Numerous games and diagrams complement the text as do a wealth of photographs **Chess Rivals of the 19th Century**

Tony Cullen,2020-12-04 Many historical chess books focus on individual 19th century masters and tournaments yet little is written covering the full scope of competitive chess through the era This volume provides a comprehensive overview with more than a third of the 300 annotated games analyzed by past masters and checked by powerful engines Players such as Max Lange and Cochrane known to the chess public only by the name given to a fierce attack or gambit are brought to life Fifty masters are each given their own chapter with brief biographies results and anecdotes and an endgame section for most chapters **The Secret War** Max Hastings,2016-05-10 Monumental New York Times Book Review NEW YORK TIMES

Endgame Frank Brady,2012-01-17 NEW YORK TIMES BESTSELLER Who was Bobby Fischer In this nuanced perspective of the chess genius Los Angeles Times an acclaimed biographer chronicles his meteoric rise and confounding fall with an afterword containing newly discovered details about Fischer's life Possessing an IQ of 181 and remarkable powers of concentration Bobby Fischer memorized hundreds of chess books in several languages and he was only thirteen when he became the youngest chess master in U S history But his strange behavior started early In 1972 at the historic Cold War showdown in Reykjavik Iceland where he faced Soviet champion Boris Spassky Fischer made headlines with hundreds of petty demands that nearly ended the competition It was merely a prelude to what was to come Arriving back in the United States to a hero's welcome Bobby was mobbed wherever he went a figure as exotic and improbable as any American pop culture had yet produced Commercial sponsorship offers poured in ultimately topping 10 million but Bobby demurred Instead he began tithing his limited money to an apocalyptic religion and devouring anti Semitic literature Bobby reemerged in 1992 to play Spassky in a multi million dollar rematch but when the dust settled he was a wanted man transformed into an international fugitive because of his decision to play in Montenegro despite U S sanctions Fearing for his life traveling with bodyguards Bobby lived the life of a celebrity fugitive one drawn increasingly to the bizarre Drawing from Fischer family archives recently released FBI files and Bobby's own emails Endgame is unique in that it limns Bobby Fischer's entire life an odyssey that took the chess champion from an impoverished childhood to the covers of Time Life and Newsweek to recognition as the most famous man in the world to notorious recluse
