**Gold in the Woodpile** Orin Kay Burrell, 1967      **"As Gold in the Furnace"** J. E. Copus, 2021-04-26 J E Copus's *As Gold in the Furnace* is a compelling exploration of transformation and resilience narrated through the struggles of individuals facing intense personal trials. The title itself evokes a metaphorical crucible signifying how extreme adversity can refine the human spirit. Copus employs a poetic and lyrical style rich in imagery and emotional depth, allowing readers to engage with the characters' inner turmoil and triumphs. Set against a backdrop of socio-cultural upheaval, this work not only addresses individual experiences but also reflects on broader societal issues, resonating powerfully within the contemporary literary landscape. J E Copus, an accomplished author known for his incisive storytelling, brings a wealth of experience to this narrative, often drawing upon his own life lessons and the struggles conveyed to him through dialogue with diverse communities. His background in sociology and literature profoundly influences his writing, enriching his characters with authenticity and depth while exploring profound themes of identity, belonging, and the human condition. Copus's empathetic approach reveals the scars and strengths that shape us. Recommended for those who seek thought-provoking literature, *As Gold in the Furnace* invites readers into a reflective journey of self-discovery and resilience. It is a must-read for anyone interested in the complexities of human experiences and the redemptive power of hardship.      **Live Gold** Robert Sheckley, 1962      **Fortune's Frenzy** Eilene Lyon, 2023-09-08 The road to hell is paved with good intentions and gold dust. When Henry Jenkins's sawmill business goes bust and his family loses their Indiana farm to foreclosure, he sees gold as the answer to his financial woes. Joining a company of younger men, Jenkins and the other prospective miners sign fraudulent promissory notes to borrow from a ruthless businessman, Allen Makepeace, to reach the gold mines. They sail the risky route via Panama to the mines in 1851. But gold is not so easy to find, by then. Making enough to survive and get home will be difficult; repaying Makepeace could be impossible. As Henry Jenkins becomes mired in mining, his wife Abby struggles to meet the needs of her large family amidst crop failures, waves of deadly disease, and harassment by Henry's creditors. When Henry's sons-in-law follow in his wake, they find themselves on a notorious death ship stranded in the vast Pacific. Will any of these frantic men make it home to their distressed families? *Fortune's Frenzy* reveals the plight of miners who borrowed at extortionate rates to get to California and explores the dangerous and deadly sea routes to the west coast that killed roughly 10 percent of those who risked the journey. Alternating between the miners' trials and terrors and the challenges for the wives, children, and mothers left behind, *Fortune's Frenzy* delves into the country's pressing social, economic, and nationalist issues in the pre-Civil War decades. The theme is age-old and still relevant: desperate people falling for get-rich-quick schemes. They fail to consider the sacrifices they will have to make and the dismal odds of their success.      **Apples of Gold in Pictures of Silver** Yuval Levin, Thomas W.
