Choose Your Story, Change Your Life Kindra Hall, 2022-01-11 The things we tell ourselves affect how well or poorly our path in life goes It's time to flip the script on the internal stories you tell yourself and live life on your terms Most of the self stories you tell yourself the kind of person you say you are and the things you are capable of are invisible to you because they have become such a part of your everyday mental routine that you don't even recognize they exist Yet these self stories influence everything you do everything you say and everything you are Choose Your Story Change Your Life will help you take complete control of your self stories and create the life you've always dreamed you'd have Author Kindra Hall offers up a new window into your psychology one that travels the distance from the frontiers of neuroscience to the deep inner workings of your thoughts and feelings In Choose Your Story Change Your Life Kindra will help you Uncover the truth of how you have created the life you have Challenge everything you think you know about how your life has been built Uncover the clear steps you can take to create the life you want Take control of your self story to become the author of who you are and Live your life in a way you never have before This eye opening but applicable journey will transform you from a passive listener of these limiting unconscious thoughts to the definitive author of who you are and everything you want to be Changing your life is as simple as choosing better stories to tell yourself If you can change your story you can change your life

Metaphor-Phosis: Transform Your Stories from Pain to Power Lesley Tierra, 2012-09-19 Do the same things happen to you over and over Do people treat you in similar ways Do you feel stuck in repeating negative patterns Hidden subconscious stories have a way of creating lots of drama blame and distractions They also drain your energy and keep you from experiencing the life you want So how do you stop such cyclical patterns and free yourself from the past To truly change your outer life it's necessary to first shift your inner life Through a complete toolbox that takes you beyond mere psychological tricks and into the dimension of Spirit Metaphor phosis helps you harness the extraordinary power within to transform your life My own journey in self healing and helping others heal has taught me that whether you want to improve your life or make major changes the magic key lies in discovering your limiting subconscious patterns and diffusing their energy so when you focus on what you desire instead there's nothing in the way to block its manifestation Metaphor phosis helps you do just that catalyzes a potent shift so you emerge a different person It teaches how to Discover your limiting stories Unhook from subconscious patterns and beliefs Determine your life's purpose Manifest your dreams and visions Through a blend of personal story scientific facts practical teachings and effective tools learn how to clear repetitive experiences heal wounds and create a freer more fulfilling life Come explore your unique inner treasures to shift your stories from limitation and

imprisonment to possibility and freedom **Strategic Storytelling** Anjali Sharma,2024-08-15 In today's connection economy the most successful leaders inspire their people with purpose and meaning Powerful corporate storytelling can mobilise people around an organisational objective in a way that a focus on market share never will Be it a digital transformation or a diversity and inclusion initiative corporate change needs the support of the people in that organisation in order to stick Yet while all stories can move people to take action storytelling isn't a one size fits all The most effective influencers learn to flex their narrative based on the audience's time or their level of expertise A story that works on the stage doesn't work in the boardroom A story that works in the boardroom doesn't work in a team meeting A story that works in a team meeting doesn't work in a one to one conversation A story that works in one to one conversation doesn't work in sales Anjali Sharma introduces leaders and ambitious influencers to the Who Why and How of strategic storytelling in business enabling them bring about change and drive corporate success by telling exactly the right story in the right way

The Ancient Story of God-With-Us Ray C. Robles,2025-04-08 What is forming you We often assume that our identities are formed and created only when we intend them to be But what if our quest for discerning the deepest truths about ourselves our God and our world are already governed by appetites and ways of thinking that are so fixed in our collective imaginations we don't even know that they're there This book is aimed at exposing those hidden assumptions that have kept us feeling like God is distant while we remain divided anxious and afraid despite our best efforts to overcome through private prayer and Bible reading The Ancient Story of God With Us is about the good news that you don't have to think or pray your way out of this wilderness by yourself Through our storied identity with God we have been gifted deep wells from which to draw again and again as the Spirit woos us deeper into the inexhaustible mystery of the triune God with us God is alive We have nothing to fear

The Secret of Culture Change Jay B. Barney,Manoel Amorim,Carlos Júlio,2023-08-08 Find out how bold actions by visionary leaders can inspire powerful stories that drive culture change Data indicates that most strategic efforts to change a company's culture fail So how do companies succeed in this endeavor A top strategy professor and two highly successful CEOs found that in companies that had successfully changed their culture leaders had taken dramatic actions that embodied the new cultural values These actions inspired stories that became company legends repeated in every department and handed on to new employees Through compiling and analyzing 150 stories from business leaders who have achieved change they identified 6 attributes that every successful culture change story has in common 1 The actions are authentic 2 They revolve around the CEO 3 They signal a clean break with the past and a clear path to the future 4 They appeal to employee heads and hearts 5 They're often theatrical or dramatic 6 They're told and re told throughout the organization With extensive and inspiring examples of stories containing these attributes the authors illustrate how readers can harness the power of stories within their company in order to change or create a winning culture to align with any strategy *Specific Person Stories* Jasjit Singh,2023-12-27 **The Power of Mentoring** Martin
