

Types of Imperial Rule

The leading imperial powers developed several kinds of colonial rule. Each of the different types reflected different goals for their colonies.

Images Of Imperial Rule

Craig R. Koester

Images Of Imperial Rule:

Images of Imperial Rule Hugh Ridley, 2018-05-03 Originally published in 1983 In the late nineteenth century as the European powers divided the world between themselves and scrambled over Africa so their writers went with them recording in fiction as well as in historical narrative the events and issues of the colonial expansion The literature which they left behind them is the subject of this book Taking Robinson Crusoe as the starting point for colonial literature the book looks at linking themes and ideas in the colonial literatures of England France and Germany In drawing the attention of English speaking readers to the writing of these other countries English fiction is placed in a wider context The comparison also emphasises a homogeneity in the various traditions of colonial literature which goes beyond mere flag waving *Emperors and Ancestors* Olivier Hekster, 2015-03-19 Ancestry played a continuous role in the construction and portrayal of Roman emperorship in the first three centuries AD *Emperors and Ancestors* is the first systematic analysis of the different ways in which imperial lineage was represented in the various media through which images of emperors could be transmitted Looking beyond individual rulers Hekster evaluates evidence over an extended period of time and differentiates between various types of sources such as inscriptions sculpture architecture literary text and particularly central coinage which forms the most convenient source material for a modern reconstruction of Roman representations over a prolonged period of time The volume explores how the different media in use sent out different messages The importance of local notions and traditions in the choice of local representations of imperial ancestry are emphasized revealing that there was no monopoly on image forming by the Roman centre and far less interaction between central and local imagery than is commonly held Imperial ancestry is defined through various parallel developments at Rome and in the provinces Some messages resonated outside the centre but only when they were made explicit and fitted local practice and the discourse of the medium The construction of imperial ancestry was constrained by the local expectations of how a ruler should present himself and standardization over time of the images and languages that could be employed in the media at imperial disposal Roman emperorship is therefore shown to be a constant process of construction within genres of communication representation and public symbolism , **The Oxford Handbook of the Book of Revelation** Craig R. Koester, 2020 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book Thirty essays by leading scholars from around the world orient readers to the major currents in the study of Revelation Divided into five sections Literary Features Social Setting Theology and Ethics History of Reception and Influence and Currents in Interpretation the essays identify the major lines of interpretation that have shaped discussion of these topics and then work through the aspects of those topics that are most significant and hold greatest promise for future research **Caesar Rules** Olivier Hekster, 2022-12-08 For

centuries Roman emperors ruled a vast empire Yet at least officially the emperor did not exist No one knew exactly what titles he possessed how he could be portrayed what exactly he had to do or how the succession was organised Everyone knew however that the emperor held ultimate power over the empire There were also expectations about what he should do and be although these varied throughout the empire and also evolved over time How did these expectations develop and change To what degree could an emperor deviate from prevailing norms And what role did major developments in Roman society such as the rise of Christianity or the choice of Constantinople as the new capital play in the ways in which emperors could exercise their rule This ambitious and engaging book describes the surprising stability of the Roman Empire over more than six centuries of history

Images and Empires Paul Landau, Deborah D. Kaspin, 2002-10-28 This volume considers the meaning and power of images in African history and culture It assembles a wide ranging collection of essays dealing with specific visual forms including monuments cinema cartoons domestic and professional photography body art world fairs and museum exhibits

A Companion to Roman Art Barbara E. Borg, 2015-09-09 A Companion to Roman Art encompasses various artistic genres ancient contexts and modern approaches for a comprehensive guide to Roman art Offers comprehensive and original essays on the study of Roman art Contributions from distinguished scholars with unrivalled expertise covering a broad range of international approaches Focuses on the socio historical aspects of Roman art covering several topics that have not been presented in any detail in English Includes both close readings of individual art works and general discussions Provides an overview of main aspects of the subject and an introduction to current debates in the field

The King's Living Image Alejandro Canequé, 2013-04-15 To rule their vast new American territories the Spanish monarchs appointed viceroys in an attempt to reproduce the monarchical system of government prevailing at the time in Europe But despite the political significance of the figure of the viceroy little is known about the mechanisms of viceregal power and its relation to ideas of kingship Examining this figure *The King's Living Image* challenges long held perspectives on the political nature of Spanish colonialism recovering at the same time the complexity of the political discourses and practices of Spanish rule It does so by studying the viceregal political culture that developed in New Spain in the sixteenth and seventeenth centuries and the mechanisms both formal and informal of viceregal rule In so doing *The King's Living Image* questions the very existence of a colonial state and contends that imperial power was constituted in ritual ceremonies It also emphasizes the viceroys significance in carrying out the civilizing mission of the Spanish monarchy with regard to the indigenous population *The King's Living Image* will redefine the ways in which scholars have traditionally looked at the viceregal administration in colonial Mexico

The Image of Political Power in the Reign of Nerva, AD 96-98 Nathan T. Elkins, 2017-07-03 At age 65 Nerva assumed the role of emperor of Rome just sixteen months later his reign ended with his death Nerva's short reign robbed his regime of the opportunity for the emperor's imperial image to be defined in building or monumental art leaving seemingly little for the art historian or archaeologist to consider In view of this paucity studies of

Nerva primarily focus on the historical circumstances governing his reign with respect to the few relevant literary sources The Image of Political Power in the Reign of Nerva AD 96 98 by contrast takes the entire imperial coinage program issued by the mint of Rome to examine the self representation and by extension the policies and ideals of Nerva s regime The brevity of Nerva s reign and the problems of retrospection caused by privileging posthumous literary sources make coinage one of the only ways of reconstructing anything of his image and ideology as it was disseminated and developed at the end of the first century during the emperor s lifetime The iconography of this coinage and the popularity and spread of different iconographic types as determined by study of hoards and finds and as targeted towards different ancient constituencies offers a more positive take on a little studied emperor Across three chapters Elkins traces the different reverse types and how they would have resonated with their intended audiences concluding with an examination of the parallels between text and coin iconography with previous and subsequent emperors The Image of Political Power in the Reign of Nerva AD 96 98 thus offers significant new perspectives on the agents behind the selection and formulation of iconography in the late first and early second century showing how coinage can act as a visual panegyric similar to contemporary laudatory texts by tapping into how the inner circle of Nerva s regime wished the emperor to be seen **Likeness and Presence** Hans

Belting,1994 Before the Renaissance and Reformation holy images were treated not as art but as objects of veneration which possessed the tangible presence of the Holy the faithful believed that these images served as relics and were able to work miracles deliver oracles and bring victory to the battlefield In this magisterial book Hans Belting traces the long history of the sacral image and its changing role from surrogate for the represented image to an original work of art in European culture Likeness and Presence looks at the beliefs superstitions hopes and fears that come into play as people handle and respond to sacred images and presents a compelling interpretation of the place of the image in Western history Back cover

Images of the Tropics Susie Protschky,2011-01-01 Images of the Tropics critically examines Dutch colonial culture in the Netherlands Indies through the prism of landscape art Susie Protschky contends that visual representations of nature and landscape were core elements of how Europeans understood the tropics justified their territorial claims in the region and understood their place both in imperial Europe and in colonized Asia during the nineteenth and early twentieth centuries Her book thus makes a significant contribution to studies of empire art and environment as well as to histories of Indonesia and Europe Surveying a rich visual culture developed over a period of some 350 years of Dutch colonial engagement with Indonesia Susie Protschky demonstrates how views of the archipelago s environment were far from simple topographical souvenirs Rather this book reveals how images of the tropics visually articulated colonial attempts to legitimize and historicize what were in fact continually changing and contested claims to Dutch territorial sovereignty in the Indies Further colonial images of nature were routinely inflected with diverse cultural preoccupations among them the constitution of gender class and racial boundaries in Indies society the tenor of sexual mores in the tropics and the political role of religion

in the archipelago Landscape art thus indexed colonial views on a range of pressing social and political concerns

Revelation Craig R. Koester, 2014-09-30 In this landmark commentary Craig R Koester offers a comprehensive look at a powerful and controversial early Christian text the book of Revelation The author provides richly textured descriptions of the book's setting and language making extensive use of Greek and Latin inscriptions classical texts and ancient Jewish writings including the Dead Sea Scrolls Rather than viewing Revelation as world negating Koester focuses on its deep engagement with social religious and economic issues while addressing the book's volatile history of interpretation The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text

Revolt of the Scribes Richard A. Horsley, If earlier scholarship on apocalyptic literature was once described as clueless about apocalypticism it was due in part to a focus on questions of definition literary genre and theological eccentricity Richard A Horsley takes a different approach letting the language of the apocalypses themselves reveal their chief concern the expanding domination by foreign empires and the form that popular defiance should take Most telling are the traces where Judean scribes wrote themselves into their texts and thus into God's purposes in history *Jaquette du livre* **History as Literature in Byzantium** R. J. Macrides, 2010 Although perceived since the 16th century as the most impressive literary achievement of Byzantine culture historical writing nevertheless remains little studied as literature This book devoted to literary interpretations of Byzantine historical writing and analyses of pictorial narratives illustrates how analyses of texts and images from the 6th to the 14th century work hand in hand with an evaluation of the work as a document of historical value **Caesarea Maritima** Avner Raban, Kenneth G. Holum, 2023-09-29 This deluxe volume on Caesarea climaxing new excavations in 1992-95 discusses comprehensively a famous ancient city's archaeology history and culture New discoveries include the amphitheater and royal palace temple dedicated to Roma and Augustus and the spectacular artificial harbor explored under water

The Image of China in Western Social and Political Thought D. Jones, 2001-10-16 David Martin Jones examines how China has been portrayed in European and subsequently North American social and political thought and what if anything this depiction tells us about the character of this thought Such a question immediately evokes the spectre of orientalism and subsequent chapters explore whether the identification of an orientalist project invalidates the knowledge claims of European and North American social and political thought as it evolved from the eighteenth to the twentieth century *Unseeing Empire* Bakirathi Mani, 2020-10-26 In *Unseeing Empire* Bakirathi Mani examines how empire continues to haunt South Asian American visual cultures Weaving close readings of fine art together with archival research and ethnographic fieldwork at museums and galleries across South Asia and North America Mani outlines the visual and affective relationships between South Asian diasporic artists their photographic work and their viewers She notes that the desire for South Asian Americans to see visual representations of themselves is rooted in the use of photography as a form of colonial documentation and surveillance She examines fine art photography by South Asian diasporic artists who employ

aesthetic strategies such as duplication and alteration that run counter to viewers demands for greater visibility These works fail to deliver on viewers desires to see themselves producing instead feelings of alienation estrangement and loss These feelings Mani contends allow viewers to question their own visibility as South Asian Americans in U S public culture and to reflect on their desires to be represented *Imperialism as Diaspora* Ralph Crane,Radhika Mohanram,2013-08-31

Imperialism as Diaspora reassesses the important years of the British Raj in India and the diasporic position of Anglo Indians who while neither quite British nor Indian were simultaneously both and who were instrumental in the construction of the Empire in India *Images of Authority* Mary Margaret Mackenzie,Charlotte Roueché,2020-08-30 A collection of twelve essays by female scholars published in 1989 in honour of Joyce Reynolds Topics range across Greek and Roman archaeology history literature philosophy and reception all bound by a focus on authority *Colonial Space* J.K. Noyes,2012-10-12 First Published in 1992 This book is about space of a colony and how it was produced It began as a study of the literature of the German colony of South West Africa between the years 1884 and 1915 The author s aim is to demonstrate the active role which literature had played in structuring the experience of the colony If it could be shown that literature not only describes but also helps to structure the forms of experience then it would follow that it also plays an important role in structuring the experience of colonization and hence the form of the colony itself From the outset therefore the study was concerned with a number of issues centering around colonization representation experience and social form where spatiality is the concept which allows us to understand how these various aspects of colonialism interrelate

Images Of Imperial Rule Introduction

In today's digital age, the availability of Images Of Imperial Rule books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Images Of Imperial Rule books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Images Of Imperial Rule books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Images Of Imperial Rule versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Images Of Imperial Rule books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Images Of Imperial Rule books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Images Of Imperial Rule books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Images Of Imperial Rule books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Images Of Imperial Rule books and manuals for download and embark on your journey of knowledge?

FAQs About Images Of Imperial Rule Books

1. Where can I buy Images Of Imperial Rule books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Images Of Imperial Rule book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Images Of Imperial Rule books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Images Of Imperial Rule audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Images Of Imperial Rule books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
