The Standard Value Guide ,1979 **Amazing Arizona!** Boye Lafayette De Mente,2010 Arizona is unique among American states not only in its geography and geology but also in the diversity of its climate in its indigenous animal and plant life and in the history of its first inhabitants communities of Indians whose ancestors arrived on the scene more than 20 000 years ago Arizona is also the youngest of the contiguous mainland states of America precisely because of these very same factors Its climate geography and Indian tribes were major barriers that prevented the territory from becoming widely populated by the Spanish Mexicans and early European Americans and from being used as a cross roads by American fur pelt trappers gold prospectors and settlers who began pushing west in the mid 1800s Now it is exactly these same factors that make Arizona a great place to live as well as a world famous travel destination The stories of how Arizona finally became what it is today are as amazing as the lay and the beauty of the land Great background reading for residents and visitors alike and an ideal gift **Dictionary Catalog of the History of the Americas** New York Public Library. Reference Dept,1961 Historical Dictionary of Canada Stephen Azzi,Barry M. Gough,2021-04-15 Canada has become a leader among the modern nations of the world It has emerged as a modern industrial nation and as a key player in the resource commodities and financial institutions that make up today s world This third edition of the Historical Dictionary of Canada contains a chronology an introduction and an extensive bibliography It includes over 700 cross referenced entries on a wide range of topics covering the broad sweep of Canadian history from long before European contact until present day Topics include Indigenous peoples women religion regions politics international affairs arts and culture the environment the economy language and war This is an excellent resource for students researchers and anyone wanting to know more about Canada It introduces readers to the successes and failures the conflicts and accommodations the events and trends that have shaped Canadian history **Treasures of the Santa Catalina Mountains** Robert E. Zucker,2014 The famous legend of the Iron Door Mine a forgotten mission and a lost city somewhere in the Santa Catalina Mountains north of Tucson Arizona has lured prospectors and treasure hunters for hundreds of years The discoveries of early Spanish placer mining sites stone ruins and stories of the mountains only fueled speculation about the riches still left behind Common knowledge among the locals eventually gained legendary status Even more surprising was the abundance in gold silver and copper etched into the mountains These stories became embedded in Arizona s early history and were spun into some sensational legends and featured in numerous literary and film adventures Treasures of the Santa Catalina Mountains explores the legends and history of the Catalinas compiled from out of print books magazines newspapers and recollections from local prospectors More than 430 pages and over 1 200 references **Arkansas Made, Volume 2** Swannee Bennett,Jennifer Carman,William B. Worthen,2021-02-09 Volume I Quilts and textiles Ceramics Silver Weaponry Furniture Vernacular architecture Native American art volume II Photography Fine art **The WPA Guide to Georgia** Federal Writers' Project,2013-10-23 During

the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor The WPA Guide to Georgia describes the rich historical and cultural background of America's Peach State With varied and interesting photos the guide gives readers a real taste as to what sweet southern living was like in the 1940's all the way from the top of the Blue Ridge Mountains down to the roaring Mississippi River valley
