**Directory of Historical Organizations in the United States and Canada** American Association for State and Local History,2002 This multi functional reference is a useful tool to find information about history related organizations and programs and to contact those working in history across the country      **Rebel Gold** Warren Getler,Bob Brewer,2004-12-21 What if a secret society founded during the Civil War accumulated a fortune in gold coins in the hopes of someday funding a second war between the states What if they buried their treasure in a vast network of remote locations across the South and the Southwestern United States and appointed sentinels to guard them sentinels who passed the secrets of this treasure from generation to generation What if the keys to this fantastic treasure were hidden in a series of mysterious coded maps In Rebel Gold investigative journalist Warren Getler and Bob Brewer a descendant of one of the Confederate sentinels sworn to protect this treasure uncover the truth behind the legend of this buried gold and the group rumored to have hidden it the Knights of the Golden Circle A fast paced blend of history and modern day detective story Rebel Gold reveals a shadowy chapter in American history and how its legacy may be continuing to this day      **Re-writing Spatiality** Britta Kuhlenbeck,2010 The objective of this project is to encourage new ways of thinking about the meaning and significance of space It follows a desire that has been expressed and theorized by Henri Lefebvre and by extension Edward W Soja to remove Spatiality from the margin of the Trialectics of Being and to bring it into the Trialectics fold alongside with and of at least equal significance to Historicity and Sociality The thesis focuses on how space of the Pilbara region in Western Australia is produced in contemporary Australian writing film art and through lived experience The thesis argues for an understanding of space as essentially dynamic      **American Book Prices Current** ,1999      **Books in Print** ,1977

*Taming the Elephant* John F. Burns,Richard J. Orsi,2003-04-30 Taming the Elephant is the last of four volumes in the distinguished California History Sesquicentennial Series an outstanding compilation of original essays by leading historians and writers These topical interrelated volumes reexamine the meaning of the founding of modern California during the state s pioneer period General themes run through all four volumes the interplay of traditional cultures and frontier innovation in the creation of a distinctive California society the dynamic interaction of people and nature and the beginnings of massive environmental change the impact of the California experience on the nation and the world the influence of pioneer patterns

on modern California and the legacy of ethnic and cultural diversity as a major influence on the state's history This fourth volume treats the role of post Gold Rush California government politics and law in the building of a dynamic state with influences that persist today Provocative essays investigate the creation of constitutional foundations law and jurisprudence the formation of government agencies and the development of public policy Authors chart the roles played by diverse groups criminals and peace officers entrepreneurs and miners farmers and public officials defenders of discrimination and female and African American activists The essays also explore subjects largely overlooked in the past such as the significance of local and federal government in pioneer California and early struggles to secure civil rights for women and racial minorities

**Hobbies** ,1971      *Book-prices Current* ,1911      *Rush That Never Ended* Geoffrey Blainey,2013-05-24 Forget about Ned Kelly and the bushrangers for my money if you want a really romantic and exciting saga of Australia take a look at our mining history It's a turbulent dramatic story with enough material for a bookshelf full of best sellers a saga of tough men iron nerved gamblers violence death and glittering riches set against the backdrop of some of the most awful country on earth And never has the story been better told than by Geoffrey Blainey Trevor Sykes Australia is one of the world's great sources of mineral treasure Out of the ground on land and at sea has come wealth to create a host of lucrative industries Our landscape is littered with mines bearing evocative names like Rum Jungle Noble's Nob Broad Arrow and Siberia and stories abound of fortunes won and lost The *Rush That Never Ended* tells the story of these mineral discoveries describes the giants of Australia's mining history and records the tremendous influence that mining has had on Australia's attitudes to unionism religion law and politics The first edition of *The Rush That Never Ended* was a publishing sensation It stayed on the best seller lists for several months and won the Gold Medal of the Australian Literature Society Reviewers described it as a compelling book readable and exciting history full of anecdotes and unforgettable characters This classic history of Australian mining now appears in its fifth edition updated to bring the story up to the twenty first century      **Book-prices Current** John Herbert Slater,William Roberts,F. Partridge,1911
