## Gondola Scam:

*The Gondola Scam* Jonathan Gash,2014-04-03 Antiques and women are really the only things that I m interested in Getting them in the right order can be a problem because even a fake antique can be absolutely fascination especially if it drives someone to commit murder Antiques and women are what led me to Venice on the trail of the killer and there my modest talents saw me blagging my way into a job as a tour guide as well as lending a hand as a sculptor My credentials as a tour guide were as bogus as the forgery I was chiselling and it began to feel like everywhere I turned nothing was as it seemed Antiques and women almost got me killed when the bullets started flying

*The Gondola Scam* Jonathan Gash,1985-03-05 *Pearlhanger* Jonathan Gash,2014-04-03 I don t much like working for clients It means that I have to follow someone else s instructions and I ve never been too good at that When those instructions came from a spirit guide at a seance I just had to laugh Well you would wouldn t you The rather attractive young woman whose husband the spook had said I should help her to fine took me on a quest that turned into a trail of lucrative antiques deals spoiled only when the police came plodding in and I found myself up to my neck in forgeries and murders Situation normal really Then the killer turned his attentions to me just as the spirit had said he would and I certainly wasn t laughing any more

Comic Crime Earl F. Bargaিন্নier,1987 The actual world of crime is not a subject for laughter but rather for anger or tears The world of fiction however is a different matter Most crime fiction is much nearer the comic than the tragic In the oldest sense of the term comedy that no matter the difficulties misunderstandings or even deaths the evil are thwarted and the good rewarded crime fiction is essentially comic The following eleven original essays cover a wide range in time authors forms of fiction and types of comedy I hope readers will be both informed and entertained by this excursion into British and American humor and homicide comedy and crime

Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

**The Tartan Ringers** Jonathan Gash,2014-04-03 I like to think that when feeling my way carefully through the rituals of passion the lady in question has pretty much my full attention and very few things will distract me from the job in hand A murder just outside is one of them The victim and two other antiques dealers who also came to a sticky end were all working the same Scottish connection that I had been cultivation so I decided to make myself scarce for a while Where better to hide than at the root of the problem in the wilds of Scotland There may be nothing very Scottish about me but when my life s on the line I can blend into the Highlands like a haggis in the heather It was also the best place to find out why the antiques trade down south had become such a dangerous business

**The Sleepers of Erin** Jonathan Gash,2013-11-07 You know things are going badly when you ve been stabbed hospitalized and arrested for a crime that not only did you not commit you actively attempted to prevent Top that off with a pending appearance in court before a judge whose wife you know rather better than he does and you start to think that visiting an ancient Irish tomb with a gang of ruthless villains sounds like a perfectly

reasonable thing to do All you have to do is to make sure that you don't end up joining the ancient Irish tomb's ancient Irish inhabitants Nothing's ever that simple though is it Not in my world anyway Women have a tendency to confuse matters and when you're dealing with a deranged scarecrow poet and an eastern European hit man whom you know for a fact has never been further east than Billericay in his entire life things are confusing enough don't you think **The Vatican Rip** Jonathan Gash, 2013-11-07 I always think that a genuine friend is like a genuine antique you'd go a long way to find one and you'd do anything to stop one getting broken When an Italian gentleman made me an offer I couldn't refuse stopping my friends from getting broken meant stealing a very valuable antique Somebody else has got my antique and I want it back was how he put it Who has it I asked Without a flicker of a smile he replied The Pope If you think of the Vatican as a big church where the Pope lives then think again It is a complete walled city with its own shops its own bank and its own armed security in the shape of the ridiculously costumed Swiss Guards Look a bit daft don't they But they're well trained and well armed young men Well if stealing antiques from the Pope was easy everybody would be doing it wouldn't they **The Encyclopedia of Murder and Mystery** B.
