Letters Fictions Lives Henry James And William Dean Howells:

Letters, Fictions, Lives Henry James, William Dean Howells, Michael Anesko, 1997 In this unique and long awaited volume Michael Anesko documents the literary cross fertilization between Henry James and William Dean Howells collecting 151 letters nearly all the extant correspondence between the two men as well as the most significant critical commentary James wrote on Howells and Howells wrote on James Containing dozens of previously unpublished letters by James and featuring a detailed biographical chronology as well as extensive interpretive commentaries that meticulously chart the development of this remarkable literary friendship Letters Fictions Lives edited to the highest standards of scholarly excellence will prove an invaluable resource for scholars and students of James and Howells and will hold great interest for dedicated readers of their fiction and for those studying epistolary issues and literary influence between contemporaries

Letters, Fictions, Lives Michael Anesko, 2023 This volume attempts to determine the early influence shared between William Dean Howells and Henry James by reconstructing and evaluating documentary evidence of their literary cross fertilisation It includes 151 letters

William Dean Howells Susan Goodman, Carl Dawson, 2005-05-01 Possibly the most influential figure in the history of American letters William Dean Howells 1837 1920 was among other things a leading novelist in the realist tradition a formative influence on many of America's finest writers and an outspoken opponent of social injustice This biography the first comprehensive work on Howells in fifty years enters the consciousness of the man and his times revealing a complicated and painfully honest figure who came of age in an era of political corruption industrial greed and American imperialism Written with verve and originality in a highly absorbing style it brings alive for a new generation a literary and cultural pioneer who played a key role in creating the American artistic ethos William Dean Howells traces the writer's life from his boyhood in Ohio before the Civil War to his consularship in Italy under President Lincoln to his rise as editor of *Atlantic Monthly* It looks at his writing which included novels poems plays children's books and criticism Howells had many powerful friendships among the literati of his day and here we find an especially rich examination of the relationship between Howells and Mark Twain Howells was as Twain called him the boss of literary critics his support almost single handedly made the careers of many writers including African Americans like Paul Dunbar and women like Sarah Orne Jewett Showcasing many noteworthy personalities Henry James Edmund Gosse H G Wells Stephen Crane Emily Dickinson and many others William Dean Howells portrays a man who stood at the center of American literature through the late nineteenth and early twentieth centuries

Encyclopedia of Life Writing Margaretta Jolly, 2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the *Encyclopedia* explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as

oral history anthropology testimonies and the representation of life stories in non verbal art forms

The Life of Henry James Peter Collister, 2023-04-03 Discover anew the life and influence of Henry James part of the acclaimed Wiley Blackwell Critical Biographies series In *The Life of Henry James A Critical Biography* Peter Collister an established critic and authority on Henry James offers an original and fully documented account of one of America s finest writers who was both a creative practitioner and theorist of the novel In this volume James s life in all its personal and cultural richness is examined alongside a detailed scrutiny of his fiction essays biographies autobiographies travel writing plays and reviews James was a dedicated and brilliant letter writer and his biographer make judicious use of this material some of it previously unpublished evoking in the novelist s own words the society within which he moved and worked His gift for friendship often resulting in close relationships with both men and women are sensitively explored Near the beginning of his long and highly productive life James left America to immerse himself in European culture and history a necessity he felt for the developing artist In an ironic symmetry he witnessed in his youth the effects of the American Civil War and in his last days finally becoming a British citizen despaired at the unfolding tragedy of the Great War in Europe Sustained nevertheless by his own creative energy he never ceased to believe in the capacity of the arts to enhance and give significance to life Provides well informed accounts of Henry James s youth in New York City his unconventional education his extensive travel in Europe his eventual assimilation into British society his development as a writer and his personal relationships as a single man Features discussions of James s major works in a variety of genres from an assured theoretical and historical perspective Assesses James s developing quest for dramatic form in his fiction the scenic art as well as his critical writing which was to have a lasting influence on the literature and aesthetic values of the twentieth century Discusses his achieved aspiration to be just literary to become what he called that queer monster an artist Charts James s lifelong interest in art and theatre An incisive discussion of the life of an author of major stature *The Life of Henry James A Critical Biography* offers a refreshingly lucid and human account of a novelist and his often challenging but rewarding writing Peter Collister a former college Assistant Principal has published many essays in Europe and America on a range of nineteenth century British and French authors He is the author of *Writing the Self Henry James and America* and later edited for the university presses of Cambridge and Virginia the award winning volumes *The Complete Writings of Henry James on Art and Drama* James s autobiographical writings *A Small Boy and Others* *Notes of a Son and Brother* and *The Middle Years* as well as *The American Scene* *Profound Science and Elegant Literature* Stephanie P. Browner, 2013-03-26 In 1847 at the first meeting of the American Medical Association the newly elected president reminded his brethren that the profession once venerated no longer earned homage spontaneously and universally The medical marketplace was crowded and competitive state laws regulating medical practice had been repealed and professional practitioners were often branded by their lay competitors as aristocrats bent on establishing a health care monopoly By 1900 the battles were over and as the president of AMA had hoped doctors were now widely venerated as men

of profound science elegant literature polite accomplishments and virtue In fact by 1900 the doctor had replaced the minister as the most esteemed professional in the United States disease loomed larger than damnation and science promised to manage the discord differences and excesses that democracy seemed to license In *Profound Science and Elegant Literature* Stephanie Browner charts this trajectory and demonstrates at the same time that medicine's claims to somatic expertise and managerial talent did not go uncontested Even as elite physicians founded institutions that made professional medicine's authority visible and legitimate many others worried about the violence that might attend medicine's drive to mastery and science's equation of rational disinterest with white educated masculinity Reading fiction by a wide range of authors beside and against medical texts Browner looks to the ways in which writers such as Hawthorne Melville Holmes James Chesnut and Jewett inventoried the collateral damage that might be done as science installed its peculiar understanding of the body A work of impressive interdisciplinary reach *Profound Science and Elegant Literature* documents both the extraordinary rise of professional medicine in the United States and the aesthetic imperative to make the body meaningful that led many American writers to resist the medicalized body *Nineteenth-Century British Travelers in the New World* Christine

DeVine, 2016-05-06 With cheaper publishing costs and the explosion of periodical publishing the influence of New World travel narratives was greater during the nineteenth century than ever before as they offered an understanding not only of America through British eyes but also a lens through which nineteenth century Britain could view itself Despite the differences in purpose and method the writers and artists discussed in *Nineteenth-Century British Travelers in the New World* from Fanny Wright arriving in America in 1818 to the return of Henry James in 1904 and including Charles Dickens Frances Trollope Isabella Bird Fanny Kemble Harriet Martineau and Robert Louis Stevenson among others as well as artists such as Eyre Crowe all contributed to the continued building of America as a construct for audiences at home These travelers' stories and images thus presented an idea of America over which Britons could crow about their own supposed sophistication and a democratic model through which to posit their own future all of which suggests the importance of transatlantic travel writing and the idea of America to nineteenth century Britain *Beloved Boy* Henry James, 2004 The two men met on only six occasions and never for more than a few days so their friendship was almost entirely epistolary The letters assembled here nearly half of which are previously unpublished exhibit a voice decidedly more vulnerable than that which we usually associate with James They also shed new light on the writer's homoerotic leanings as he approaches Andersen with a passion as well as a tenderness typically reserved for a lover *Henry James in Context* David McWhirter, 2010-09-16 Long misread as a novelist conspicuously lacking in historical consciousness Henry James has often been viewed as detached from and uninterested in the social political and material realities of his time As this volume demonstrates however James was acutely responsive not only to his era's changing attitudes toward gender sexuality class and ethnicity but also to changing conditions of literary production and reception the rise of consumerism and mass culture and the emergence of new

technologies and media of new apprehensions of time and space These essays portray the author and his works in the context of the modernity that determined formed interested appalled and or provoked his always curious mind With contributions from an international cast of distinguished scholars Henry James in Context provides a map of leading edge work in contemporary James studies an invaluable reference work for students and scholars and a blueprint for possible future directions

A Study Guide for Henry James's "The American" Gale, Cengage Learning,2016-07-12 A Study Guide for Henry James's The American excerpted from Gale's acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs

Roman Holidays Robert K. Martin,Leland S. Person,2005-04-01 Featuring essays by twelve prominent American literature scholars Roman Holidaysexplores the tradition of American travel to Italy and makes a significant contribution to the understanding of nineteenth century American encounters with Italian culture and more specifically with Rome The increase in American travel to Italy during the nineteenth century was partly a product of improved conditions of travel As suggested in the title Italy served nineteenth century writers and artists as a kind of laboratory site for encountering Others and other kinds of experience No doubt Italy offered a place of holiday a momentary escape from the familiar but the journey to Rome a place urging upon the visitor a new and more complex sense of history also forced a reexamination of oneself and one's identity Writers and artists found their religious political and sexual assumptions challenged Nathaniel Hawthorne's The Marble Faun has a prominent place in this collection as Henry James commented in his study of Hawthorne the book was part of the intellectual equipment of the Anglo Saxon visitor to Rome The essayists also examine works by James Fuller Melville Douglass Howells and other writers as well as such sculptors as Hiram Powers William Wetmore Story and Harriet Hosmer Bringing contemporary concerns about gender race and class to bear upon nineteenth century texts Roman Holidays is an especially timely contribution to nineteenth century American studies

Generous Mistakes Michael Anesko,2017-02-16 By combining the techniques of textual criticism and the insights of close reading Generous Mistakes offers new perspectives not only on two of Henry James's major novels The Portrait of a Lady and The Ambassadors but also on the process by which they became the books we know or think we know Through a better understanding of the conditions of production that affected James's author function we achieve a deeper appreciation of the historical contingencies of his artistry Closely examining new forms of evidence even fingerprints Generous Mistakes contends that authorship is a hybrid construction a sometimes unpredictable sequence of different forms of practice each of which contributes meaningfully to the texts we read and analyze Offering a sustained examination of the textual condition of James's work going beyond the relatively familiar ground of authorial revision this study brings into sharper focus the complex and sometimes arbitrary factors that contributed to the making of two masterpieces of modern fiction and to the legend of the master who wrote them

Reading Henry James in the Twenty-First Century Dennis Tredy, Annick Duperray, Adrian Harding, 2019-06-04 To commemorate the recent centennial of Henry James's death and to help readers understand the depth and scope of the author's influence both today and during the previous century thirty leading Jamesian scholars from twelve different countries and five continents were asked to explore ways in which the notions of heritage and transmission currently come into play when reading James. The resulting chapters of this volume are divided into three main sections each focusing on different ways in which James's legacy is being re-evaluated today from his influence on key authors playwrights and film makers over the past century Part One to new discoveries regarding European authors and artists who influenced James Part Two to recent approaches more radically re-evaluating James for the twenty first century including contemporary poetics political and sociological dimensions cognitive science and queer studies Part Three This collection will be of great interest to scholars and general readers of James and is a useful guide to tracing the writer's ever elusive figure in the carpet and understanding the power of his continued impact today

Prepossessing Henry James Julián Jiménez Heffernan, 2023-05-31 The novels of Henry James are filled with ghosts but most of them escape dramatic treatment These elusive specters are the voices of precursors that haunt his narratives compromising their constitutive freedom The Strange Freedom is an examination of the ways James's fiction is prepossessed by some major voices of the English literary tradition those of Shakespeare Richardson Fielding Gibbon Thackeray and Dickens This subtextual arrogation sets constraints to the unfolding in James's narratives of liberal and romantic freedom it places limits both to the absolute exemptions of aesthetic interest and to radical Bohemian abandon But these constraints and limits can be regarded dialectically as the enabling conditions of the very liberty they imperil Drawing on recent research on the spectral dynamics and indirections of literary influence by scholars like Adrian Poole Philip Horne Nicola Bradbury Tamara Follini and Peter Rawlings but also on earlier deconstructive work by John Carlos Rowe *Prepossessing Henry James* offers a speculative account of the way James is simultaneously resourced and restrained by his sources Along the way we discover how Hamlet's ghost instills in James a fantasy of mental autonomy or how he adapts Gibbon's *Enlightened* narrative to inhibit civic liberty with images of female sacrifice We see the governess in *The Turn of the Screw* possessed by the specter of Richardson's *Pamela* exposing social freedoms with liberal brutality We encounter Gray in *The Ivory Tower* striving to obtain personal freedom by repressing Dickensian figures monstrous fantastic And finally we recognize how much *The Ambassadors* owes to the ambiguous manner of Thackeray Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Henry James Framed Michael Anesko, 2022-10 *Henry James Framed* is a cultural history of Henry James as a work of art Throughout his life James demonstrated an abiding interest in some would say an obsession with the visual arts In his most influential testaments about the art of fiction James frequently invoked a deeply felt analogy between imaginative writing and painting At a time when

having a photographic carte de visite was an expected social commonplace James detested the necessity of replenishing his supply or of distributing his autographed image to well wishing friends and imploring readers Yet for a man who set the highest premium on personal privacy James seems to have had few reservations about serving as a model for artists in other media and sat for his portrait a remarkable number of twenty four times Surprisingly few James scholars have brought into primary focus those occasions when the author was not writing about art but instead became art himself through the creative expression of another s talent To better understand the twenty four occasions he sat for others to represent him Michael Anesko reconstructs the specific contexts for these works coming into being assesses James s relationships with his artists and patrons documents his judgments concerning the objects produced and insofar as possible traces the later provenance of each of them James s long established intimacy with the studio world deepened his understanding of the complex relationship between the artist and his sitter James insisted above all that a portrait was a revelation of two realities the man whom it was the artist s conscious effort to reveal and the artist or interpreter expressed in the very quality and temper of that effort The product offered a double vision the strongest dose of life that art could give and the strongest dose of art that life could give

The Prefaces Henry James,2024-03-28 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied James wrote the eighteen Prefaces included in this volume to accompany the revised selective New York Edition of his novels and tales 1907 9 They are unique and various writings at once a digest of James s critical principles an unsystematic treatise on fiction theory an account of his rereading and revision of his own work an oblique autobiography of the writing life and a public performance of authorial identity This is the first scholarly edition of the Prefaces and includes a detailed contextual introduction a full textual history and extensive explanatory notes It will be of value to researchers scholars and advanced students of Henry James and of 19th and 20th century British and American literature and book history A Study Guide for Henry James's "The Portrait of a Lady" Gale, Cengage Learning,2016-06-29 A Study Guide for Henry James s The Portrait of a Lady excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs *William Dean Howells and the Ends of Realism* Paul

Abeln,2005-02-18 William Dean Howells and the Ends of Realism helps us to see him as a writer very much aware of his limitations and of his enormous importance in the development of an American literary tradition Henry James and the Media Arts of Modernity June Hee Chung,2019-03-20 Henry James and the Media Arts of Modernity Commercial

Cosmopolitanism turns to the author s late fiction letters and essays to investigate his contribution to the development of an American cosmopolitan culture both in popular and high art The book contextualizes James s writing within a broader cultural and social history to uncover relationships among increasingly sensory focused media technologies mass consumer

practices and developments in literary style when they spread to Europe at the inception of the era of big business Combining cultural studies with neoclassical Marxism and postcolonial theory the study addresses a gap in scholarship concerning the rise of literary modernism as a cosmopolitan phenomenon Although scholars have traditionally acknowledged the international character of artists participation in this movement when analyzing the contributions of American expatriate writers in Europe they generally assume an unequal degree of reciprocity in transatlantic cultural exchange with European artists being more influential than American ones This book argues that James identifies a cultural form of American imperialism that emerged out of a commercialized version of cosmopolitanism Yet the author appropriates the arts of modernity when he realizes that art generated with the mechanized principles of mass production spurred a diverse range of aesthetic responses to other early twentieth century technological and organizational innovations

Washington Square

Henry James, 2022-09-08 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied Published in two volumes in 1880 Washington Square dramatises the plight of Catherine Sloper a rich heiress whose father a successful doctor identifies her one suitor Morris Townsend as a fortune hunter The novel thus draws on the sentimental tradition which it develops with subtle sympathetic irony in a realist direction This edition is the first to provide a full account of the context in which the book was composed and received and to include the original illustrations by Punch cartoonist George Du Maurier Extensive explanatory notes enable modern readers to understand its nuanced historical cultural and literary references and its complex textual history
