Mikhail Bakhtin, 2019-08-09 Whenever Bakhtin in his final decade was queried about writing his memoirs he shrugged it off. Unlike many of his Symbolist generation Bakhtin was not fascinated by his own self image. This reticence to tell his own story was the point of access for Viktor Duvakin, Mayakovsky scholar, fellow academic and head of an oral history project who in 1973 taped six interviews with Bakhtin over twelve hours. They remain our primary source of Bakhtin's personal views on formative moments in his education and exile, his reaction to the Revolution, his impressions of political, intellectual and theatrical figures during the first two decades of the twentieth century and his non-conformist opinions on Russian and Soviet poets and musicians. Bakhtin's passion for poetic language and his insights into music also come as a surprise to readers of his essays on the novel. One remarkable thread running through the conversations is Bakhtin's love of poetry, masses of which he knew by heart in several languages. Mikhail Bakhtin: The Duvakin Interviews, 1973, translated and annotated here from the complete transcript of the tapes, offers a fuller, more flexible image of Bakhtin than we could have imagined beneath his now famous texts. Published by Bucknell University Press. Distributed worldwide by Rutgers University Press.

Worldwide Destinations Brian Boniface, Chris Cooper, Robyn Cooper, 2020-11-02 Worldwide Destinations: The Geography of Travel and Tourism is a unique text that explores tourism demand, supply, organisation and resources for every country worldwide. The eighth edition is brought up to date with features such as: An exploration of current issues such as climate change, overtourism, expedition cruises, film tourism, economic and cultural impacts of tourism. New and updated case studies throughout. More emphasis on South East Asia, Africa and the Middle East. Online resources for lecturers and students including PPTs, web links, video links and meditations on the evolving implications of COVID-19 for tourism. The first part of the book comprises thematic chapters which detail the geographic knowledge and principles required to analyse the tourism appeal of destinations. The subsequent division of the book into regional chapters enables the student to carry out a systematic analysis of a particular destination by providing insights on cultural characteristics as well as information on specific places. Worldwide Destinations: The Geography of Travel and Tourism is an invaluable resource for studying every destination in the world by explaining tourism demand, evaluating the many types of tourist attractions and examining the trends that may shape the future geography of tourism. This thorough guide is a must-have for any student undertaking a course in travel and tourism.

Marketing Strategies for Central and Eastern Europe Stewart Arnold, Petr Chadraba, Reiner Springer, 2020-09-10 This title was first published in 2001. Successful international marketing requires the development and implementation of marketing strategies responsive to different environments. This text examines the unique features of the marketing environment in Central and Eastern Europe and the impact that they have on the strategies used to enter and penetrate this region. It is based on the proceedings of the 6th annual conference on Marketing Strategies for Central Eastern Europe held from the 2nd to the 4th of December 1998 in Vienna, Austria. The book presents the editors' view on marketing in Central and Eastern Europe and summarizes the main features and research results from the selected papers.
