## **Golden Calf Morality:**

*Golden Calf Morality* Dennis Dean Carpenter, 2001-06-29 Isaiah Manley Wright has been a fundamentalist evangelical televangelist for the last forty years waging wars against integration the communist threat women working for a living homosexuals abortion rights evolution and practically every evil that he perceives as threatening his holy lifestyle or that will make a quick buck His sermons are cut short however in the middle of a crusade fighting the sin of the working woman when he suffers a massive heart attack and stroke He is taken to Saint Ignominious Hospital a hospital he built in order to take advantage of Medi Care and to provide an abortion free environment for his congregation When he is wheeled into the hospital he is completely paralyzed but he can hear every word everyone says in the hospital When two of his sons John and Paul and his wife Peeper arrive at the hospital he is suddenly frightened They wont let the doctors operate citing passages that he has used in the past Isaiah is outraged but helpless A series of out of body experiences allows Isaiah to see the effects of his ministry During his stay in the hospital his wife and sons recall his life in a series of sermons In each of these sermons Isaiah is taken to an event that happened as a result of his venom It isnt a pretty sight for Isaiah Then Isaiah begins to see John and Paul Their main concern is which one of them will inherit his massive mailing list and television programs He appears to them as a beggar and they ridicule him He wakes up for a moment has a couple of lucid moments then lapses back into a coma When his third son Peter enters the room and announces that he is gay Isaiah dies Isaiah has finally made it He has finally crossed the threshold to heaven But something is not right Hes certainly dead but there are no golden streets no pearly gates When he sees a huge red headed man with a sword gnawing on a leg of pork he knows hes come to the wrong place

*Morality, Not Mortality* William Horst, 2022-05-23 This study argues that the language of death as a present human plight in Romans 5 8 is best understood against the background of Hellenistic moral psychological discourse in which death refers to a state of moral bondage in which a person s rational will is dominated by passions associated with the body It is death of this sort rather than human mortality or a cosmic power called Death that entered the world through the transgression of Adam and Eve in Eden Moral death was imposed on humanity as a judgment against this initial transgression in order to increase sinful behavior which ultimately serves to increase the magnitude of the glorious revelation of God s grace through Jesus Christ Likewise creation s subjection to corruption and futility in Romans 8 involves the detrimental effects of human moral corruption not the physical corruption of death and decay Ultimately the plight on which Paul focuses much of his attention throughout Rom 5 8 is a matter of morality not mortality

**Management: From Quesnay to Keynes** Pierre Guillet de Monthoux, 2016-06-16 This book explores the foundation of European management philosophy at a dramatic moment in European history the Cold War has ended Western capitalism

has triumphed over communism The book reflects on the role of business and management that has emerged in Western capitalism and it searches for the roots of moral philosophy and the philosophies of management derived from the history of economic thought It traces such ideas from the late 18th century works Quesnay and Smith down through the 19th century to the present The closing chapter of the book sets out ten principles for tight management in a socio economic doctrine of ideal enterprise and good management *Ethics at the Center* Elliot N. Dorff, 2024 *Ethics at the Center* culls the best of Rabbi Elliot Dorff's pioneering thinking in Jewish ethics over the course of nearly five decades

**Sir Thomas Browne's Religio Medici, Urn Burial, Christian Morals, and Other Essays** Sir Thomas Browne, 1886 **Poems, moral and miscellaneous, with a few songs. By a Journeyman Mechanic [i.e. William Calder].**, 1838 *Essays, Civil and Moral* Francis Bacon, 1909 **The Moral Symbols of William Golding** Hisham Akram Ibrahim AlShammari, 2013-02-19

In contrast to other writers whose concern for evil is tempered with combination of chastened expectation and irony William Golding treats evil an almost mythical intensity For example *Lord of the Flies* 1954 is probably the most powerful English novel written since World War II The story told with meticulous realism and at the same time with a visionary clarity infused with symbolism tells of children shipwrecked on a desert island where their isolated environment compels their degeneration into a society based fear violence and tyranny Throughout most of Golding's later novels he continually searches for different and more forceful expressions of this kind of tortured moral vision Golding disregards all novelistic traditions in his bold search for the kind of novel which will contain his own concept of man's nature Literary criticism is generally directed toward the symbolic implications found in a particular novel and as a result of this the novelist today is more self-conscious about his symbols than ever before Golding does not object to man's arrogance or his selfishness but he insists that there must be certain limits to his freedom one man's freedom must not interfere with or destroy the freedom of others For example in *The Inheritors* 1955 the more civilized clan fails realize that its freedom and way of life are dependent on the corresponding freedom of the less civilized clan It is notable that the purgatory of *Pincher Martin* demonstrates Golding's remarkable skill for presenting the physical sensations of isolated human beings pushed up against the back wall of their existence In *Free Fall* 1959 Golding's presentation of evil again deals with fear and disintegration instilled in the human situation yet in this novel his mythic tendencies are embarrassed by the representation of modern society While *The Pyramid* 1967 presents an attractive and understanding study of village life this modest success involves the sacrifice of mythic presentations Only in *The Spire* 1964 is there a satisfactory presentation of private vision with a sense of community Golding's interpretation of life is that it is man's nature to be selfish but this selfishness must not be allowed to dominate his actions to the extent that the freedom and peace of others is violated

Revival Martyn Lloyd-Jones, 1987-02-01 In every era the church needs revival certainly today as much as ever And in the heart of every committed Christian there is the longing for personal revival to know the quality and depths of spiritual reality and the presence of God in one's personal life This was the deepest desire of

Dr Martyn Lloyd Jones one of the great 20th century Bible expositors It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales and swept across England and throughout the United States and to the far corners of the world As Dr Lloyd Jones recognized it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit and a time of special interest of every Christian who longs for revival today As Dr J I Packer writes in his foreword Dr Lloyd Jones believed in the necessity of revival that is a quickening divine visitation as the only vent that can avert ultimate spiritual disaster The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all Dr Lloyd Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible Clearly and forcefully he presents a masterful exposition of the circumstances accompanying revival in the past why each generation needs it and how it will come about today We must come to the sovereign God forsake our sin and wait upon Him for this special essential outpouring God bring us revival *General instructions, divine; moral, historical, figurative ... shewing the progress of religion ... and tending to confirm the truth of the Christian religion* Theophilus GARENCIÈRES (Vicar of Scarborough.),1728 **Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry** Albert Pike,2019-11-19 In *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry* Albert Pike explores the intricate relationship between morality philosophy and Freemasonry presenting a comprehensive examination of its esoteric principles Written in an eloquent and sometimes archaic style the text delves into the historical roots and ethical teachings of Freemasonry while emphasizing the importance of personal enlightenment and self improvement Pike meticulously references various traditions from ancient religions to contemporary philosophical thought crafting a layered narrative that invites contemplation of the spiritual journey one undertakes within the Masonic context Albert Pike was a prominent 19th century American attorney soldier and writer who became deeply involved in Freemasonry ultimately serving as a Sovereign Grand Commander of the Scottish Rite His extensive knowledge of various religious and philosophical traditions coupled with his rich literary background informed his desire to articulate the foundational doctrines of Freemasonry This work is not merely an exposition of Masonic beliefs rather it reflects Pike s commitment to elevate moral thought and spiritual growth among its practitioners For anyone intrigued by the complexities of Freemasonry or the underlying philosophy of ethical conduct Pike s *Morals and Dogma* serves as an essential read It challenges readers to engage critically with their own beliefs and moral frameworks making it a valuable resource for both Masons and seekers of wisdom alike *The Moral and Political Works of Thomas Hobbes of Malmesbury* Thomas Hobbes,1750 *Essays, Civil and Moral and The New Atlantis* Francis Bacon,1909 *The New Monthly Magazine and Literary Journal* ,1832 ***New Monthly Magazine, and Universal Register*** Thomas Campbell,Samuel Carter Hall,Edward Bulwer Lytton Baron Lytton,Theodore Edward Hook,Thomas Hood,William Harrison Ainsworth,William Ainsworth,1832

The Moral Philosophy of Iris Murdoch Mark Hopwood, 2025-04-30 The moral philosopher and novelist Iris Murdoch said that philosophy is both the guide and mirror of the age In this wide ranging book Mark Hopwood explores the significance of Murdoch s philosophy in the present day paying particular attention to her account of the role of metaphor and imagery in moral reasoning Hopwood argues that one of the main reasons Murdoch s work has often been neglected by mainstream moral philosophers is that she offered a radically different conception of what it means to do moral philosophy Rather than seeking to establish a single systematic moral framework in the manner of utilitarian or Kantian theories she argued that moral philosophers ought to be concerned with describing the varied range of moral concepts that we actually use in everyday life and elaborating new concepts and modes of understanding to meet our most pressing social needs Examining the role of vision imagination love goodness and transcendence in Murdoch s work The Moral Philosophy of Iris Murdoch presents a compelling and original argument that she is one of the major moral philosophers of the twentieth century The Moral and Political Works ... To which is Prefixed the Autor's Life, Extracted from that Said to be Written by Himself ... Illustrated by the Editor Thomas Hobbes, 1750 Dictionary of Scripture and Ethics , 2011-11-01 This one stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up to date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse
