

PRAYER FOR MY MOM

Dear God,
Thank you for the life of my
mom
I'm grateful for giving me this
special woman as my mom.
Please bless her with a long and
healthy life.
Guide her with your wisdom
and protect her from all evil.
Please keep her safe for me
Lord, so she enjoys the fruit of
her labor.
In Jesus name, I pray

Amen

Antoinette Kingsley, 2013-04-25 Aside from listening to God he has given us the greatest opportunity for us to communicate with him and rest in his presence on a daily basis and make it our lifestyle because he knows that in this world there are many distractions and troubles and he knows that many times we need a friend to talk to someone that will understand what we are going through and give us the solution Trust me God is your solution in this messed up crazy world we are living in With him we can overcome anything as long as we are in communication with him and making our requests known to him and asking him to guide us every step of the way Prayer is very vital in a life of a mother because of what we are responsible for and what we face on a daily basis God uses our prayers to draw us closer to him and to help us see him more clearly These daily prayers have been specifically designed for mothers to talk with God and intimately connect with God in their homes as they raise their kids in the wisdom of God **Mother Teresa's General Letters to Her Sisters**

Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief

exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God The Prayers and Personal Devotions of Mother Angelica Raymond Arroyo, 2010-03-02 For the first time you can pray with a woman who has transformed the lives of millions around the world This precious collection gives readers a chance to experience the personal daily spiritual practice of Mother Angelica Seen by millions each day on the television network she founded Mother Angelica is one of the most trusted and beloved religious figures of our time Her words of wisdom about the spiritual life have been broadcast throughout the world on EWTN and have become New York Times bestselling books For Mother the act of prayer is an unceasing daily conversation with the Divine one that has been a source of inspiration and solace for nearly seven decades Now Mother Angelica shares a lifetime of her private prayers and devotions so that you can experience and utter the very words that have shaped her incredible life This treasury of material much of it never before published includes A complete prayer journal composed during Mother's personal dark night of the soul Handwritten meditations offered to her sisters Two moving versions of the Stations of the Cross composed for her community Devotions and petitions from her early religious life Throughout Mother Angelica's humor warmth and wisdom shine through More than a collection of prayers this special volume is an intimate portrait of one of the world's great women of faith For devoted fans of Mother Angelica as well as for those just coming to know her this inspiring guide will be a cherished companion along each step of the path to holiness **Praying--with the Saints--to God Our Mother** Daniel F. Stramara, 2012-04-01 Praying with the Saints to God Our Mother celebrates the feminine characteristics of God by uncovering a treasury of texts that have been overlooked for centuries Over 150 scriptural passages both from the original biblical languages and other ancient translations radiate the warmth and vitality of the maternal face of God Additionally passages from five Ecumenical Councils all thirty three Doctors of the Church another thirty six Fathers and a total of seventy one saints from every century reveal a vast richness of feminine images of God Stramara's in depth scholarship presented in a format of prayer and meditation makes this book inviting for all readers Praying with the Saints to God Our Mother will be the standard reference for Christians of any
