Kousser, Lynn Vavreck, Timothy R.
Johnson**

Going Public New Strategies Of Presidential Leadership Second Edition:

Going Public Samuel Kernell, 2006-10-18 Presidents are uniquely positioned to promote themselves and their policies directly to the public. Using sympathetic crowds as a backdrop, a president can rally public opinion to his side along the way, delivering a subtle yet unmistakable message to his intended audience in Congress. Samuel Kernell shows how going public remains a potent weapon in the president's arsenal, both for advancing his own agenda and blocking initiatives from his political adversaries in Congress. In his highly anticipated fourth edition, Kernell delivers thorough analysis and detailed background on how this strategy continues to evolve given the intense polarization of Congress and the electorate, as well as changes in communications technology. He considers the implications of both factors, especially in combination, on the future of presidential leadership and weighs the lessons of 9/11 on going public in foreign affairs.

The Development of the American Presidency Richard J. Ellis, 2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present. This developmental lens, analyzing how historical turns have shaped the modern institution, allows for a richer, more nuanced understanding beyond the current newspaper headlines. The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science, with the constitutional origins and political development of the presidency its central focus. Through comprehensive and in-depth coverage, this text looks at how the presidency has evolved in relation to the public, to Congress, to the Executive branch, and to the law, showing at every step how different aspects of the presidency have followed distinct trajectories of change. All the while, Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts. Ellis's own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages. Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept. A wealth of photos, figures, and tables allow for the visual presentations of concepts. A companion website not only acts as a further resources base, directing students to primary documents, newspapers, and data sources, but also presents interactive timelines and practice quizzes to help students master the book's lessons. The second edition has a new chapter on unilateral powers that brings greater attention to domestic policymaking.

Governing With the News, Second Edition Timothy E. Cook, 2012-08-06 The ideal of a neutral, objective press has proven in recent years to be just that: an ideal. In *Governing with the News*, Timothy E. Cook goes far beyond the single claim that the press is not impartial to argue that the news media are in fact a political institution integral to the day-to-day operations of our government. This updated edition includes a new afterword by the author, which pays close attention to two key developments in the twenty-first century: the accelerating fragmentation of the mass media and the continuing decline of Americans' confidence in the press. Provocative and often wise, Cook, who has a complex understanding of the relationship between governing and the news, provides a fascinating account of the origins of this complicity. James Bennet, Washington

Monthly Governing with the News addresses central issues of media impact and power in fresh illuminating ways Cook mines a wealth of historical and organizational literature to assert that the news media are a distinct political institution in our democratic system Robert Schmuhl Commonweal

The Development of the American Presidency Richard Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

Presidential Power John P. Burke, 2018-05-04 Presidential power is perhaps one of the most central issues in the study of the American presidency Since Richard E Neustadt s classic study first published in 1960 there has not been a book that thoroughly examines the issue of presidential power *Presidential Power Theories and Dilemmas* by noted scholar John P Burke provides an updated and comprehensive look at the issues constraints and exercise of presidential power This book considers the enduring question of how presidents can effectively exercise power within our system of shared powers by examining major tools and theories of presidential power including Neustadt s theory of persuasion and bargaining as power constitutional and inherent powers Samuel Kernell s theory of going public models of historical time and the notion of internal time Using illustrative examples from historical and

contemporary presidencies Burke helps students and scholars better understand how presidents can manage the public's expectations, navigate presidential-congressional relations, and exercise influence in order to achieve their policy goals.

White House Studies Compendium Robert W. Watson, 2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events. The compendium consists of the combined and rearranged issues of the journal *White House Studies* with the addition of a comprehensive subject index. Preface.

The Evolution of Presidential Polling Robert M. Eisinger, 2003-01-20. *The Evolution of Presidential Polling* is a book about presidential power and autonomy. Since FDR, virtually all presidents have employed private polls in some capacity. This book attempts to explain how presidential polling evolved from a rarely conducted secretive enterprise to a commonplace event that is now considered an integral part of the presidency. I contend that because presidents do not trust institutions such as Congress, the media, and political parties, all of which also gauge public opinion, they opt to gain autonomy from these institutions by conducting private polls to be read and interpreted solely for themselves.

The Presidency and Immigration Policy Matthew Eshbaugh-Soha, Eric Gonzalez Juenke, Andrea Silva, 2023-11-30. This comprehensive analysis of presidential immigration rhetoric quantifies the frequency, tone, and efficacy of public mentions of immigrants and immigration policy by the presidents from Washington through Biden. The book also explores the intersection of the presidential role with that of the other key actors in the immigration policy system, notably the press, the public, and Congress. For students of immigration studies, presidential studies, and political communication, this book also poses the question of which is of the greatest significance to the immigration policy agenda: presidential leadership making immigration a top priority or existing legislative support for comprehensive immigration reform.

Keeping the Republic Christine Barbour, Gerald C. Wright, 2020-12-10. *Keeping the Republic* gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction, and balance from bias and influence the message through informed citizenship. *Keeping the Republic* Brief Edition draws students into the study of American politics, showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship. The thoroughly updated Ninth Edition analyzes not only the 2020 election results and Supreme Court rulings but also examines the activism of the Black Lives Matter movement, political outsiders in campaigns and party nominations, the federal government's response to the COVID-19 pandemic, and the presidency of Donald Trump. With students living through one of the most challenging periods in American life, *Keeping the Republic* Brief Edition is there to be a much-needed resource to help them make sense of politics in America today and become savvy consumers of political information. Carefully condensed from the full 10th edition by authors Christine Barbour and Gerald C. Wright, *Keeping the Republic* Brief Edition gives your students the same continuity and crucial content in a more concise, value-oriented package. This title is accompanied by a complete teaching and learning package. Rockwell,2023-10-12

Although many associate Franklin D Roosevelt with the inauguration of the robust dominant American presidency the roots of his executive leadership style go much deeper Examining the presidencies of John Quincy Adams Ulysses S Grant and William Howard Taft Stephen Rockwell traces emerging connections between presidential action and a robust state over the course of the nineteenth century and the Progressive Era By analyzing these three undervalued presidents savvy deployment of state authority and their use of administrative leadership legislative initiatives direct executive action and public communication Rockwell makes a compelling case that the nineteenth century presidency was significantly more developed and interventionist than previously thought As he shows for a significant number of policy arenas the actions of Adams Grant and Taft touched the lives of millions of Americans and laid the foundations of what would become the American century

Winning with Words Brian F. Schaffner,Patrick J. Sellers,2009-09-10 Today s politicians and political groups devote great attention and care to how their messages are conveyed From policy debates in Congress to advertising on the campaign trail they carefully choose which issues to emphasize and how to discuss them in the hope of affecting the opinions and evaluations of their target audience This groundbreaking text brings together prominent scholars from political science communication and psychology in a tightly focused analysis of both the origins and the real world impact of framing Across the chapters the authors discuss a broad range of contemporary issues from taxes and health care to abortion the death penalty and the teaching of evolution The chapters also illustrate the wide ranging relevance of framing for many different contexts in American politics including public opinion the news media election campaigns parties interest groups Congress the presidency and the judiciary *Party Ballots, Reform, and the Transformation of America's Electoral System* Erik J. Engstrom,Samuel Kernell,2014-10-27 This book explores the fascinating and puzzling world of nineteenth and early twentieth century American elections It examines the strategic behavior of nineteenth century party politicians and shows how their search for electoral victory led them to invent a number of remarkable campaign practices Why were parties dedicated to massive voter mobilization Why did presidential nominees wage front porch campaigns Why did officeholders across the country tie their electoral fortunes to the popularity of presidential candidates at the top of the ticket Erik J

Engstrom and Samuel Kernell demonstrate that the defining features of nineteenth century electoral politics were the product of institutions in the states that prescribed how votes were cast and how those votes were converted into political offices Relying on a century s worth of original data this book uncovers the forces propelling the nineteenth century electoral system its transformation at the end of the nineteenth century and the implications of that transformation for modern American politics

The Presidential Republic Gary L. Gregg,1997 For two centuries American presidents have considered themselves to be representatives of the American people In this detailed study of presidential representation Gary Gregg explores the theory history and consequences of presidents acting as representatives in the American political system Gregg explores questions such as what it means to be a representative how the Founding Fathers understood the place of the presidency in the Republic established by the Constitution and the effects a representational presidency has on deliberative democracy This important examination of the presidency s place in our political system is essential reading for those interested in American political theory constitutional studies and American history

Powersharing Shirley Anne Warshaw,1996-01-01 This study of presidential administrations from Nixon through Clinton discusses how and why the White House has become the dominant player in the domestic policy process relegating the departments to implementation rather than design of key initiatives

The Oxford Handbook of Political Institutions R. A. W. Rhodes,Sarah A. Binder,Bert A. Rockman,2008-06-12 The study of political institutions is among the founding pillars of political science With the rise of the new institutionalism the study of institutions has returned to its place in the sun This volume provides a comprehensive survey of where we are in the study of political institutions covering both the traditional concerns of political science with constitutions federalism and bureaucracy and more recent interest in theory and the constructed nature of institutions The Oxford Handbook of Political Institutions draws together a galaxy of distinguished contributors drawn from leading universities across the world Authoritative reviews of the literature and assessments of future research directions will help to set the research agenda for the next decade

Bitter Harvest Matthew J. Dickinson,1999-02-13 Bitter Harvest identifies the principles governing Franklin Roosevelt s development and use of a presidential staff system and offers a theory explaining why those principles proved so effective Dickinson argues that presidents institutionalize staff to acquire the information and expertise necessary to better predict the likely impact their specific bargaining choices will have on the end results they desire Once institutionalized however presidential staff must be managed Roosevelt s use of competitive administrative techniques minimized his staff management costs while his institutionalization of nonpartisan staff agencies provided him with needed information Matthew Dickinson s research suggests that FDR s principles could be used today to manage the White House staff dominated institutional presidency upon which most of his presidential successors have relied

Robert Wagner and the Rise of New York City's Plebiscitary Mayoralty: The Tamer of the Tammany Tiger Richard M. Flanagan,2014-12-12 Robert Wagner was New York City s true New Deal mayor killed Tammany Hall The world Wagner

shaped delivers municipal services efficiently at the cost of local democracy The story of Wagner s mayoralty will be of interest to anyone who cares about New York City local democracy and the debate about the legacy of the City s important leaders

The Logic of American Politics Samuel Kernell, Gary C. Jacobson, Thad Kousser, Lynn Vavreck, Timothy R. Johnson, 2025-02-26 Why does the American political system work the way it does After observing the strains of intense partisanship and divided government many Americans are wondering what logic if any can be found in politics With both sides of the political spectrum being so different from one another and the scales often tipping in the favor of the opposing party by a fraction of a percentage point how can anyone work the system to their advantage With fresh analysis of the 2024 presidential election results the bestselling textbook The Logic of American Politics provides students with the tools they need to make sense of the government they have Weaving together historical context contemporary politics and a toolkit of institutional design concepts the Twelfth Edition builds students understanding of political institutions and practices as imperfect solutions to collective action problems

The Presidential Leadership Dilemma Julia R. Azari, Lara M. Brown, Zim G. Nwokora, 2013-01-29 Throughout their time in office American presidents are often forced to choose between leading the nation and leading their party In an earlier time when the major parties were less polarized this leadership dilemma while challenging was not nearly as vexing as it is today American presidents now find themselves with little room to maneuver compelled to serve the Constitution on the one hand and yet caught within bitter partisan disputes and large numbers of unaffiliated voters on the other The contributors to this volume investigate how recent presidents have navigated these increasingly rocky political waters Focusing on campaign strategy presidential rhetoric relations with Congress domestic and foreign policy The Presidential Leadership Dilemma presents a wide ranging detailed and fascinating study of how contemporary presidents face the challenge at the heart of every presidency

White House Politics and the Environment Byron W. Daynes, Glen Sussman, 2010-07-23 Presidents and their administrations since the 1960s have become increasingly active in environmental politics despite their touted lack of expertise and their apparent frequent discomfort with the issue In White House Politics and the Environment Franklin D Roosevelt to George W Bush Byron W Daynes and Glen Sussman study the multitude of resources presidents can use in their attempts to set the public agenda They also provide a framework for considering the environmental direction and impact of U S presidents during the last seven decades permitting an assessment of each president in terms of how his administration either aided or hindered the advancement of environmental issues Employing four factors political communication legislative leadership administrative actions and environmental diplomacy as a matrix for examining the environmental records of the presidents Daynes and Sussman s analysis and discussion allow them to sort each of the twelve occupants of the White House included in this study into one of three categories ranging from less to more environmentally friendly Environmental leaders and public policy professionals will appreciate White House Politics and the Environment for its thorough and wide ranging examination of how presidential

resources have been brought to bear on environmental issues

Going Public New Strategies Of Presidential Leadership Second Edition Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Going Public New Strategies Of Presidential Leadership Second Edition PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Going Public New Strategies Of Presidential Leadership Second Edition PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Going Public New Strategies Of Presidential Leadership Second Edition free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Going Public New Strategies Of Presidential Leadership Second Edition Books

What is a Going Public New Strategies Of Presidential Leadership Second Edition PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Going Public New Strategies Of Presidential Leadership Second Edition PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Going Public New Strategies Of Presidential Leadership Second Edition PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Going Public New Strategies Of Presidential**

Leadership Second Edition PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Going Public New Strategies Of Presidential Leadership Second Edition PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
