be cut free of our mother's womb. She'd never have been able to push the two-headed sport that was me and Abby out the usual way. Abby and I were fused: you see, Conjoined twins. Abby's head, torso, and left arm protruded from my chest. But here's the real kicker: Abby had the magic I didn't. Far as the Family was concerned, Abby was one of them, though cursed as I was with the tragic flaw of mortality. Now adults, Makeda and Abby still share their childhood home. The surgery to separate the two girls gave Abby a permanent limp but left Makeda with what feels like an even worse deformity, no mojo. The daughters of a celestial demigod and a human woman, Makeda and Abby were raised by their magical father, the god of growing things, a highly unusual childhood that made them extremely close. Ever since Abby's magical talent began to develop, though in the form of an unearthly singing voice, the sisters have become increasingly distant. Today Makeda has decided it's high time to move out and make her own life among the other nonmagical claypicken humans, after all, she's one of them. In *Cheerful Rest*, a run-down warehouse space, Makeda finds exactly what she's been looking for: an opportunity to live apart from Abby and begin building her own independent life. There's even a resident band led by the charismatic and attractive building superintendent. But when her father goes missing, Makeda will have to discover her own talent and reconcile with Abby if she's to have a hope of saving him. *Press Feature*, United States Department of State, 1949. *The Skinjacker Trilogy*, Neal Shusterman, 2011-06-14. Not every child who dies goes on to the afterlife. Some are caught halfway between life and death in a sort of limbo known as Everlost, a shadow of the living world filled with all the things and places that no longer exist. It's a magical yet dangerous place where bands of lost kids run wild, and anyone who stands in the same place too long sinks to the center of the Earth. Allie and Nick don't survive the car crash and end up in Everlost, where coins are more valuable than anyone knows, fortune cookies tell the truth, monsters are real, and the queen of lost souls lives in a once-beloved tower. Nick and Allie have to learn to survive in a world with different rules and figure out who they can trust and who they must oppose at all costs. At stake is nothing less than the fate of Everlost and the living world they have left behind. In this gripping trilogy, Neal Shusterman explores questions of life, death, and what just might lie in between. *The Classic of Poetry*, 2025-03-05. The *Classic of Poetry*, *Shijing*, also known as the *Mao Poetry*, *Mao Shi*, is the oldest existing collection of poetry in China or indeed anywhere in the world. As a fountainhead of the Chinese literary tradition, it has endured over two and a half millennia of continuous readership. In this volume, eminent sinologist Edward L. Shaughnessy presents a complete English translation of the 305 discrete poems from the *Classic of Poetry*, divided into the *Feng* (airs), *Ya* (odes), and *Song* (hymns). Combining the received text with newly unearthed manuscript discoveries, Shaughnessy offers a modern, authoritative interpretation that departs from the dated translations of earlier scholars. His masterful rendering encapsulates the essence of this poetic treasury, reflecting the diverse aspects of life, love, nature, and ritual in ancient China. Professor Shaughnessy's translation of the *Classic of Poetry* provides us with a new and definitive rendition of this classic in world literature. For both specialists and general readers, this is certainly the definitive *Classic of Poetry* translation to have. Joseph Allen, University of Minnesota. Twin

Cities Solidly grounded in classical and modern scholarship this book offers a thoughtful and highly readable English version of an archaic monument of world literature that in many of its lines appears once again as fresh and beautiful as it remains richly ambiguous and open to every new reader's intuition Martin Kern Princeton University Professor Shaughnessy has translated the verses and prefaces of the Classic of Poetry into colloquial English that belies the philological labor subtending each line with a preface that lays out the current state of manuscript variants Here the classic appears in a less burdened form regaining its directness and continuity Haun Saussy University of Chicago

In the Valley of the Devil Hank Early, 2018-07-10 Private investigator Earl Marcus thought he'd conquered his demons after vanquishing the malevolent spirit of his fundamentalist preacher father but now he must face something much more terrifying than the devil he knew Earl Marcus found new hope after confronting the unspeakable evil unleashed by his father's fundamentalist Church of the Holy Flame Now plying his trade as a private investigator in the North Georgia mountains he's drawn once again into a dark abyss of depravity and murder Tasked with what seems like a routine job Earl stumbles into a mysterious cornfield where an old mountain legend appears to have awakened Just as he begins to hear rumors of a place in the woods behind a dark cornfield where a killer collects human skulls his partner Mary Hawkins vanishes As the litany of terror grows the poisoned spirits of Earl's past return to claim their final victims And on an old train trestle over a swift running river at the edge of a cornfield Earl will confront his worst fears Time is running out for Mary and unless Earl can wrest her from the control of a secretive cabal comprised of some of the area's most elite and wealthiest citizens she could be lost to him forever in In the Valley of the Devil the second harrowing installment of the Earl Marcus mysteries by Hank Early
