to Alcohol and Drug Involvement in Highway Safety Joseph W. Little, 1978 **The Depression Dilemmas of Rural Iowa, 1929-1933** Lisa L. Ossian, 2012-01-01 To many rural Iowans the stock market crash on New York's Wall Street in October 1929 seemed an event far removed from their lives even though the effects of the crash became all too real throughout the state From 1929 to 1933 the enthusiastic faith that most Iowans had in Iowan President Herbert Hoover was transformed into bitter disappointment with the federal government As a result Iowans directly questioned their leadership at the state county and community levels with a renewed spirit to salvage family farms demonstrating the uniqueness of Iowa's rural life Beginning with an overview of the state during 1929 Lisa L Ossian describes Iowa's particular rural dilemmas evoking through anecdotes and examples the economic nutritional familial cultural industrial criminal legal and political challenges that engaged the people of the state The following chapters analyze life during the early Depression new prescriptions for children's health creative housekeeping to stretch resources the use of farm playlets to communicate new information creatively and memorably the demise of the soft coal mining industry increased violence within the landscape and the movement to end Prohibition The challenges faced in the early Great Depression years between 1929 and 1933 encouraged resourcefulness rather than passivity creativity rather than resignation and community rather than hopelessness Of particular interest is the role of women within the rural landscape as much of the increased daily work fell to farm women during this time While the women addressed this work simply as making do Ossian shows that their resourcefulness entailed complex planning essential for families emotional and physical health Ossian's epilogue takes readers into the Iowa of today dominated by industrial agriculture and asks the reader to consider if this model that stemmed from Depression era innovation is sustainable Her rich rural history not only helps readers understand the particular forces at work that shaped the social and physical landscape of the past but also traces how these landscapes have continued in various forms for almost eighty years into this century **Department of Transportation and related agencies appropriations for 1988** United States.
