Going Loco:

To Blossom and Back Paul Hopkins,2020-02-17 It wasn't just sex that was for sure Little did they know about the darkness and torment that would unveil itself as they traveled the path of selfishness and desire The addiction took hold revealing that the attraction and desire was too strong to deny No one or nothing could stand in their way as the connection and sex between them was too powerful strong and too pertinent The pull to each other was so strong and grew daily which made them question and doubt and search until one day the line was crossed They both jumped on the roller coaster of love as they were tossed and turned in an emotional whirlwind The grip of addiction was too solid and too much it was heavy handed and took no prisoners Wayne Lapointe,Jose Martinez,2011-03 All throughout his life Jose Martinez had been plagued by Demons and the Horrors of life He has fought many battles Not battles of war but battles of the mind and spirit He has fought his way through life to stay alive and better himself through all his tribulations He saw that God was great and that God never once gave up on him The man who once ran the streets was now running the Grace of God through his prayers and his sermons The one who once belonged to a gang now belongs to God Jose Martinez now a Chaplain and a Youth Pastor challenges people to change their lives for the better The fate of the world hangs on us This is a true life story and with this remarkable testimony it will not only open your mind to the ways of the world but it will touch your heart and challenge you to change your life for the better Challenge you to be Radical Throughout my life I believed in God but did not know or fully understand God For the first time in my life Thanks to Jose I am starting to understand I realized not too long ago that God placed him into my life when he did for a reason He placed a man who could save my life into my life when the worst part of my life was about to occur before I even knew it was coming Wayne R LaPointe **Going Down To The**

Analyzing Christmas in Film Lauren Rosewarne, 2017-12-06 Film plays a vital role in the celebration of Christmas. For decades it has taught audiences about what the celebration of the season looks like from the decorations to the costumes and to the expected snowy weather as well as mirrors our own festivities back to us. Films like *It's a Wonderful Life* and *Home Alone* have come to play key roles in real life domestic celebrations watching such titles has become for many families every bit as important as tree trimming and leaving cookies out for Santa. These films have exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday. Rather than settling the what is a Christmas film debate indeed *Die Hard* and *Lethal Weapon* are discussed within *Analyzing Christmas in Film*. Santa to the Supernatural focuses on the how Christmas is presented on the deluge of occasions when it appears. While most Christmas films are secular religion makes many cameos appearing through Nativity references storylines involving spiritual rebirth the framing of Santa as a Christ like figure and the all importance of family be it the Holy family or just those gathered around the dining table. Also explored are popular narratives involving battles with stress and melancholy single parents and Christmas martyrs visits from ghosts and angels big cities and small towns break ups and make ups and the ticking clock of mortality. Nearly 1000 films are analyzed in this volume to determine what the portrayal of Christmas reveals about culture society and faith as well as sex roles consumerism aesthetics and aspiration.
