**The Rippling Storm** Otis Morphew, 2011-03-15 Is time travel possible? There are scientists who believe that it will be in a few years. But who knows for sure what nature can do or forces higher than we? I sure don't, and neither did Cory and Jessica Vance until it happened. One minute they were asleep in their own bed in 2007, and the next morning they woke up in someone else's house in the year 1876. Sound bizarre? To say the least. Why did it happen to them, and for what reason? That was only two of a few dozen questions they pondered on for the next sixteen days, and became an adventure they would never forget. They were doing things only imagined before. They were suffering fear of the unknown, fear of losing their humanity, or who they were all without knowing why it had happened. There were dozens of theories, maybes, and what ifs, but the bottom line was that they were thought to be someone they were not, and because of that were forced to carry out an event that had already happened once, but now it would happen again with them as the new cast in an ongoing serial. They were about to face dying at the hands of a ruthless killer if the madman's plot succeeded, and it would succeed unless Cory was able to change the outcome of what had already happened. But if he did, they also knew that it could change the future, and that blended with the dreaded fear of dying was what worried them the most. The thought of leaving their family, and they not knowing what had happened to them, was devastating. But they had no choice; they had been sent to the past obviously to right a wrong that happened there. But why to fix a wrong that happened in 2007? One that was about to happen? What? They may never know. This is a time odyssey, a glimpse of what could be possible, and no one knows for certain that it is not, and who knows, science may discover the secret, but if it does, it'll be because a greater force allowed it, a force that already has the formula.

**A Short Ride to Hell** Paul Green, 2017-07-01 When a Wells Fargo stage is robbed and all the passengers murdered, Sheriff Luke Callaghan is suspicious of Jackson Tate's claim that this was the work of Apaches. He sets off in pursuit of Tate and his gang, only to find himself battling the gun-running Mexican bandit Hector Salinas. Things go from bad to worse, and Callaghan is forced to defend his beloved town of Maxwell against attack to attempt to prove the innocence of his friend Matt Carver, who is suspected of involvement in the robbery, and rescue his sweetheart Christina from kidnapping.

Ted Allen Clark, 2006-03

THOUGHT PROVOCKING

In the Name of the Father and of the Son and of the Holy Spirit

Have you ever wondered what the Holy Covenant Name of our Creator actually is? After all, He did create you. Isn't it about time you found out? Like most of us believers, we say the words during weddings and baptisms and funerals and communion services. We all say, "In the Name of the Father and of the Son and of the Holy Spirit," but have you ever noticed that they leave without SAYING the actual NAME of the Father? Have you ever noticed that at the funeral, how about the Name of the Son? Was it mentioned at the last wedding you attended? The Holy Covenant Name of the Holy Spirit was it uttered at the last Baptism you attended? Our Father in heaven, Our Creator, What is His actual Name? Is His Name God? Is it Lord? What is REALLY the ACTUAL Holy Covenant Name of our Father in heaven? What is the Name of the Son? After all, he did die for you. Is it Jesus? Was it Christ? Is it Hossanah? How about King of kings or Lord of lords? The Holy Spirit has a Name, do you know what it is? After we uncover the facts together in this book, it will change the way that you thought about modern Christianity forever. This book is a memorial to the Name of the Father and to the Name of the Son and to the Name of the Holy Spirit. This book will SHOCK you.
