Gold City Girl:

Santa Fe Woman Barbara Spencer Foster, 2011-11 In this sequel to *Girl of the Manzanos* Mardee Spencer has grown up and is married to a lawyer Carter McMahon who is serving his country on the battle fields of France in World War I Mardee helps keep his law office going while he is away and is earning her own law degree even though the legal profession is reserved for only men in that era But Mardee is ahead of her time as she fights for her chosen profession while actively championing the rights of women Do something even if it's wrong her father Ben Spencer had always advised Don't be a coward about making decisions Facing anxiety and possible heartbreak she draws on all the strength of an independent and principled woman to meet life's complications and contradictions T.P.'s Weekly, 1928 *Illegitimate Girl Takes World* Qing Yu, 2020-04-03 At the peak of Mount Kunlun at the precipice of a tall cliff a fierce wind blew A full moon hung high above the vast curtain of darkness A woman covered in blood stumbled as she stepped on the broken stones In the end she had nowhere to retreat to *Together* Robert Herrick, 1908 **Kid Rodelo** Louis L'Amour, 2004-10-26 Joe Harbin hadn't killed a man for a fortune in gold just to sit in prison and let Rodelo collect it But when he and his men break out and head for the stash they end up with a pair of unwelcome partners Rodelo and a beautiful woman with a hidden past To get fifty thousand dollars in gold across fifty miles of desert the desperate band quickly learns how much they need each other and how deep their greed and suspicion can run At the end of the journey lie the waters of Baja and a new life in Mexico but first they have to survive the savage heat bounty hunting Yaqui Indians and the shifting treacherous nature of both the desert sands and their own conflicting loyalties **Clever Girls and the Literature of Women's Upward Mobility** Mary Eagleton, 2018-02-15 This book follows the figure of the clever girl from the post war to the present and focuses on the fiction plays and memoirs of contemporary British women writers Spurred on by an ethic of meritocracy the clever girl is now facing austerity and declining social mobility Though suggesting optimism a public discourse of opportunity aspiration and choice is often experienced as an anxious and chancy process In a wide ranging study the book explores the struggle to move away from home and traditional notions of femininity the persistent problems associated with women's embodiment the pressures of class and racial divisions the new subjectivities of the neoliberal era and the generational conflict underpinning austerity The book ends with a consideration of feminism's place as a phantom presence in this history of clever girls This study will appeal to readers of contemporary women's writing and to those interested in what has been one of the dominant social narratives of the post war period from upward to declining mobility Good Time Girls of Colorado Jan MacKell Collins, 2019-08-22 Throughout the Gold Rush years and beyond prostitution grew and flourished within the mining camps small towns and cities of nineteenth century Colorado Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the hazards of their profession Some dreamed of escape through marriage or

retirement and some became infamous and even successful but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today The Centennial State had its share of working girls and madams like Mattie Silks and Jennie Rogers who remain notorious celebrities in the annals of history but Collins also includes the stories of lesser known women whose roles in this illicit trade help shape our understanding of the American West

Herd Register American Jersey Cattle Club,1928 *POETRY OF A COMMON MAN* Armin Boko,2013 Included in the anthology are previously published poems contained within SECTOR 7 and of Ares and Men also Sketches and Reflections of 2012 This covers in full the poetic output of the author since 2009 The overall design is a deliberate step away from the abstract modern poetry preoccupied with syllabic dissection and abstract notions to the intentional exclusion of tangible subjects Modern poetry isn't supposed to make sense we're told and it is more a play with words and sounds The free flowing style here whilst of variable meter does no more than serve the purpose Substance rule over style first and last It is how it used to be before modernists turned it on its head In this book preoccupation is with here and now real people in all kinds of predicament and lifelike situations It will be instantly recognized It comes down on sham democracy war mongers banksters and other vermin Spared is none least of all the author himself His sporting inadequacies exposed for one should tickle the funny bone Above all the book is an antiwar crusade On second level it is on side of those creating the wealth not those cashing in on the fat spoils It is poetry of the common man in the street Enough for young and old and young at heart

The Saloon Girl's Only Shot Dani Collins,2024-05-07 Can a charming saloon keeper convince a ruined barmaid he's a sure bet True love is worth more than gold in this delightful followup to *The Prospector's Only Prospect* Scandal has taught aspiring school teacher Temperance Goodrich to never trust a man Stranded in lawless Denver City she'll do anything to earn enough to return home before winter even work as a saloon girl But entertaining rough men who are starved for female company isn't easy and time is running out When Owen Stames finally finds a claim that pays he's determined to prove the naysayers wrong and open his own saloon before the gold runs out Too bad the sole vacant building is a former funeral parlor

and the only available employee is the prickly city girl who's been fired from every bar in town Temperance is wary of Owen especially when the accommodation he offers is a bed they must share But when a brazen robbery nearly costs them everything they realize they only have one shot at love so they'd better take it Catalog of Copyright Entries Library of Congress.
