Dead Man's Gold and Other Stories Paul Yee,2001-11-01 These ten original ghost stories dramatize the history of Chinese immigration to North America from the poor village men who first came searching for gold in the late 1850s to the new immigrants who arrived from Hong Kong in the wake of the Cultural Revolution These stories describe the resilience and struggle of people trying to make new lives for themselves in a strange land But these are also ghost stories a popular narrative form in China Though men and women seek their fortune in the New World the links to China are strong Wherever they go the Chinese immigrants are reminded of their home country the curse of a friend betrayed the ghost of a faithful spouse the spirit of a dead parent The tales describe the plights and dreams of men and women rich and poor greedy and good young and old Together they tell the tumultuous story of 140 years of Chinese immigration to North America creating a New World mythology of immigrant stories

The Man Who Moiled for Gold David G. Rasmussen,2002-07-01 The Man Who Moiled for Gold draws its title from the Robert W Service poem The Cremation of Sam McGee This popular work portrays the lust for gold the passion for the search and the elusive success that brought men and women to remote areas without laws or justice The poem also tells of suffering loneliness frustration and ultimately death Charley Martin experienced all of these emotions along with love and success while becoming the man who moiled for gold Charley Martin in 1912 is found mining the hard rock of Butte Montana Years of breathing the fine quartz dust in the pits have given Charley silicosis Discovery of this incurable condition by the mine super brought an abrupt change to the 69 year old miners life Change began with the decision to move to his mountain cabin which involved a weekend stay with Kathleen his eldest daughter Kathleen held a secret hurt and bitterness causing an estrangement between father and daughter Delighted by his teenaged grandsons insistence to know the grandfathers pioneer adventures Charley recounts events that began 50 years earlier with the Pikes Peak Gold Rush Charley realizes that revealing family history might bring to surface Kathleens resentments so he continues to tell details past the romantic parts Successful mining ventures are overshadowed by the murder of Charleys cousin Joe during a holdup Kind and happy Charley becomes obsessed with finding the roadagent who killed Joe Other incidents of robbery and murder inflame the Montana Idaho mining camps into vigilante actions Charley joins the Bannack Vigilance Committee and participates in the historic hangings of the Sheriff and his deputies he then travels with the Alder Gulch

vigilantes to hang most of the remainder of the Sheriff's road agent gang including the man Charley considers to be Joe's killer. Charley had never before revealed to family that he had been an active vigilante who had ended men's lives. The daughter's family is amazed but accepting. Continued recollections helped Kathleen reveal her own bitter secret and accept her father again.

Love Letters To A Man Barbara Jackson, 2013-10-31 *Love Letters to a Man* is an exploration through falling in love, the depression and resolution of the end of a relationship and starting over in love and life. It is written in spoken word prose because through this journey sometimes getting the emotion out doesn't always mean simply talking about the problem or being rational. Writing is a release and poetry is simply the method used to say what is in the head and heart. This is not a self-help book but is intended to lend insight to others that they are not alone in their efforts to get through the ups and downs of life and relationships. *Love Letters to a Man* does speak from the heart, felt experiences and trial and error of working through the aftermath of break ups and starting over in new relationships and the self-examination that should go on in between. It also uses the imagery of experiences from childhood that lend insight into the hard-taught lessons about the author's own self-image.

Indians in the Americas William Marder, 2005 Many books over the years have promised to tell the true story of the Native American Indians. Many, however, have been filled with misinformation or derogatory views. Finally here is a book that the Native American can believe in. This well-researched book tells the true story of Native American accomplishments, challenges and struggles and is a gold mine for the serious researcher. It includes extensive notes to the text and over 500 photographs and illustrations many that have never before been published. The author after 20 years of research has attempted to provide the world with the most truthful and accurate portrayal of the Native American Indians. Every serious researcher and Native American family should have this ground-breaking book.

The Man on a Donkey H. F. M. Prescott, 2010-06 The almost perfect historical novel. *The New York Times* *The Man on a Donkey* is an enthralling panoramic historical novel that brings to life one of the most tumultuous times in British history, the reign of King Henry VIII. In Part 1 readers are introduced to the world of the Tudors through the lives of five individuals. In Part 2 as King Henry VIII continues his arrogant rule, Thomas Cromwell closes the monasteries and rebellion breaks out in the North of England, readers discover the destiny of these five people and through their stories learn that God's love is felt only by those whose hearts are open to mystery and grace.

Confederate Gold and Dead Man's Gold Cameron Judd, 2009-03-03 *Confederate Gold* Enoch Brand never met a fight he couldn't resist. His wife Minnie had the same problem with men. Then Minnie finally ran off from Enoch while the two were headed home to Tennessee. Now Enoch has gone charging after her, running straight into a gun battle, a one-handed ex-Confederate soldier and a storm of lies, betrayal and greed that all comes down to one thing: a fortune waiting to be claimed. The only trouble is it's killing those who want it most.
