**Ripples In Time** George H. Malouf, 2012-02-07 Ripples in Time by George H Malouf is a volume of poetry whose pages abound with the ebbing tempos of rhythmic excellence as the author conducts his dazzling symphony of rising and sinking rhymes And we two watched the wind filling their hoisted masts Unheeding those sacred isles the prominent mounts The beautiful verses of this volume portray the reality as seen by our poet in revering his love of life humanity nature and the ever present Omnipotent Divinity As if to kneel down on some sacred mounds Revering God s green pastoral valley The poetry in this collection is so versatile that it could belong to all the ages at once rivaling in its timelessness the standing traces of the Grecian Parthenon at the heart of the Athenian Acropolis For I have traversed the eons to be alongside you Here in the scarlet meadow of your sacred age The reader will bear witness to the sensitive words of our poet as he views the changing lyricism a lyricism that makes to quiver the very chords of the heart My forever was a moment when our hearts as one joined together And passion was to love as the winds to the feather And we two with our souls embraced in joy and song were like children feeling no wrong This lovely treasure of poetic incantations is not only

lyrical and elastic in its moods of magnetic charm but also sensitive and refreshing like the summer breeze reserving a place in the sun for its author at the forefront of today's leading poets      **The Pictorial Home Bible** J. Saml.

Vandersloot,2024-05-08 Reprint of the original first published in 1875      **The Call of the Upanishads** Rohit Mehta,1970  
The seers and sages of Ancient India revealed fundamental principles of perennial philosophy The Upanishads contain the essential principles of this perennial this ageless philosophy They contain a large number of inspiring and instructive passages and verses It has not been possible to include all of them in this book For the purposes of this book the author has taken those verses and passages that have a bearing on the mystical teaching of the Upanishads It is mysticism which is the very core of the Upanishads and so in understanding its mysticism one comes to the heart of the sublime and magnificent teaching of the Upanishads In this age where science and technology may lead us into a world devoid of meaning and significance Modern man needs today a meaningful philosophy if the achievements of science are not to lead him to greater and greater destruction but to sublime and majestic heights of creative living It is in the Vision of Life given by the Upanishads that man can find the fundamental philosophy of Creative Living a philosophy that can serve as a Beacon Light even in the midst of surrounding darkness a philosophy that can lead him from the unreal to the Real from darkness to Light from death to Immortality      Daily Lesson Book. Series,1865      Peter Parley's Universal History Anonymous,2025-07-21 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **Unbecoming a Priest**  
Anthony Bartlett,2023-06-02 Tony Bartlett's story is thrillingly upside down Rather than the classic conversion narrative of escaping the world to dedicate your life to God it is about escaping a collapsing institutional order to discover a different self and learning to be in the world An extraordinary account with pivotal themes of sexuality trauma revolution and relationship Unbecoming a Priest spans eras classes continents cities wars iconic figures spiritualities and above all divergent modes of Christian being in the world From London to Rome from Europe to Latin America journeying with exceptional fellow pilgrims like Mother Teresa Pedro Casaldaliga Carlo Carretto it is a story of pain and messiness becoming ultimately one of joy life and meaning Subtly but surely the journey is also gospel inspired where the figure of Jesus takes on a provocative anarchic role helping in the overturning of sacrificial clichés and systems Inevitably at stake is the meaning of priesthood itself either propping up an eternal order amidst history's escalating crisis or seeking with others the germ of authentic new human becoming and hope Here is the inescapable drama and contemporary truth of unbecoming a priest      *The History of the World.
