Golly In The Cupboard:

The Golly in the Cupboard Phil Frampton, 2023-09-29 First published in 2004 Frampton's fascinating childhood memoir was described as a turning point in the emergence of Black British writing comparable with James Baldwin's *Going to Meet the Man* Born in the seaside village of St Agnes Cornwall in 1953 Phil Frampton wanted to discover the reasons behind his abandonment as a child For several decades he was unable to unravel the mysteries Almost half a century on Phil was finally allowed access to official records kept on him as a child The book helped Phil unearth more information adding dramatic twists as revealed in this edition a gripping and very moving story told with a wonderful skill with a vivid memory for every incident and character with all the dialogue and poignant detail I eagerly await more volumes from the Frampton pen Michael Crick Author and Broadcaster heart rending moments a dispassionately told but piercingly emotional story Times Educational Supplement
