The Remarkable Kinship of Marjorie Kinnan Rawlings and Ellen Glasgow Ashley Andrews Lear, 2018-06-26 In this book Ashley Lear examines the relationship between two pioneers of American literature who broke the mold for women writers of their time Pulitzer Prize winning novelists Marjorie Kinnan Rawlings and Ellen Glasgow had divergent careers in different locations Rawlings in backcountry Florida and Glasgow in urban Virginia yet their correspondence on life and writing reveals one of the great literary friendships of the South Rawlings felt such admiration for Glasgow that she spent the last year of her life compiling materials for Glasgow's biography a work she never completed Lear draws on the documents Rawlings collected about Glasgow Rawlings's personal notes and letters between the two writers to describe the experiences that brought them together Lear shows that Rawlings and Glasgow shared a love of nature and social activism had complex relationships with their parents and siblings and prioritized their professional lives over romantic attachments They were both classified as writers of regional works and juvenilia by critics and Lear traces their discussions about how to respond to the opinions of book reviewers Both were also forced to confront a new quickly modernizing America which at times clashed with their traditional values and naturalistic lifestyles This is a fascinating portrait of a friendship that sustained two women writers in a time of social upheaval and changing norms in the American South Marjorie Kinnan Rawlings and the Florida Crackers Sandra Wallus Sammons, 2010-06-01 Marjorie Kinnan Rawlings grew up loving to write and hoping to become an author Later she moved to Florida where she lived out in the country at Cross Creek in an area called the Big Scrub She met the people who lived there the so called Crackers Their simple way of life fascinated her so she wrote stories about them One of her books called *The Yearling* was about a boy and a pet deer This book won the Pulitzer Prize for fiction Her dream of becoming a famous writer had come true Ages 9-12 Next in series See all of the books in this series **The Life She Wished to Live: A Biography of Marjorie Kinnan Rawlings, author of *The Yearling*** Ann McCutchan, 2021-05-11 A comprehensive and engaging biography of Marjorie Kinnan Rawlings Pulitzer Prize winning author of the beloved classic *The Yearling* Washington DC born and Wisconsin educated Marjorie Kinnan Rawlings was an unlikely author of a coming of age novel about a poor central Florida child and his pet fawn much less one that has become synonymous with Florida literature writ large Rawlings was a tough ambitious and independent woman who refused the conventions of her early twentieth century upbringing Determined to forge a literary career beyond those limitations she found her voice in the remote hardscrabble life of Cross Creek Florida There Rawlings purchased a commercial orange grove and discovered a fascinating world out of which to write and a dialect of the poor swampland community that the literary world had yet to hear She employed her sensitive eye sharp ear for dialogue and philosophical spirit to bring to life this unknown corner of America in

vivid tender detail a feat that earned her the Pulitzer Prize in 1938 Her accomplishments came at a price a failed first marriage financial instability a contentious libel suit alcoholism and physical and emotional upheaval With intimate access to Rawlings s correspondence and revealing early writings Ann McCutchan uncovers a larger than life woman who writes passionately and with verve whose emotions change on a dime and who drinks to excess smokes swears and even occasionally joins in on an alligator hunt The Life She Wished to Live paints a lively portrait of Rawlings her contemporaries including her legendary editor Maxwell Perkins and friends Zora Neale Hurston Ernest Hemingway and F Scott Fitzgerald and the Florida landscape and people that inspired her **American Women Writers, 1900-1945** Laurie

Daughters Of Canaan Margaret Ripley Wolfe, 2021-12-14 From *Gone with the Wind* to *Designing Women* images of southern females that emerge from fiction and film tend to obscure the diversity of American women from below the Mason Dixon line In a work that deftly lays bare a myriad of myths and stereotypes while presenting true stories of ambition grit and endurance Margaret Ripley Wolfe offers the first professional historical synthesis of southern women's experiences across the centuries In telling their story she considers many ordinary lives those of Native American African American and white women from the Tidewater region and Appalachia to the Mississippi Delta to the Gulf Coastal Plain women whose varied economic and social circumstances resist simple explanations Wolfe examines critical eras outstanding personalities and groups wives mothers pioneers soldiers suffragists politicians and civil rights activists and the impact of the passage of time and the pressure of historical forces on the region's females The historical southern woman argues Wolfe has operated under a number of handicaps bearing the full weight of southern history mythology and legend Added to these have been the limitations of being female in a patriarchal society and the constraining images of the southern belle and her mentor the southern lady In addition the specter of race has haunted all southern women Gender is a common denominator but according to Wolfe it does not transcend race class point of view or a host of other factors Intrigued by the imagery as well as the irony of biblical stories and southern history Wolfe titles her work *Daughters of Canaan* Canaan symbolizes promise and for activist women in particular the South has been about promise as much as fulfillment General readers and students of southern and women's history will be drawn to Wolfe's engrossing chronicle

Al Burt's Florida Al Burt, 2025-06-24 Florida Trust for Historic Preservation Award Florida Historical Society Patrick D Smith Florida Literature Book Award A tour of twentieth century Florida through the writing of a roving reporter Some say that Floridians lack a sense of place they won t after reading Al Burt Ann Henderson Former executive director Florida Humanities Council As a roving reporter for the Miami Herald from 1973 to 1995 Al Burt traveled all of Florida studying it with the insight of a native and the detached eye of the foreign correspondent he had been During those years he observed connections with the state s past and speculated about its future and while he was at it took note of the human frailties and heroisms he witnessed every day Al Burt s Florida is like a family portrait a loving but not uncritical view of a complex and fascinating state Burt s portrait combines vignettes of notable Floridians some famous at the time like Ed Ball but most better known locally with those of the state s many special places Okeechobee in the teens and twenties Miami Beach in the fifties when dinner in Havana was only a 26 plane ride away Wakulla Springs when it served as Johnny Weismuller s Tarzan movie set modern day Tallahassee with its formality and grace Al Burt himself emerges from this landscape as the remarkable engaging and passionate Floridian he is He takes us in hand starting from his headquarters in the north Florida scrub on a tour of the charm substance and fantasy of Florida yesterday and today And always he dwells with greatest affection on the smaller places the real places the anchors of old Florida and on those folks who do their best to preserve them In the process he captures a sense of Florida as home A volume in the Florida History and Culture series edited by Raymond Arsenault and Gary R Mormino *Dictionary of Literary Biography* , 1978

Crossing the Creek Anna Lillios, 2020-03-25 One of the twentieth century s most intriguing and complicated literary friendships was that between Zora Neale Hurston and Marjorie Kinnan Rawlings In death their reputations have reversed but in the early 1940s Rawlings had already achieved wild success with her best selling and Pulitzer Prize winning novel The Yearling while Hurston had published Their Eyes Were Watching God to unfavorable critical reviews When they met both were at the height of their literary powers Hurston appears to have sought out Rawlings as a writer who could understand her talent and as a potential patron and champion Rawlings did become an advocate for Hurston and by all accounts a warm friendship developed between the two Yet at every turn Rawlings s own racism and the societal norms of the Jim Crow South loomed on the horizon until her friendship with Hurston transformed Rawlings s views on the subject and made her an advocate for racial equality Anna Lillios s Crossing the Creek is the first book to examine the productive and complex relationship between these two major figures Is there truth to the story that Hurston offered to work as Rawlings s maid Why did Rawlings host a tea for Hurston in St Augustine In what ways did each write the friendship into their novels Using interviews with individuals who knew both women as well as incisive readings of surviving letters Lillios examines these questions and many others in this
