

The Golden Circle

"What?"

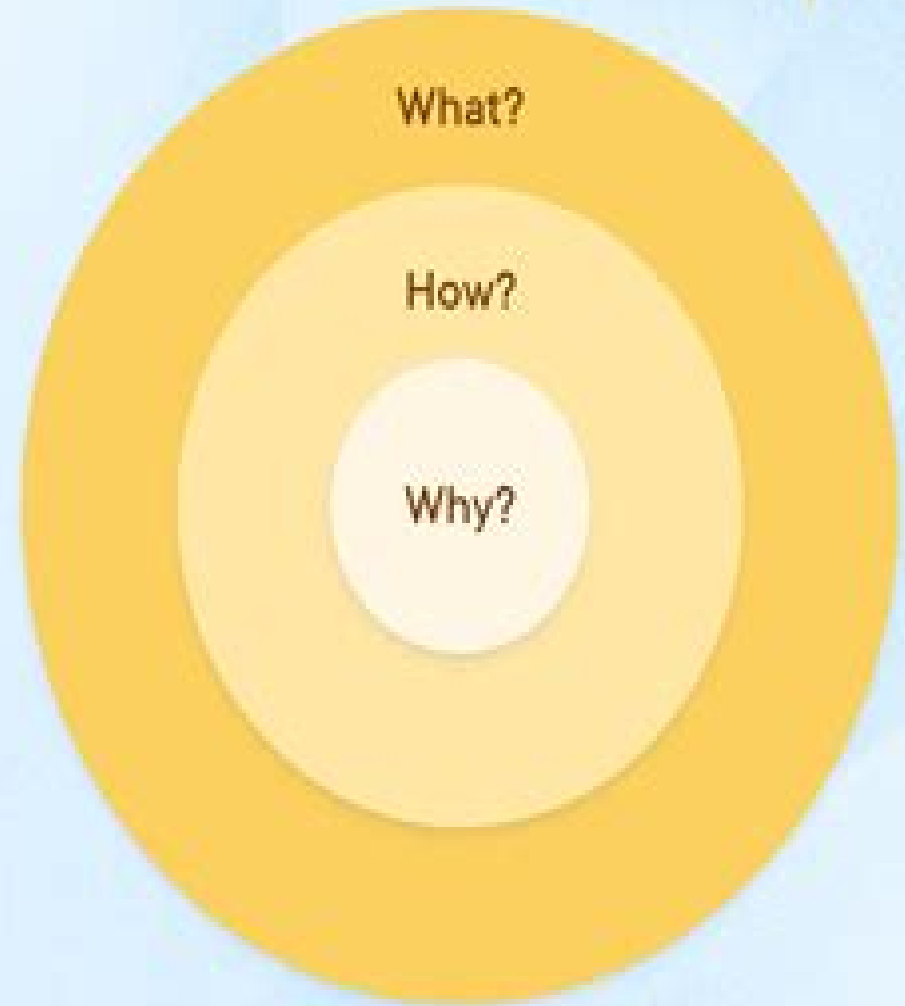

is in the outer circle and relates to every person in a business knowing exactly what they do, 100% of the time.

"How?"

is in the middle circle, with only some people within an organisation knowing how they do it, and what sets their organisation apart from others.

"Why?"

is the core of the golden circle - the core of a business as such - where very few people in that company know why they do what they do.
