**The Golden Atlas for Children** Neil Morris,1994 Texts maps and activities introduce regions and countries of the world

*Gold* Rebecca Zorach,Michael W. Phillips,2016-04-15 Gleaming and perfect gold has beguiled humankind for many millennia attracting treasure hunters adorning the living and the dead and symbolizing wealth power divinity and eternity This book offers a lively critical look at the cultural history of this most regal metal examining its importance across many cultures and time periods and the many places where it has been central from religious ceremonies to colonial expeditions to modern science Rebecca Zorach and Michael W Phillips Jr cast gold as a substance of paradoxes Its softness at once makes it useless for most building projects yet highly suited for the exploration of form and the transmission importantly of images such as the faces of rulers on currency It has been the icon of value the surest bet in times of uncertain markets yet also of valuelessness something King Midas learned the hard way And as Zorach and Phillips detail it has been at the center of many clashes between cultures all throughout history the unfortunate catalyst of countless blood lusts Ultimately they show that the questions posed by our relentless desire for gold are really questions about value itself Lavishly illustrated this book offers a shimmering exploration of the mythology economy aesthetics and perils at the center of this simple yet irresistible substance

**Five Golden Books of Child** Hans Christian Andersen et al.,2015-11-27 Ten years ago when I became a father I started thinking about how to help children grow up Of course the book is an important element in the growth of children But how to choose What are the books to be able to make them happy but also to enlighten them Experience of their predecessors is the best reference So I chose to Aesop s Fables Arabian fairy tale Hans Christian Andersen Green Fairy and Greek mythology with this five books help me to guide their children For decades I have found not only benefit the children in reading even I also have a new re reading experience Now I put five books digitized and build this into a collection I named it Five Golden Books of Child I hope you not only like but also as to help children grow through it help you enjoy reading again the new experience
