Schaefer,2021 Gustave Dor and the Modern Biblical Imagination explores the role of biblical imagery in modernity through the lens of Gustave Dor 1832 83 whose work is among the most reproduced and adapted scriptural imagery in the history of Judeo Christianity First published in France in late 1865 Dor s Bible illustrations received widespread critical acclaim among both religious and lay audiences and the next several decades saw unprecedented dissemination of the images on an international scale In 1868 the Dor Gallery opened in London featuring monumental religious paintings that drew 2 5 million visitors over the course of a quarter century when the gallery s holdings travelled to the United States in 1892 exhibitions at venues like the Art Institute of Chicago drew record crowds The United States saw the most creative appropriations of Dor s images among a plethora of media from prayer cards and magic lantern slides to massive stained glass windows and the spectacular epic films of Cecile B

DeMille This book repositions biblical imagery at the center of modernity an era that has often been defined through a process of secularization and argues that Dor s biblical imagery negotiated the challenges of visualizing the Bible for modern audiences in both sacred and secular contexts A set of texts whose veracity and authority were under unprecedented scrutiny in this period the Bible was at the center of a range of historical theological and cultural debates Gustave Dor is at the nexus of these narratives as his work established the most pervasive visual language for biblical imagery in the past two and a half centuries and constitutes the means by which the Bible has persistently been translated visually   Report of the President of the Johns Hopkins University, Baltimore, Maryland Johns Hopkins University,1929   Johns Hopkins University Circulars Johns Hopkins University,1929   *The Johns Hopkins University Circular* ,1929 Includes University catalogues President s report Financial report registers announcement material etc   *Library of Congress Subject Headings* Library of Congress,Library of Congress.
