**Two English-Language Translators of Jin Ping Mei** Shuangjin Xiao,2024-07-31 Two English Language Translators of Jin Ping Mei examines English translations of the Ming novel Jin Ping Mei by translators from different historical periods within the Anglophone world Drawing upon theoretical insights from translation studies literary criticism and cultural studies the book explores the treatment of salient features of the novel in translation including cultural representation narratological elements gender specific motifs and homo sexual themes Through literary re imagining and artistic re creation Egerton transforms a complex and sprawling narrative into a popular modern middlebrow novel making it readily accessible within

Western genres Roy's interlinear and annotated translation transcends the mere retelling of a vivid story for its unwavering emphasis on every single detail of the original becoming a portal to the Ming past. It stands as a testament to the significance of translation as a medium for understanding the legacy of the late Ming and the socio-cultural dynamics shaping that period in Chinese history. This book will be a useful reference for scholars and research students within the fields of literary translation studies and translated Chinese literature, particularly Ming-Qing fiction. The book will also appeal to students and researchers studying Jin Ping Mei's translation and reception in the West.

**Tales of Crime & Violence - Vol 3** Paul White, 2018-02-06. The ideas and inspiration for these stories are as many and as varied as each of the individual tales. They do not contain standard stories of theft, greed, and wrongdoings as one might expect. Far from it, *Tales of Crimes* why and how they came to be in this position. Are they willing participants or victims themselves? The innocent caught in the crossfire or is there more to their presence than meets the eye? All the stories in *Tales of Crime & Violence* have underlying factors, deeper meanings, twists, and stings to savour and enjoy.

**The Interweaving of Rituals** Nicolas Standaert, 2011-07-01. The death of the Italian Jesuit Matteo Ricci in China in 1610 was the occasion for demonstrations of European rituals appropriate for a Catholic priest and also of Chinese rituals appropriate to the country hosting the Jesuit community. Rather than burying Ricci immediately in a plain coffin near the church according to their European practice, the Jesuits followed Chinese custom and kept Ricci's body for nearly a year in an airtight Chinese-style coffin and asked the emperor for burial ground outside the city walls. Moreover, at Ricci's funeral itself, on their own initiative, the Chinese performed their funerary rituals, thus starting a long and complex cultural dialogue in which they took the lead during the next century. *The Interweaving of Rituals* explores the role of ritual, specifically rites related to death and funerals, in cross-cultural exchange, demonstrating a gradual interweaving of Chinese and European ritual practices at all levels of interaction in seventeenth-century China. This includes the interplay of traditional and new rituals by a Christian community of commoners, the grafting of Christian funerals onto established Chinese practices, and the sponsorship of funeral processions for Jesuit officials by the emperor. Through careful observation of the details of funerary practice, Nicolas Standaert illustrates the mechanics of two-way cultural interaction. His thoughtful analysis of the ritual exchange between two very different cultural traditions is especially relevant in today's world of global ethnic and religious tension. His insights will be of interest to a broad range of scholars, from historians to anthropologists to theologians.

**Jin Ping Mei English Translations** Lintao Qi, 2018-05-15. This book investigates the English translations and adaptations of the sixteenth-century classic Chinese novel *Jin Ping Mei*. Acclaimed the No. 1 Marvellous Book of the Ming dynasty, *Jin Ping Mei* was banned soon after its appearance due to the inclusion of graphically explicit sexual descriptions. So far, there have been more than a dozen English adaptations and translations of the novel. Working within the framework of descriptive translation studies, this book provides a translational history of the

English versions of Jin Ping Mei supported by various paratexts including book covers reviews and archival materials It also conducts textual comparisons to uncover the translation norms at work in the only two complete renditions namely *The Golden Lotus* by Clement Egerton and *The Plum in the Golden Vase* by David Roy respectively The notions of agency habitus and capital are introduced for the examination of the transference of linguistic literary and cultural aspects of the two translations The book represents the first systematic research effort on the English Translations of Jin Ping Mei Given its pioneering status and interdisciplinary nature the data structure and findings of this book will potentially enrich the fields of Translation Studies Comparative Literature Chinese Studies Cultural Studies and Book History

**Getting an Heir** Ann Waltner, 2019-03-31 The need for heirs in any traditional society is a compelling one In traditional China where inheritance and notions of filiality depended on the production of progeny the need was nearly absolute As Ann Waltner makes clear in this broadly researched study of adoption in the late Ming and early Ch'ing periods the getting of an heir was a complex even paradoxical undertaking Although adoption involving persons of the same surname was the only arrangement ritually and legally sanctioned in Chinese society adoption of persons of a different surname was a relatively common practice Using medical and ritual texts legal codes local gazetteers biography and fiction Waltner examines the multiple dimensions of the practice of adoption and identifies not only the dominant ideology prohibiting adoption across surname lines but also a parallel discourse justifying the practice
