Congressional Record United States. Congress,1992 *Riding to Camille* Mary Buford Hitz,2013-11-19 I have been fascinated by the backlash from Hurricane Camille in Nelson County ever since it happened August 19th 1969 How COULD 29 inches of rain fall in 5 hours which NOAA says is close to both the physical and theoretical limit of the possible In the heart of the county I care deeply about lives were eclipsed and landscapes devastated in the blink of an eye So a combination of fascination love and a too vivid imagination pulled me into writing a novel set during the backlash of Hurricane Camille These characters are fictional but what happens to them comes right out of the histories recorded at the time I am passionate about horses so naturally the horses in this book have personalities too They and their riders take off on a camping trip in the Blue Ridge Mountains ignorant of what they are riding towards A just ignited love affair between the outfitter Sam and his

summer intern Lisl is a secret held from Lisl's Swiss boyfriend who has come with her for the summer but not from Sam's wife Elsie whose peculiar upbringing has left her in a self-protective cocoon of apathy. The guest riders bring their own anxieties, pre-dispositions and luckily courage. Sam is a headstrong impatient leader who tangles with Lenore a writer who has come on the trip to write an article about it. When Meg another guest breaks her leg the group must separate in order for Sam to get her back to civilization. The storm hits and Lisl finds herself in charge of the remaining riders and horses. She gets in trouble trying to rescue the horses and Elsie is presented with a terrible choice while trying to rescue Lisl. When Sam catches up to them no one knows who is alive and who is dead and Sam himself is a changed man from what he has witnessed while separated from the group. There isn't anyone in this story who comes out of the experience of this ride the person they were when they went into it. They have witnessed horrors that will take them a lifetime to absorb and have come face to face with the knowledge of how insignificant human life is in the great scheme of geologic time.

Gone With the Wind: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Let's delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year.

Gone With the Wind : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Gone With the Wind : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Gone With the Wind : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
