Going Together The Church Of Christ The Encounter Series:

Going Together James DiGiacomo,1978 **Going Together** James DiGiacomo,John J. Walsh,1978 The Selected Works of Isaac of Stella Isaac (of Stella),2007 This book presents an invaluable selection of sermons and theological treatises of the twelfth century author Isaac of Stella The English born abbot of the French Cistercian monastery of Stella on the Isle of Re is one of the most inspiring yet equally elusive representatives of the great twelfth century Cistercian Renaissance more widely associated with the person of Bernard of Clairvaux The astonishing spiritual and intellectual depth of Isaac s surviving writings makes him a valuable read for anyone aiming to receive a complete picture of the intellectual heritage of the Middle Ages Of the twenty five sermons by Isaac presented in this volume ten are made available here in an English translation for the first time These are accompanied with two new studies examining Isaac of Stella s work from an historical literary as well as theological perspective Mending Our Nets Rosemary Torrence,1980 **National Union Catalog, 1980** ,1981 *Going Together* John J. Walsh,James DiGiacomo,1978-03 Discusses how worship and sacrament are vehicles in which to meet Christ National Union Catalog ,1973 Includes entries for maps and atlases **Everyday Encounters with the Lord** Tony Elder,2018-09-11 This inspiring daily devotional will challenge you to grow in your relationship with the Lord while allowing Him to transform you into the Christlike person He calls you to be Enhance your personal moments with God each day by being reminded of vital biblical truths which can be found imbedded in our everyday experiences Hear God speaking through interactions with grandchildren nature the day s headlines holiday gatherings and all the other common occurrences in life Let these readings point you to further study in God s Word lead you to seeking God in prayer and guide you into greater service for His kingdom Here s an excerpt from one of those daily messages Last weekend when I first saw a news report about a missing husband and wife I thought it was an unfortunate and potentially tragic situation But when I realized I actually knew the couple that we had been fellow church members with this nice lady many years ago the story really hit home So I kept checking the news throughout the day to receive updates on the search for these missing persons Isn t that the way it often goes We may hear about certain people their situations and predicaments We may respond with some degree of slight interest to genuine concern But when it involves somebody we know our own family or ourselves it really gets our attention and has a bigger impact on us It reminds me of the time the prophet Nathan told King David about a man who had a great number of flocks and herds Once David realized this story was about him it deeply affected him leading to heartfelt confession and repentance Maybe there are some stories facts and truths in the Bible which we need to take more personally than we do The general statements may affect us to some degree but not as much as they should In many cases we need to realize it s talking about me and you When the Bible declares that God so loved the world that He sent His Son we should take it personally God loves you God cared enough about you to take such action You are the one When God s Word calls believers to love others and be holy He s talking to you When He commissions His followers to be His witnesses to

be lights in a dark world and to share the gospel He is sending you You are the one If God's Word isn't moving us and affecting us very deeply maybe it's because we're looking at it as more of a textbook to be studied rather than as a personal letter to be received Read the Bible see yourself in its truths and seek to hear what God wants to say to you *The Church of Christ* James DiGiacomo, 1978 *Encounters with Luther* Kirsi I. Stjerna, Brooks Schramm, 2016-08-01 Encounters with Luther offers in one volume original primary research from an international and ecumenical pool of scholars It examines Luther and Lutheran theological traditions along with their historical foundations and with a focus on relevant contemporary issues and ecumenical collegiality Topics range from sacraments and marriage to violence and gender and sexuality to spiritual care politics and suffering Chapters are based on the annual Luther Colloquy proceedings at Lutheran Theological Seminary at Gettysburg The articles represent a diverse range of authors and methodologies that reward readers with relevant and genuinely contemporary and practical applications of Luther's thought Contributors B A Gerrish Mary Jane Haemig Douglass John Hall Stanley Hauerwas Kurt K Hendel Hans J Hillerbrand Eero Huovinen Denis R Janz Peter D S Krey Volker Leppin Carter Lindberg Anna Madsen Mickey L Mattox Surekha Nelavala Brooks Schramm Kirsi I Stjerna Deanna A Thompson Vitor Westhelle and John Witte Jr *Together for a Season: All-age seasonal resources for Lent, Holy Week and Easter* Peter Craig-Wild, Diane Craven, Peter Moger, 2007 A practical companion through the Church's year for all those planning and leading all age worship It offers an array of creative material designed to bring to life the seasonal liturgy of Lent Holy Week and Easter including Pentecost **The Christian Century**, 1917 **Unfinished Business** Greg Ogden, 2010-05-11 The Reformation restored the Scriptures to the people but the job was only halfway finished Today the church is awakening to the truth that ministry is not just the domain of clergy but belongs to the entire body of Christ God is moving her to complete her unfinished business of placing the ministry back in the hands of the people Unfinished Business has played a pivotal part in helping the church reclaim ministry at the grassroots level First published in 1990 as *The New Reformation* it has become a classic resource for church life Expanding on and updating the original material with fresh examples and references to eight key important movements this new edition lays foundations for the church to move from Passive to active Maintenance to mission Clergy to people of God Teacher caregiver to equipping enabler Pointing us back to the church as an organism not an institution author Greg Ogden shows how each of us is called to help finish the Reformation's unfinished business expressing the priesthood of every believer practically in the church the world and all avenues of life

The Western Christian Advocate,1900 Life Together Stephen Barton,2005-01-01 In these wide ranging studies Stephen Barton shows that Christian theology and the Christian scriptures have a vital contribution to make to contemporary wisdom about our common life The subjects he addresses are relevant to the concerns of many people today What he has to say about the family sexuality community and biblical interpretation is both informative and creative Running through the book is the issue of the appropriate use of the Bible how the sacred text may speak in ways which are life giving Stephen Barton claims that questions about the interpretation of the Bible have to be set in the larger context of what it means to be the church A central argument i that the Bible is the kind of text the truth of whose witness is discovered above all in the lives of individuals and communities seeking to share by grace in the life of the Trinity

Christian Encounters with Iran Sasan Tavassoli,2011-04-30 The interface between the current Shi ite landscape and Christian thinking is of the greatest significance for the shifting political and religious dynamics of the Middle East Sasan Tavassoli here examines Iranian Shi ite thinkers encounters with

Christian thought since the Islamic revolution of 1979 and provides insight into the cultural and intellectual climate surrounding Christian Muslim dialogue in contemporary Iran. The literature on Christianity in Iran reveals a wide range of approaches and attitudes and Tavassoli demonstrates that traditional polemics are giving way to a more descriptive and subjective understanding of Christian thought. He also studies Muslim Christian dialogue and research conducted and supported by governmental as well as non governmental organizations and offers a close examination with interviews of the work of three prominent liberal religious intellectuals Abdol Karim Soroush, Mostafa Malekian and Mojtaba Shabestari. Placing contemporary Shi'ite thought in the broad historical context of pre and post revolution Iran, Tavassoli relates concrete religious, cultural and socio political realities to the themes and orientations in the latest phase of the Shi'ite Islam Christianity encounter and offers fresh insight into the dynamism of contemporary Islam and the religious complexities of the Muslim world.
