Images Of God:

Images of God in the Old Testament Mary E. Mills, 1998-01-01 This book is about the many faces of the God of Israel to be found in the Old Testament Bringing together a wealth of biblical scholarship both contemporary and traditional Dr Mills invites us to see the canon of Scripture as a reference library in which all the texts have something to say about God God is a key character in each book but God's role and character nevertheless vary between books and between genres of writing

Images of God John Barstow Paterson, Katherine Paterson, 1998 Explores some of the images which biblical writers use to teach about God images include light rock and wind as well as a gardener father and architect *The Image of God in Man* David Cairns, 1973

Bede Griffiths' Images of God Beatrice Green, 2022-08-19 This book reveals how the images Bede Griffiths OSB Cam used for God are richly embedded with concepts ancient and new making them especially relevant for our current times It prompts insight into the great deposit of wisdom and scholarship that was his source and will benefit those interested in religious imagery gender equality monastic life interfaith dialogue evolution of consciousness practical theology and spirituality and integral thought Led by Christ the Golden String Griffiths made the sea change from Great Britain to India promoting the marriage of East and West the essential value of the feminine contemplative prayer interreligious dialogue and integral life His initiation to Christian sannyasa and faith in the evolutionary process reflect his openness to change and to grow and highlight this great sage's masterful use of images grounded in his motto to always go beyond

The Divine Image Ian Alexander McFarland, Theologian Ian McFarland claims that Christians have mainly misappropriated the image of God language for 2000 years and thereby missed a rich resource for our knowledge of God What then does it mean to say that we are made in God's image or that Christ is the very image or prototype of God Rather than referring to some germinal divine element in humans such as reason McFarland claims that the image of God in us tells us something about God and how we know God It tells us that God though not identical with us communicates Godself to us in creative love in a way that offers precious clues about God's transcendence immanence triune life self disclosure incarnation and intentions for human life Too we learn from Jesus something new about God Gathered as Christ's body the church too images God and sets us on a quest to discern the image of God in Christ's incarnate body McFarland's careful and exacting work builds from this kernel a powerful Christian vision of God's life and our own destiny in Christ

Feminist Mysticism and Images of God Jennie S Knight, 2011-02-28 Feminist theologians often claim that women's experience is their starting point However most feminist theology is remarkably void of analysis of particular women's experiences of imaging God In this book Knight provides practical recommendations to help people transform images in the context of religious practices What difference does it make whether we picture God as an elderly white grandfather a nurturing African American mother or a stranger on the bus Jennie Knight says our image of God affects how we see ourselves how we worship how we treat one another how or whether we work for justice and a host of other life practices But after years of knowing

intellectually that God transcends a specific human type Knight still struggles to make an emotional connection with God in different forms She suspects that that struggle is why many seminarians who wrote papers about thea theology abandon nontraditional God images once they hit parish ministry perpetuating the practice of seeing God as a European male on a throne and all the accompanying problems that such imagery creates Knight believes that personal and critical reflection in the context of a supportive learning community combined with experiences of diverse images for the divine in worship can lead to profound changes in self image relationship with the divine and agency in the world This book aims to demonstrate why and how this transformation is both possible and necessary The popularity of *The Shack* *The Secret Life of Bees* *Joan of Arcadia* and other works with nontraditional God figures reveals a culture ready to embrace God in many forms Knight examines how the church can do the same

God Images and Self Esteem Carroll Saussy, 1991-01-01 Carroll Saussy believes that women especially have difficulty with self esteem because their lives are shaped and controlled by patriarchal rules and roles that make them second class citizens Only in recent decades and in highly educated or politically active communities have women awakened to and begun to expose the damaging effects of the domination subordination soul of patriarchy Saussy takes a theological and ideological approach in reviewing the system that fosters such poor self esteem

The Image of God in Man David J. A. Clines, 1968

The Image of God, Personhood and the Embryo Calum MacKellar, 2017-04-25 Why are human embryos so important to many Christians What does theology say concerning the moral status of these embryos Answers to these questions can only be obtained by considering the manner in which Christian theology understands the great theme of the image of God This book examines the most important aspects in which this image and the related Christian notion of personhood can be used in the context of theological arguments relating to the moral status of the human embryo Thoughtful in approach and ecumenical in perspective the author combines a thorough knowledge of the science of embryology with a broad knowledge of the theological implications Part I Historical and Contemporary Christian Perspectives 1 The Moral Status of the Embryo 2 The Image of God 3 Being a Person from a Christian Perspective Part II The Image of God Personhood and the Embryo 4 Creation and the Embryo 5 Incarnation and the Embryo 6 Substantive Aspects and the Embryo 7 Relational Aspects and the Embryo 8 Functional Aspects and the Embryo Conclusion Appendix The Moral Status of New Kinds of Embryo

Life in the Image of God Ronald C. Calhoun, 2013-09-06 The King has come The God of love planned reconciliation and transformation for the people he created He planned liberation from bondage for all creation through the life death and resurrected life of his Son Jesus Christ Jesus the King has come He has inaugurated the kingdom The Sermon on the Mount Matt 57 is the constitution of that kingdom The constitution is intended to make Christlike disciples The central dynamic of the constitution is godlike love and is based on his grace The Sermon begins with the essence of character which is the foundation of all relationships and conduct Who we are determines the influence we have and controls our conduct Our conduct is based on right relationships with God others self and the

material world The Sermon is practical dealing with every aspect of life Our relationship with God is to be one of reverence and self discipline Our relationship to possessions calls for rejection of slavery to those possessions and to worry In relationship to self we must avoid destructive criticism and exercise discernment Many areas are discussed in our relationship to others such as murder sex retaliation and more Join me in the study of the kingdom constitution as it reveals how to live life in the image of God All who will may become a part of the kingdom by offering full allegiance to the King and by living life by the rule of godlike love

Created in God's Image Anthony A. Hoekema, 1994-09-06 according to Scripture humankind was created in the image of God Hoekema discusses the implications of this theme devoting several chapters to the biblical teaching on God's image the teaching of philosophers and theologians through the ages and his own theological analysis Suitable for seminary level anthropology courses yet accessible to educated laypeople Extensive bibliography fully indexed

The Iconoclastic Deity Clyde A. Holbrook, 1984 This book explores the meanings of images with particular reference to the images of God found in the Bible and surveys the various images found It critically reviews theories of images as distinguished from symbols and argues that images are more forceful representations of the deity than are symbols

Artemis, Eve, and the Image of God Joseph A. Brennan, 2024-10-09 What has gone so terribly wrong in Ephesus that Paul feels compelled to write the longest marriage code in the New Testament 1 Peter only has seven verses about marriage Colossians only has two Titus only has two Why does Ephesians have thirteen Did Paul wish to set in stone the nature of gender relationships for all of time Was he trying to ensure the survival of the emerging church amidst harsh Hellenistic realities of hierarchic marriage Or did he have something else in mind This is a book about the Ephesians 5 marriage code the goddess Artemis Eve and the image of God in the believer It explores the adverse influence of Artemis upon the Ephesian believers thought world why Paul raises up Eve and Adam as the example of loving marriage 5 31 what Paul thought the image of God looked like in the believer and why some Ephesian believers thought differently Dr Brennan argues that the primary purpose behind Ephesians 5 21 33 was to evangelize non believing Ephesian onlookers to an ideal of marriage in Christ's new kingdom that far surpassed their personal experience in the first century Roman world and that Artemis was getting in the way

Finding the Lost Images of God Timothy S. Laniak, 2012-03-06 Images are frequently used in the Bible to describe God and his relationship with his chosen people Without an accurate understanding of the images we cannot comprehend the profound biblical revelations they communicate Understanding these cultural vehicles of communication comes by learning the cultural background of those who created them Timothy S Laniak illuminates this background for readers from the ground up with his archaeological and anthropological explanations of the contexts the authors lived in Suitable for students pastors and lay leaders the Zondervan ebook Images of God and His People links these cultural characteristics with the images of God with corresponding images of his people found in the Old and New Testaments This complementary approach reveals a rich relationship between God and the people he loves and calls into his

service **Images of God** Peter Fuller,1985 **Face to Face** Richard D. Patterson,Michael E. Travers,2008-08-01 What Does God Look Like Have you ever wondered what God looks like Or what he sounds like Does he really have eyes to see us and ears to hear us Does he really smell the sweet aroma of our prayers What does it mean that humans are created in the image of God Does that mean that God has eyes and ears When the writer of Genesis goes on and says In the image of God he created them male and female he created them Gen 1 27 Does this verse mean that our gender reflects gender in God How are we to understand these expressions about God when we know that he is a Spirit and does not have a body Are they merely the way uneducated people in ancient times spoke about things they did not understand Are we too sophisticated and educated today to pay any attention to these expressions In short why are all the human images of God in the Bible and what are Christians to learn from them in the twenty first century This book attempts to answer these questions and many like them as we examine the human images of God in the Bible and what they have to say to us today **God of Salvation** Ivor J. Davidson,Murray Rae,2011 God of Salvation explores a vital yet often neglected aspect of Christian confession the essential relationship between the nature of salvation and the character of the God who saves This book offers fresh appraisals of a range of major themes in theology the nature of creaturely existence the relationship between divine purposes and material history the holiness love and judgement of God the atoning work of Jesus Christ election justification and the nature of faith salvation outside the church human and non human ends the nature of eschatological fellowship with God **Written upon the Heart** Anthony J. Tomasino,2008-11-19 Often viewed as the archaic rules of a civilization long past the Ten Commandments have been pushed aside and ignored by modern society Even strong Christians maintain a diverse collection of opinions about the Ten Commandments a miracle cure all a holy obligation laws irrelevant in an age of grace and many more No matter how they are viewed these deceptively simple words are packed with meaning and hold a power and significance many Christians have lost sight of Written Upon the Heart reveals the necessity of God s Law for contemporary believers by studying the historical purpose meaning and modern relevance of the Commandments Presented with rich background and compelling humor Written upon the Heart shows that the words of God should not just be read or simply committed to memory but written upon the heart of every believer I will put my law in their minds and write it on their hearts I will be their God and they will be my people Jeremiah 31 33 God Is... - Six True Images of God Michael Mercer,2014-03 God Is is a book that takes a look at Genesis and portrays six true images of God There are many ways we think about God that are unhealthy and even destructive These six images help turn our attention to who God really is and how we might follow him more closely God Is Creative Just Mysterious Love Restoration and Father An Ecological Christian Anthropology Ernst M. Conradie,2017-03-02 What is the place and vocation of human beings in the earth community This is the central question that this contribution towards a Christian ecological anthropology addresses In ecological theology this question is often answered by the affirmation that We are at home on earth This affirmation rightly responds to the

widespread sense of alienation from nature to the anthropocentrism that pervades much of the Christian tradition and to concerns about the scope of environmental devastation This book challenges the affirmation that we are at home on earth examining natural suffering anxieties concerning human finitude and especially the pervasiveness of evil The book investigates contributions to ecological theology South African and African theology reformed theology and contemporary dialogues between theology and the sciences in search of a thoroughly ecological Christian anthropology
