*"Tell Me a Little Bit About Yourself"* Travis Hanson, 2012-01-13 During one of his many failed job interviews Travis Hanson panics after the employer asks him Tell me a little bit about yourself and ends up answering the question by telling his entire life story From being kidnapped at age three through being abused on different occasions through being homeless for a year through incessant social awkwardness to learning how to deal with it all without the aid of any therapy drugs or alcohol He reveals every significant event both good

and bad that has made him who he is today and is shockingly open and honest about telling all of this to a complete stranger Life is full of ups and downs that s just life And whether we view them as positive or negative events happen in our lives only when we are ready for them to happen and not a second sooner It s not all about what happens to us it s about how we react to those events that matters the most      **It Takes Two to Talk** Jan Pepper, Elaine Weitzman, Hanen Centre, 2004 Shows parents how to help their child communicate and learn language during everyday activities      Robert Johnson, 2006-05-01

**Timers and Old Timers** Kenneth L. Untiedt, 2012 The Texas Folklore Society has been alive and kicking for over one hundred years now and I don't really think there's any mystery as to what keeps the organization going strong. The secret to our longevity is simply the constant replenishment of our body of contributors. We are especially fortunate in recent years to have had papers given at our annual meetings by new members, young members, many of whom are college or even high school students. These presentations are oftentimes given during sessions right alongside some of our oldest members. We've also had long time members who've been around for years but had never yet given papers; thankfully they finally took the opportunity to present their research, fulfilling the mission of the TFS to collect, preserve, and present the lore of Texas and the Southwest. You'll find in this book some of the best articles from those presentations. The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants. Familiar and well-respected names like J. Rhett Rushing and Kenneth W. Davis discuss folklore about monsters and the classic widow's revenge tale. These works and the people who produced them represent the secret behind the history of the Texas Folklore Society as well as its future. Kenneth L. Untiedt
