Wyrd Ecology Barbara Jane Davy,2025-05-06 Within contemporary Heathen communities the Old English term wyrd is used to refer to the web of relations that connect all threads of existence Inspired by pre Christian traditions of Northern Europe Heathens give gifts toasts and offerings to foster a sense of connection with other humans and the more than human world In Wyrd Ecology author Barbara Jane Davy posits that these ritual activities are not merely isolated exchanges but rather a means of sustaining entire relational systems in turn inspiring givers and receivers to participate out of a desire for meaningful connection Davy utilizes research from two years of participant observation in a Heathen community in Ontario Canada to show how ritual activities deepen practitioners sense of appreciation for what they have already received and instill a desire to give back Davy illustrates how making offerings and giving gifts is important not only because of what people might believe about the gods but because it gives people a sense of relatedness with their world Ritual practices may thus play a critical role in instilling an ecological conscience and can encourage ethical relations and pro environmental behavior
