*Atlantis & Lemuria* Tom T. Moore, 2015-08-01 Sixty thousand years ago Earth had two more continents than it does today each larger than what we now know as Australia Why are they no longer there One of these additional continents Atlantis was located in the Atlantic Ocean between North America and Africa The other Lemuria was located in the Pacific Ocean In this book you'll learn all about these huge continents and the great civilizations who called them home What did they look like What was daily life like for them What happened to them Tom asks these intriguing questions and many more The answers revealed on the pages within dig into the mysteries surrounding the continents of Atlantis and Lemuria and their eventual destructions *Russian Orthodoxy Resurgent* John Garrard, Carol Garrard, 2014-09-22 Russian Orthodoxy Resurgent is the first book to fully explore the expansive and ill understood role that Russia's ancient Christian faith has played in the fall of Soviet Communism and in the rise of Russian nationalism today John and Carol Garrard tell the story of how the Orthodox Church's moral weight helped defeat the 1991 coup against Gorbachev launched by Communist Party hardliners The Soviet Union disintegrated leaving Russians searching for a usable past The Garrards reveal how Patriarch Aleksy II a former KGB officer and the man behind the church's successful defeat of the coup is reconstituting a new national idea in the church's own image In the new Russia the former KGB who run the country Vladimir Putin among them proclaim the cross not the hammer and sickle Meanwhile a majority of Russians now embrace the Orthodox faith with unprecedented fervor The Garrards trace how Aleksy orchestrated this transformation positioning his church to inherit power once held by

the Communist Party and to become the dominant ethos of the military and government They show how the revived church under Aleksy prevented mass violence during the post Soviet turmoil and how Aleksy astutely linked the church with the army and melded Russian patriotism and faith Russian Orthodoxy Resurgent argues that the West must come to grips with this complex and contradictory resurgence of the Orthodox faith because it is the hidden force behind Russia s domestic and foreign policies today *Excavating the Evidence for Jesus* Titus M Kennedy,2022-03-15 Examine the Evidence Surrounding Jesus No other figure has impacted history like Jesus Yet today he s often seen as a mythical character whose legend increased over time So what does the historical and archaeological evidence say about Jesus Archaeologist Dr Titus Kennedy has investigated firsthand the discoveries connected to Jesus birth ministry crucifixion and resurrection He has visited and excavated where Jesus walked and examined the artifacts connected to Jesus life Here he presents an up to date and comprehensive overview of the research and findings that illuminate the historicity of Christ as presented in the Bible *Excavating the Evidence for Jesus* progresses chronologically through the Gospels noting the many relevant archaeological historical geographic and literary findings As you read you ll be able to decide for yourself whether the evidence confirms the existence and story of Jesus and determine whether the Gospels are worthy of being approached not as legends but as history Further you ll gain a deeper understanding of the historic basis of Christianity a richer knowledge of the ancient world and an evidence based perspective on the reliability of the Bible **The Children's hour** ,1868 *Within Our Gates* Alan Gevinson,1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Professional Paper Geological Survey (U.S.)*,1927 *Central and Southern Florida Multi-Purpose Project and Programmatic EIS* ,1999 **Twilight Thoughts** Osburn Blackburn,1896 **Crusader Syria in the Thirteenth Century** Janet Shirley,2016-12-05 The Old French Rothelin Continuation of William of Tyre s Historia provides one of the best contemporary narratives of the history of the crusades and of the Latin Kingdom of Jerusalem in the mid thirteenth century Covering the period 1229 61 it has vivid accounts of the disastrous expeditions led by Count Theobald of Champagne 1239 40 and King Louis IX of France 1248 54 as well as of other events in the East But the text contains far more than this with a detailed description of Jerusalem itself songs of protest written by crusaders and a variety of marvels and adventures including stories of Alexander the Great and the poisonous snakes encountered by the Roman army under Cato This text is here translated into English for the first time together with a narrative for the same years taken from another Old French Continuation of William of Tyre s work part of L Estoire de Eracles Both accounts are translated from the Receuil des historiens des croisades Historiens occidentaux vol 2 Paris 1859 An introduction and full notes make these thirteenth century events and ideas accessible to students of medieval history and to anyone interested in the lives and patterns of thought of people of that time *The Immortal Emperor* Donald M.
