Frank Dobie, 2010-06-28 This is the best work ever written on hidden treasure and one of the most fascinating books on any subject to come out of Texas Basic Texas Books

Written in 1930 *Coronado's Children* was one of J Frank Dobie's first books and the one that helped gain him national prominence as a folklorist. In it he recounts the tales and legends of those hardy souls who searched for buried treasure in the Southwest following in the footsteps of that earlier gold seeker the Spaniard Coronado. These people, Dobie writes in his introduction, no matter what language they speak are truly Coronado's inheritors. I have called them Coronado's children. They follow Spanish trails, buffalo trails, cow trails; they dig where there are no trails but oftener than they dig or prospect they just sit and tell stories of lost mines of buried bullion by the jack load. This is the tale spinning Dobie at his best dealing with subjects as irresistible as ghost stories and haunted houses. As entrancing a volume as one is likely to pick up in a month of Sundays. *The New York Times*. Dobie has discovered for us a native Arabian Night. *Chicago Evening Post*

History's Lost Moments Volume V Tom Horton, 2014-10-09 Tom Horton's stories over 400 in all on local and Southern history have entertained and enlightened folks for decades. As a noted history teacher, newspaper columnist, and banquet speaker, Horton has captured the attention of his listeners and readers as he recounts the unique and less well-known aspects of the South's colorful history. You will find everything from tales of the colonial pirates who squandered gold along our coast to modern bank mergers that left shareholders out in the cold. Soon Tom Horton plans to turn his hand to fiction for some of old Carolina's stories still cannot be told otherwise. As the old folks always said: Sooner or later the truth will out. Meanwhile sit back and enjoy Volume V of *History's Lost Moments*

First Rose Mary Barton Wilcox, 2010-04 I had always been told the seraphs were different than what I was seeing. This flying beast had the body of a real dragon. His eyes were bulging, his nostrils were open, and his mouth was brandishing a set of teeth that resembled towering pillars of white marble. Is it possible to catch a glimpse of eternity? Only the courageous can take this incredible journey. When the earthly life is over, it will be time to discover what waits beyond. From golden streets to gardens housing all beloved children, heaven will be a plethora of love and joy for all eternity. In *First Rose*, Mary Barton Wilcox introduces us to Rose, a woman who has recently departed earth and is now discovering all that the afterlife has to offer. Through a journey with an angelic friend, a tour through heaven, and a swim in the River of Life, Rose discovers the ultimate happiness and finds the key to truly understanding the magnitude of God's power and love

Laughing Water Laura Harris Stanger, 2012-05-30 *Laughing Water* whisks a reader back in time to when the First Nations people of northwestern Canada led a nomadic life, as fur traders back to the earliest missionaries who introduced formal education to our first Canadians, and back to when Canadian governments and churches shared this responsibility. *Laughing Water* is proud to invite its readers to read words written by some of the students and staff of the Chooutla Indian Residential School in their 1955-56 school paper. The Chooutla Grayling. Laura Harris Stanger devoted many years of her adult life to working in Indian residential schools, and she fondly remembers her years at Chooutla as a special time when her skills were challenged and stretched, and her life's values enriched by the people of the Yukon
