SongCite William D. Goodfellow, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *Slowspoke* Mark Schimmoeller, 2014-07-30 Why a unicycle Why a cross country trip Why leave a prominent New York magazine and return to the simple life in Kentucky Reminiscent of classic literary travelogues Mark Schimmoeller's *Slowspoke A Unicyclist's Guide to America* takes readers on an inward emotional journey as he inches across landscapes and communities from North Carolina to Arizona Schimmoeller became inspired by his unicycle as an adolescent It taught him that rushing whether down the driveway or toward adulthood would cause a fall and so instead of accepting the speeding straight line that defines modern American life he adopted his single wheel's wayward rhythms Written with poise and humor *Slowspoke* is more than a cross country trip on a unicycle it's a meditation on a playful recalcitrant slowness that is increasingly rare in a culture obsessed with acceleration At times achingly and other times joyful Schimmoeller intersperses recollections of his journey with vignettes of his present day off the grid homesteading with his wife in Kentucky and their efforts to save an old growth forest Schimmoeller's personal journey will resonate with anyone who has slowed down to experience life at a unicycle's speed or who longs to do so who has fallen in love or searched for it or who has treasured tall trees or mourned their loss *The MPire* T. L. James, 2008-10 A Necessary Evil Mallory Towneson Haulm financial wizard and consummate ladies man brings the four horsemen to completion as he reluctantly embraces his destined charge as Death While struggling to maintain his lavish facade Mallory witnesses bits of his glamorous world slipping through his hands How can he balance his earthly paradise with his diabolical calling of the earth's fate And then there was one Death Cometh divulges life shattering secrets that move Heaven and Earth as Mallory's true destined charge transforms him requiring him to take his rightful place However his father Malcolm is not quite ready to relinquish control The battle lines have been drawn and the most consecrated ritual will allow only one to be Death Who will survive An Epic Tale of Biblical Proportions Join Mallory once again as he journeys through the twists and deceit of this family saga **All We Could Have Been** TE Carter, 2019-04-23 From TE Carter *All We Could Have Been* is a powerful and heartbreaking look at the assumptions we make about people and how one person's actions can affect everyone around them Five years ago Lexi witnessed something that shattered her very core To cope she moves from town to town desperate to hide the darkest of family secrets In every location she assumes a new name and flies under the radar as long as she can before anyone figures out who she is who she's related to Lexie now lives with her aunt has minimal interaction with her parents and has no communication with her brother But the pain is always there After starting her newest school all she wants is to just live life But how can she when the past keeps threatening to drag her back *Vagabonder* R.T. White Supremacy Kelly Roberts, 2004 Since the beginning of time there has been a battle between good and evil Evil has manifested itself in many ways throughout history but its goal has always been the same to consume as many souls as possible For some evil is a way of life embraced in a way that shocks and terrifies It has been said that the only thing needed for evil to triumph is for good men to sit back and do nothing For some this is not an option This book is the true life story of one man who sets out on a mission to destroy the footholds of evil within his community You will walk step by step through the entire suspenseful journey What starts as a plan to gather information soon turns into a long complex spiral into the dark world of white supremacy Defined as domestic terrorism these groups walk a fine line hell bent on the ultimate destruction of anything non white or pure Domestic terrorist groups like their bigger brother always use a key strategy in their twisted ambition fear

Through reading this book you will learn that fear is a tool of evil This tool will only work if it allowed to by its intended victim Understanding this principal along with the learning of your enemy s weaknesses will lead to victory over the oppression of evil While some very serious risks including death existed for this man and his mission faith in God was his one strength to overcome fear God will always triumph This book is one such story of triumph and success It is also a learning tool for others to defend their peaceful way of life I Am Not a Victim, I'm a Ministry Gift Evangelist Linda J.

Waiters,2006-01-03 This book a testimony of the author s life experiences permitted by God is simply God s predestined release of just one of many tools specifically designed to awaken His Church from its state of apostasy As the author unveils Satan s strategic plan to abort her God ordained destiny to preach the fundamentals of apostasy which not only worked against her but continue to work against the true Church of today are also revealed Evangelist Waiters meticulously contrasts the activation of spiritual gifts such as dreams of Hell in her childhood versus satanical attacks like molestation racial struggles voodoo betrayals addictions promiscuity and abortion designed to destroy her even before she received Christ and recognized the call on her life God delivered her from the jaws of death several times After receiving Christ and being gloriously baptized in the Holy Ghost she records experiences in church which promoted Satan s plan of destruction more so than God s plan of redemption She shares events which ultimately led her back into cycles of destruction including internet dating Nevertheless her testimony serves as God s heart cry and warning to clergy worldwide against the mishandling of His children seeking Him as their refuge Eventually God s grace brings her to the realization that she is not the vessel of dishonor she resigned herself to be but that she was systematically being trained and qualified to sound an alarm to the Body of Christ Consequently this book exposes the workings of the spirit of Jezebel which operates hand in hand with apostasy Satanic snares and contracts are exposed along with explanations as to why Believers remain bound and ineffective through the discussion of false prophets greed tradition and idolatry The author concludes by extending hope to readers through the discussion of salvation and why we need Jesus Christ to save us *Little Do We Know* Tamara Ireland

Stone,2018-06-04 A deeply moving unforgettable story of love betrayal and the power of friendship from the New York Times bestselling author of Every Last Word Lifelong best friends and next door neighbors Hannah and Emory have never gone a single day without talking But now its senior year and they haven t spoken in three months Not since the fight where they each said things they couldn t take back They re aching to break the silence but those thirty six steps between their bedroom windows feel more like thirty six miles Then one fateful night Emory s boyfriend Luke almost dies And Hannah is the one who finds him and saves his life As Luke tries to make sense of his near death experience he secretly turns to Hannah who becomes his biggest confidante In Luke Hannah finds someone she can finally talk to about all the questions she s grappling with Emory just wants everything to go back to normal the way it was before the accident She has no idea why her relationship is spiraling out of control But when the horrifying reason behind Hannah and Emory s argument ultimately
