Gubrium,James A. Holstein,Amir B. Marvasti,Karyn D. McKinney,2012-02-11 The second edition of this landmark volume emphasizes the dynamic interactional and reflexive dimensions of the research interview Contributors highlight the myriad dimensions of complexity that are emerging as researchers increasingly frame the interview as a communicative opportunity as much as a data gathering format The book begins with an overview of the history and conceptual transformations of the interview which is followed by chapters that discuss the main components of interview practice Taken together the contributions to the handbook encourage readers to simultaneously learn the frameworks and technologies of interviewing and reflect on the epistemological foundations of the interview craft The handbook has been updated to address recent developments especially in qualitative interviewing Twenty six chapters are completely new the remaining twelve chapters have been substantially revised to give readers access to the state of the art of interview research Three entirely new sections include Logistics of Interviewing Self and Other in the Interview and Ethics of the Interview      [MasterClass in Music Education](#) John Finney,Felicity Laurence,2013-02-28 MasterClass in Music Education provides vivid topical reflective and above all real accounts from existing teachers researching in the field together with theoretical insights and a guided view of the relevant existing literature Students embarking upon research will gain a many faceted understanding of the possibilities for using action research and other research methods to explore the interesting and challenging issues confronting music education At the same time they will be able to develop an understanding of how to carry out research from the real life case study accounts written by their peers John Finney and Felicity Laurence provide overarching support drawing on their own experiences as supervisors of MA Music Education students to frame the debates and reflections which arise      **The Black Skyscraper** Adrienne Brown,2017-11-15 How did writers and artists view the intersection of architecture and race in the

modernist era Winner of the MSA First Book Prize of the Modernist Studies Association With the development of the first skyscrapers in the 1880s urban built environments could expand vertically as well as horizontally Tall buildings emerged in growing cities to house and manage the large and racially diverse populations of migrants and immigrants flocking to their centers following Reconstruction Beginning with Chicago's early 10 story towers and concluding with the 1931 erection of the 102 story Empire State Building Adrienne Brown's *The Black Skyscraper* provides a detailed account of how scale and proximity shape our understanding of race Over the next half century as city skylines grew American writers imagined the new urban backdrop as an obstacle to racial differentiation Examining works produced by writers painters architects and laborers who grappled with the early skyscraper's outsized and disorienting dimensions Brown explores this architecture's effects on how race was seen read and sensed at the turn of the twentieth century In lesser known works of apocalyptic science fiction light romance and Jazz Age melodrama as well as in more canonical works by W E B Du Bois F Scott Fitzgerald Aaron Douglas and Nella Larsen the skyscraper mediates the process of seeing and being seen as a racialized subject From its distancing apex reducing bodies to specks to the shadowy mega blocks it formed at street level the skyscraper called attention Brown argues to the malleable nature of perception A highly interdisciplinary work *The Black Skyscraper* reclaims the influence of race on modern architectural design as well as the less well understood effects these designs had on the experience and perception of race *Theorising the Artist Interview* Lucia Farinati, Jennifer

Thatcher, 2024-08-29 Reflecting on the relationship between artists and their audiences this book examines how artists have presented themselves publicly through interviews and sought to establish a critical voice for themselves Considering the interview as a form of cultural production contributors explore the criteria for determining the artist interview as a distinct field of research in relation to other cultural fields Structured in four parts History and Historiography Subverting the Biographical Model Interviews as Practice and Materiality and Technology the book takes an interdisciplinary approach that encompasses the fields of art history fine art oral history curating media studies and museum conservation By theorising the artist interview as a form of cultural production and embracing it as a co constructed critical practice this volume aims to show and encourage an approach to art history which dismantles old hierarchies in favour of valuing dialogue and collaboration The book will be of interest to scholars working in art history museum studies oral history and historiography

*Inspecting the Interview* Carsten Junker, 2024-09-03 Interviews are omnipresent in scholarship and public discourses They play a crucial role in various spheres from collecting research data to providing persons in the public eye a platform in print and online media Interviews do not only capture a dialogue they provide a framework in which dialogue gets staged As such a framework the interview protocols experiential knowledge and personal experience in certain ways according interlocutors different degrees of authority to speak The volume contributes state of the art research on what conclusions can be drawn from these and further reflections for a general assessment of the interview as method and form it offers

fundamental conceptualizations of the interview as a structured and mediated site of knowledge production Theoreticians and practitioners assembled here conceptualize the interview from perspectives in different fields of the humanities and social sciences such as linguistics literary and cultural studies musicology psychology and philosophy Literature and the Rise of the Interview Rebecca Roach, 2018-11-21 Today interviews proliferate everywhere in newspapers on television and in anthologies as a method they are a major tool of medicine the law the social sciences oral history projects and journalism and in the book trade interviews with authors are a major promotional device We live in an interview society How did this happen What is it about the interview form that we find so appealing and horrifying Are we all just gossips or is there something more to it What are the implications of our reliance on this bizarre dynamic for publicity subjectivity and democracy Literature and the Rise of the Interview addresses these questions from the perspective of literary culture The book traces the ways in which the interview form has been conceived and deployed by writers and interviewing has been understood as a literary critical practice It excavates what we might call a poetics of the interview form and practice In so doing it covers 150 years and four continents It includes a diverse rostrum of well known writers such as Henry James T S Eliot Ezra Pound Djuna Barnes William Burroughs Philip Roth J M Coetzee and Toni Morrison while reintroducing some individuals that history has forgotten such as Betty Ross Queen of Interviewers and Julian Hawthorne Nathaniel's profligate son Together these stories expose the interview's position in the literary imagination and consider what this might tell us about conceptions of literature authorship and reading communities in modernity *Basic Business Communication*,
