**Gold! Gold!** Claus Gronn,1981      S.T. Gill & His Audiences Sasha Grishin,2015-07-01 Samuel Thomas Gill or STG as he was universally known was Australia s most significant and popular artist of the mid nineteenth century For his contemporaries he epitomised Marvellous Melbourne basking in the glow of the gold rushes He worked in South Australia Victoria and New South Wales and left some of the most memorable images of urban and rural life in colonial Australia A passionate defender of Indigenous Australians and of the environment Gill in his art celebrated the emerging quintessential Australian character This is the first major comprehensive book to be devoted to Gill and presents a radical reassessment of one of the most important figures in Australian colonial art and reproduces in some instances for the first time some of the most startling images from nineteenth century Australian art There will be an exhibition of S T Gill s work at the State Library of Victoria in July 2015 and at the National Library of Australia in June 2016 plus smaller shows in regional Victorian galleries In association with the State Library of Victoria      *The Victorian Gold Fields, 1852-3* Samuel Thomas Gill,1992 Reprint of a book first published in 1982 Reproduces watercolours of the goldfields done by S T Gill Each image is accompanied by a succinct explanatory annotation A detailed introduction explores the historical and cultural contexts in which the artist worked The author also wrote TThe Land Boomers and numerous other historical texts Includes a bibliography      Engines of Influence Elizabeth Morrison,2005 Engines of Influence is a fifty year history of Victoria s country newspapers beginning with James Harrison s Geelong Advertiser in 1840 and ending in December 1890 when 166 papers were being published in 122 country towns This significant book identifies all press sites and newspapers of the era whether long lasting or short lived and highlights the major part played by them in helping construct the machinery of government lay the foundations of party politics and foster a sense of rural Victorian identity The country press was an important agent of political change leading up to events such as the separation of the Port Phillip District from New South Wales in 1851 and the federation of the colony of Victoria with other British dependencies into a single nation at the end of the nineteenth century Engines of Influence shows how country newspapers also exercised cultural authority circulating ideas generated both within local communities and from the wider world Towards the end of the fifty years examined this rural press was becoming a close part of a unified political state linked through the metropolitan press and agencies to a technologically based global communications network      **Sea, Gold and Sugarcane** Olavi Koivukangas,1986      **Names and Naming** Guy Puzey,Laura Kostanski,2016-02-02 This book explores international trends in naming and contributes to the growing field of onomastic enquiry Naming practices are viewed here through a critical lens demonstrating a high level of political and social engagement in relation to how we name people and places The contributors to this publication examine why names are not only symbols of a person or place but also manifestations of cultural linguistic and social heritage in their own right Presenting analyses of geographically and culturally diverse perspectives and case studies the book investigates

how names can represent deeper kinds of identity act as objects of attachment and dependence and reflect community mores and social customs while functioning as powerful mechanisms of inclusion and exclusion The book will be of interest to researchers in onomastics sociology human geography linguistics and history     Nothing But Gold Robyn

Annear,1999-01-05 Gold was discovered in Australia in 1851 and within a year the infant colony was transformed from a sump for convicts to a Land of Opportunity Robyn Annear's lively history describes in detail life on the diggings the mud of winter and dust of summer the pluckiness of the women and children the grog shanties the flies the mania of mining the despair and the delirium and the much hated licensing system which was to culminate in the Eureka Stockade Robyn Annear tells the story of the 1852 gold rushes in imaginative detail she tells us how it felt to be there You find yourself worrying about the problems long ago resolved sharply aware of the gold diggers hopes and ordeals diverted by the high comedy of a chaotic life Like all good narratives it looks easy because it is so easily read and enjoyed She makes a mosaic out of small moments of experience The physical realities of the diggings are evoked with all the ingenious ways of managing tent space cooking guarding gold finding feed for horses keeping off wind and rain ants and mice Brenda Niall Robyn Annear was born in Melbourne in 1960 She spends her time writing and researching typing for other people and looking after her family She is also a part time bookseller and President of the Friends of the Castlemaine Library History from the inside wonderfully entertaining Age A welcome addition to Australian history pointing to badly needed ways in which history can be made more reader friendly Quadrant     **Notes & Furphies** ,1984     The Australian People James Jupp,2001-10 Australia is one of the most ethnically diverse societies in the world today From its ancient indigenous origins to British colonisation followed by waves of European then international migration in the twentieth century the island continent is home to people from all over the globe Each new wave of settlers has had a profound impact on Australian society and culture The Australian People documents the dramatic history of Australian settlement and describes the rich ethnic and cultural inheritance of the nation through the contributions of its people It is one of the largest reference works of its kind with approximately 250 expert contributors and almost one million words Illustrated in colour and black and white the book is both a comprehensive encyclopedia and a survey of the controversial debates about citizenship and multiculturalism now that Australia has attained the centenary of its federation     **Australian Journal of Political Science** ,1981     *Victorian Year-book* ,1984

Victorian History and Politics Joanna Monie,1982     **The Order of Things** John Barnes,1990 This book tells the life story of Joseph Furphy author of the Australian classic Such is Life Drawing on a multitude of sources this biography documents hitherto unknown aspects of Furphy's life and recreates the circumstances of late nineteenth century Australia from his perspective throwing new light on the relationship between the author's life and his writing Portraying Furphy as Christian Socialist ardent nationalist moralist and dedicated writer The Order of Things also presents a sympathetic and discerning picture of the man himself his devotion to his family his unhappy marriage his stoicism and his humor vividly
