

Dear Miner Families –

I am beyond excited to write to you as your new principal for the 2024-2025 school year. I am filled with commitment, passion and energy to begin this next chapter of my career as an educator. Over the past month, I've had the privilege of beginning to learn more about the community and start the work of planning for the upcoming school year. Thank you to everyone who has welcomed me so graciously during drop off, during Beautification day, and at Enrollment Saturday. I'm eager to get to know more of you and learn from you about the priorities and next steps for the Miner community. **I will be joining the PTO general meeting this Tuesday, 5/7 at 6 pm in the cafeteria.** I hope to see you there as well!

Please feel free to share information and questions with me ahead of time at this survey:

[Miner Parent Survey Spring 2024](#)

I have been conducting 1:1 meet and greets with all staff members to hear their perspectives around support and student learning. I've also worked with the personnel committee to aggressively start the hiring process for the upcoming school year. We are committed to finding the most committed and talented staff members to teach our children in the upcoming school year. We've already attended two hiring fairs and spent over 40 hours interviewing staff. We are well on our way to hiring incredible team members for our community.

Over the past two weeks I've also begun to engage with central office leaders and the facilities team to be brought up to speed on the modernization of the "old Miner" building. We are working to prioritize how to best utilize the space to support the Miner community from birth to 5<sup>th</sup> grade! The addition of the new building brings exciting possibilities of connectedness and support for the entire community. I will keep you posted as I continue to learn more. We will also need volunteers to provide feedback on selecting a provider for the birth – 3 year old community day care center that will be on Miner's campus.

In the weeks following spring break I will be working to learn more about you as the community. Here are a few of the ways we can engage:

- Say hi and share your thoughts at drop off/pickup. I'll be on campus at least one day each week.
- Fill out [this](#) survey and tell me the following information:
  - What would you like to see more of at Miner?
  - What would you like to see less of at Miner?
  - Any other thoughts or ideas you'd like to share?

Thank you in advance for your incredibly warm welcome to the community. I'm looking forward to continuing to learn and grow with the Miner community.

Dr. B
