The Silencing of Jesuit Figurist Joseph de Prémare in Eighteenth-Century China D. E. Mungello,2019-06-24 This analysis of Joseph de Pr mare s long unpublished interpretations of ancient Chinese texts which were suppressed as dangerous and implausible by both his religious superiors and European intellectuals establishes Pr mare as one of the most knowledgeable Sinologists who ever lived **Never Pure** Steven Shapin,2010-06-01 Steven Shapin argues that science for all its immense authority and power is and always has been a human endeavor subject to human capacities and limits Put simply science has never been pure To be human is to err and we understand science better when we recognize it as the laborious achievement of fallible imperfect and historically situated human beings Shapin s essays collected here include reflections on the historical relationships between science and common sense between science and modernity and between science and the moral order They explore the relevance of physical and social settings in the making of scientific knowledge the methods appropriate to understanding science historically dietetics as a compelling site for historical inquiry the identity of those who have made scientific knowledge and the means by which science has acquired credibility and authority This wide ranging and intensely interdisciplinary collection by one of the most distinguished historians and sociologists of science represents some of the leading edges of change in the scholarly understanding of science over the past several decades A letter from a gentleman in the country [signing himself H.J.] to his friend in the city: touching sir W. Petty's treatise, entitled Verbum sapienti H. J,1691 Friends' Weekly Intelligencer ,1878 **Friends' Intelligencer** ,1879 Dialogue Among the Faith Communities Lucien F. Cosijns,2008 After twenty five centuries of rapid human evolution dialogue has now come to be a word and concept of daily use in the media and a theme of discussion all over the world In this current period of our human history the centuries long struggle for survival and our belligerent confrontation with each other is being replaced by a new era of collaboration in dialogue The most intriguing aspect of this new dialogue is that the interfaith conversation has extended worldwide within the past fifteen years Ultimately this new conversation has resulted in efforts towards a corroborative dialogue between the world of faiths and the political world This book s aim is to sketch this striking movement
