**Writing the Polish American Woman in Postwar Ethnic Fiction** Grażyna J. Kozaczka, 2019-02-26 Though often unnoticed by scholars of literature and history Polish American women have for decades been fighting back against the patriarchy they encountered in America and the patriarchy that followed them from Poland Through close readings of several Polish American and Polish Canadian novels and short stories published over the last seven decades Writing the Polish American Woman in Postwar Ethnic Fiction traces the evolution of this struggle and women's efforts to construct gendered and classed ethnicity Focusing predominantly on work by North American born and immigrant authors that represents the Polish American Catholic tradition Grażyna J Kozaczka puts texts in conversation with other American ethnic literatures She positions ethnic gender construction and performance at an intersection of social class race and sex She explores the marginalization of ethnic female characters in terms of migration studies theories of whiteness and the history of feminist discourse Writing the Polish American Woman in Postwar Ethnic Fiction tells the complex story of how Polish American women writers have shown a strong awareness of their oppression and sought empowerment through resistive and transgressive behaviors

**Teaching Late-Twentieth-Century Mexicana and Chicana Writers** Elizabeth Coonrod Martínez, 2020-12-15 Mexicana and Chicana authors from the late 1970s to the turn of the century helped overturn the patriarchal literary culture and mores of their time This landmark volume acquaints readers with the provocative at times defiant yet subtle discourses of this important generation of writers and explains the influences and historical contexts that shaped their work Until now little criticism has been published about these important works Addressing this oversight Teaching Late Twentieth Century Mexicana and Chicana Writers starts with essays on Mexicana and Chicana authors It then

features essays on specific teaching strategies suitable for literature surveys and courses in cultural studies Latino studies interdisciplinary and comparative studies humanities and general education that aim to explore the intersectionalities represented in these works Experienced teachers offer guidance on using these works to introduce students to border studies transnational studies sexuality studies disability studies contemporary Mexican history and Latino history in the United States the history of social movements and concepts of race and gender Forthcoming Books Rose Army,2002-04

**Handbook of the American Novel of the Twentieth and Twenty-First Centuries** Timo Müller, 2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James s The Ambassadors to McCarthy s The Road These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification
