Tti Tōmas,2008 This book contains reminiscences of the Author as Judge for twenty five years Apart from a few travelogue and acquaintances with personages the descriptions are live stories of human life displayed in different courts where he was judge The author has avoided narrating matrimonial disputes due to statutory constraints The narratives have been recollected from memory Yet care was taken to mention only true facts though all truths are not included lest it might injure the feelings of others This is intended only for the readers to have easy reading on some interesting episodes of human life The History of the Buddha's Relic Shrine Parākrama Paṇḍita,Stephen C. Berkwitz,2007 Buddhist chronicles have long been had a central place in the study of Buddhism Scholars however have relied almost exclusively on Pali works that were composed by elites for learned audiences to the neglect of a large number of Buddhist histories written in local languages for popular consumption The Sinhala Thupavamsa composed by Parakama Pandita in thirteenth century Sri Lanka is an important example of a Buddhist chronicle written in the vernacular Sinhala language Furthermore it is among those works that inform public discussion and debate over the place of Buddhism in the Sri Lankan nation state and the role of Buddhist monks in contemporary politics In this book Stephen Berkwitz offers the first complete English translation of the Sinhala Thupavamsa Composed in a literary dialect

of Sinhala it contains a richly descriptive account of how Buddhism spread outside of India replete with poetic embellishments and interpolations not found in other accounts of those events. Aside from being an important literary work, the Sinhala Thupavamsa is a text of considerable historical and religious significance. It comprises several narrative strands that relate the life story of the Buddha and the manner in which Buddhist teachings and institutions were established on the island of Sri Lanka in ancient times. The central focus of this work concerns the variety of relics associated with the historical Buddha, particularly how the relics were acquired and the presumed benefits of venerating them. The text also relates the mythological history of the Buddha's previous lives as a bodhisattva and concludes with a prediction about the future Buddha Maitreya. Reflection on Buddhist ethics and instruction on the Dharma or the Buddha's teaching are found throughout the work, indicating that this historical narrative was meant both to recall the past and give rise to religious practice among contemporary readers and listeners. This new translation makes a significant work more widely accessible in the West and adds to our knowledge of how local Buddhist communities imagined and represented their religious and cultural heritages in written works.

Popular and Visual Culture Ricardo Campos,Rúben Pinho,Clara Sarmento,2014-10-02 Popular and Visual Culture Design Circulation and Consumption is a transnational project that fosters a dialogue with multiple origins both in geographical and academic terms From the onset this book questions the concepts of visual and popular culture terms which are currently applied both to describe scientific fields as operative concepts in theoretical discourse and to characterize specific cultural contexts The book s analysis and categorization of visual and popular culture pursues discourses and practices which mark different historical eras and shape social orders Because popular iconic and written productions are the outcome of a network of political economic ideological and social circumstances that are often hardly detectable and too taken for granted to be critically recognized even by those who draw paint or write and live under their influence That is why visual figurations of popular culture should be studied as the support of a deeply motivated symbolic discourse on the values shared by a community This book deals in a way or another with how popular and visual artefacts and sceneries are socially built preserved and or contested The volume brings together not only different disciplinary perspectives but also diverse empirical phenomena while approaching the wide subject of visibility and popular culture

CONTEMPORARY GLOBAL FICTION

Sushmindar Jeet Kaur, 2024-10-26. In a world where boundaries are blurred and cultures clash, Contemporary Global Fiction opens a doorway into the complex experiences and stories of our time. With tales that traverse continents and cultures, this anthology captures the turbulent realities facing individuals worldwide. From shifting family structures and rising social inequities to the challenges of migration and identity, the stories delve into the universal struggles that shape modern life. This collection explores issues of migration and cultural dissonance with sensitivity, such as in Ravinder Singh Sodhi's *Why Did Philip Flip*, which contrasts Eastern and Western cultural perspectives, and Avtar S. Sangha's incisive *Keerti*. Kalicharan and Karla, which examines the tensions migration brings to both individuals and communities. Each story reflects a vital conversation on coexistence and understanding in a globalized world. The book also sheds light on movements for social justice with narratives addressing themes like disability, caregiving, and gender inequality. Davina by Achingliu Kamei and *May the Month of May* by Molly Joseph depict the emotional journey of parents of differently abled children, while O. P. Arora and Harmanjot Kaur explore gender and caste inequities, questioning deep-rooted social norms and heralding hope for change. With loneliness now labeled a potential global epidemic, this volume also reflects on isolation in the digital age. Someeta Das's *Ashray: The Refuge* offers a compelling story of resilience, turning loneliness into a source of strength and inspiration. The anthology's young writers add fresh perspectives, such as Soumee Bhaumik's gripping depiction of addiction in *Ordinary People* and Sargun Singh's *A Change in Perspective*, which confronts the harsh reality of war. Edited with care by Dr. Sushmindar Jeet Kaur, Contemporary Global Fiction is an insightful anthology that captures the heartbeat of our times. This powerful collection provides readers not only a retreat into fiction but also a poignant reflection of the world, illuminating its challenges and its beauty, one story at a time.
