Postcolonialism Revisited Kirsti Bohata, 2004 This study considers the ways in which postcolonial theory may be usefully adopted and adapted in order to provide an illuminating reading of Welsh writing in English It also illustrates how the Anglophone literature of Wales challenges many of the assumptions and dogmas of postcolonial theory In addition to dealing with theorists in the field such as Frantz Fanon Gayatri Spivak and Homi Bhabha the book also looks at the construction of Wales as a colonized nation in 20th century literature A wide range of subject matter is covered including the work of Welsh missionaries in India the policy of afforestation in Wales before and after World War II the history of the campaigns for women s rights in Wales and the post Darwinian racial theories of the 19th century Some of the authors considered include R S Thomas Emyr Humphreys Peter Finch and Gwyneth Lewis

Turkey, Greece, and the "Borders" of Europe Douglas Reynolds, 2012-10-01 The Republic of Turkey has long aspired to join Europe both politically and culturally However its attempts to do so have been met with scepticism and there is no unequivocal answer to the question of whether or not Turkey is accepted and viewed as European This question is of particular interest in the case of Germany the engine of the European Union s economy which is not only home to millions of Turkish immigrants but also has a history of cooperation with Turkey unique among European countries With its analysis of West German prestige newspapers printed between 1950 and 1975 this study looks into how Germans viewed Turkey from a cultural and political perspective during a critical period of Turkish integration with the West and Europe and compares this with perceptions of Greece whose path to Europe was far less problematic by virtue of its classical legacy and Christian heritage

The Victorian Ghost Story and Theology Zoe Lehmann Imfeld, 2016-07-27 This book argues that theology is central to an understanding of the literary ghost story Victorian ghost

stories have traditionally been read in the context of agnosticism as stories which reveal a society struggling with Christian orthodoxy in a new Enlightened world This book however uses theological ideas from St Augustine through to modern theologians to identify a theological journey taken by the protagonists of such stories and charts each stage of this journey through the short stories it examines It also proposes a theory of reader participation which creates an imaginary space in which modern epistemology is suspended The book studies the work of four major authors of the supernatural tale Arthur Machen M R James Sheridan Le Fanu and Henry James *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1896 Infanticide Mark Jackson,2018-10-24 The history of infanticide from the 16th through to the late 20th century is the subject of this volume Collectively the contributions explore how the concealment of pregnancy birth and death particularly by unmarried women became a central preoccupation of witnesses doctors courts and legislatures concerned with suspicious infant deaths While the emphasis is upon Britain original and stimulating accounts of infanticide accusations and trials in France Germany and South Africa provide compelling comparative analyses Presenting a series of case studies successive chapters expose striking continuities across both time and space in the social history of infanticide Clearly written focusing on a range of original cases and documents and addressing critical historiographical questions *Infanticide* will be invaluable to historians and students researching the social history of medicine law crime and gender In addition it will appeal to lawyers doctors and others interested in understanding the historical roots of modern debates about infanticide **The Examiner** ,1842 *The Publishers' Circular and Booksellers' Record* ,1924 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1896 *Artbibliographies Modern* ,2004 The Publisher ,1919 **T.
