Gold Plated Politics:

Cozy Politics Peter Kobra, 2002 Kobra public administration and political science Western Michigan U distinguishes the traditional corruption of pork barreling from cozy politics which he says directly impacts the very nature of the political system and the relationship of citizens to their government By cozy politics he means the reliance of politicians on big money campaign contributions and the political favors the contributors receive in turn His solution is widespread citizen participation encouraged by a restructuring of political parties and a more modest reworking of the government Annotation copyrighted by Book News Inc Portland OR

Industry Katherine M. Gehl, Michael E. Porter, 2020-06-23 Leading political innovation activist Katherine Gehl and world renowned business strategist Michael Porter bring fresh perspective deep scholarship and a real and actionable solution Final Five Voting to the grand challenge of our broken political and democratic system Final Five Voting has already been adopted in Alaska and is being advanced in states across the country The truth is the American political system is working exactly how it is designed to work and it isn't designed or optimized today to work for us for ordinary citizens Most people believe that our political system is a public institution with high minded principles and impartial rules derived from the Constitution In reality it has become a private industry dominated by a textbook duopoly the Democrats and the Republicans and plagued and perverted by unhealthy competition between the players Tragically it has therefore become incapable of delivering solutions to America's key economic and social challenges In fact there's virtually no connection between our political leaders solving problems and getting reelected In The Politics Industry business leader and path breaking political innovator Katherine Gehl and world renowned business strategist Michael Porter take a radical new approach They ingeniously apply the tools of business analysis and Porter's distinctive Five Forces framework to show how the political system functions just as every other competitive industry does and how the duopoly has led to the devastating outcomes we see today Using this competition lens Gehl and Porter identify the most powerful lever for change a strategy comprised of a clear set of choices in two key areas how our elections work and how we make our laws Their bracing assessment and practical recommendations cut through the endless debate about various proposed fixes such as term limits and campaign finance reform The result true political innovation The Politics Industry is an original and completely nonpartisan guide that will open your eyes to the true dynamics and profound challenges of the American political system and provide real solutions for reshaping the system for the benefit of all THE INSTITUTE FOR POLITICAL INNOVATION The authors will donate all royalties from the sale of this book to the Institute for Political Innovation *The Permanent Campaign and Its Future* Norman J. Ornstein, 2000 Eminent political scientists weigh the benefits and the costs of this state of permanent campaign and describe the kind of political system likely to emerge within it
