A Short History of Denver Stephen J. Leonard, Thomas J. Noel, 2016-09-20 A Short History of Denver covers more than 150 years of Denver's rich history. The book recounts the takeover of Native American lands, the founding of small towns on the South Platte River at the base of the Rocky Mountains, and the creation of a city which by 1890 was among the nation's major western urban centers. Leonard and Noel tell the stories of powerful economic and political leaders such as John Evans, Horace Tabor, and David Moffat, and delve into the contributions of women including Elizabeth Byers and Margaret Molly Brown. The book also recognizes the importance of the city's ethnic communities including African Americans, Asians, Latinos, and many others. A Short History of Denver portrays the city's twentieth-century ups and downs, including the City Beautiful movement, political corruption, the rise of the Ku Klux Klan in the 1920s, and the Great Depression of the 1930s. Here, readers will find the meat and potatoes of economic and political history, and much more, including sports history, social history, and the history of metropolitan-wide efforts to preserve the past.

The History of the Death Penalty in Colorado Michael Radelet, 2017-01-15 In The History of the Death Penalty in Colorado, noted death penalty scholar Michael Radelet chronicles the details of each capital punishment trial and execution that has taken place in Colorado since 1859. The book describes the debates and struggles that Coloradans have had over the use of the death penalty, placing the cases of the 103 men whose sentences were carried out and 100 more who were never executed into the context of a gradual worldwide trend away from this form of punishment. For more than 150 years, Coloradans have been deeply divided about the death penalty, with regular questions about whether it should be expanded, restricted, or eliminated. It has twice been abolished, but both times state lawmakers reinstated the contentious punitive measure. Prison administrators have contributed to this debate with some refusing to participate in executions and some lending their voices to abolition efforts. Colorado has also had a rich history of experimenting with execution methods, first hanging prisoners in public and then starting in 1890 using the twitch-up gallows.
