Kennard,1967     **The Athenaeum** ,1920     **Giorgio Strehler Directs Carlo Goldoni** Scott Malia,2013-12-11 Giorgio Strehler Directs Carlo Goldoni uses Giorgio Strehler s Goldoni productions and Arlecchino servitore di due padroni in particular as a means to defining his directorial aesthetic The book provides a framework for examining the director s career that is expansive rather than restrictive using Goldoni and Arlecchino servitore di due padroni as a through line for Strehler s fifty year career at the Piccolo Teatro di Milano This research defines Strehler s multifaceted style and brings to light interrelationships among his various works creating a base from which a variety of subsequent critical inquiries can be made It also establishes Strehler s identity within the larger scope of the Italian theatre as a whole Finally it creates the critical challenge of finding more expansive notions of directorial style and concept that unite diverse ideologies without delimiting our understanding of the director Crucial to understanding Strehler s work with Arlecchino servitore di due padroni is his consistent reinterpretation of the play which received no less than five distinct productions during Strehler s lengthy career His repeated reworking of existing productions provides a baseline for examining what elements were maintained and what elements changed or evolved The four key influences that defined Strehler s aesthetic in his work with Arlecchino were commedia dell Arte Bertolt Brecht refractive theatricality and Jacques Copeau Through these productions Strehler created a dialogue with his audience and helped change the reputation of Carlo Goldoni both in his own country and abroad
