Angeles Times Book Review **Murder at the National Gallery** Margaret Truman, 2014-09-17 Powerful Fascinating Truman absolutely amazes Atlanta Journal Constitution When the senior curator at Washington's famed National Gallery finds a missing painting by the Renaissance master Caravaggio he mounts a world class exhibition and plots a brilliant forgery scheme that will stun the art world A thrilling chase Publishers Weekly But an artful deception suddenly becomes a portrait of blackmail and murder as gallery owner and part time sleuth Annabel Reed Smith and her husband go searching for clues in the heady arena of international art and uncover a rare collection of unscrupulous characters that leads all the way to Italy Highly recommended One of Margaret Truman's best Booklist *Murder on K Street* Margaret Truman, 2008-10-28 Nobody knows the crooked turns slippery slopes and dark dangerous stretches of the Beltway better than Margaret Truman dean of the Washington D C mystery scene And no one is better equipped to lead a suspenseful tour into the treacherous territory of big time political lobbying where the right information and enough influence can buy power the kind that corrupts and sometimes kills Arriving home from a fund raising dinner senior Illinois senator Lyle Simmons discovers his wife's brutally bludgeoned body And like any savvy politician with presidential aspirations his first move is to phone his attorney In this case it's his old friend and college roommate former DA Philip Rotondi who gamely agrees to step out of quiet retirement and into the thick of a D C style political criminal and public relations maelstrom from which no one will escape unscathed The crime scene is barely cold when the senator's estranged daughter arrives hurling shocking allegations of murder at her father despite a roomful of well heeled witnesses who can provide Simmons with an alibi Meanwhile D C's rumor mills and spin machines shift into high gear as speculation swirls around a tabloid and TV ready prime suspect Jonell Marbury a dashing lawyer turned lobbyist at a powerful K Street firm and the last person to see the victim alive But Rotondi harbors his own unsettling suspicions And after a second woman is killed he discovers that a long buried secret from his past may hold the key to cracking the case Aided by sleuthing ex attorneys Mac and Annabel Smith Rotondi reawakens the prosecutorial skills that served him so well in his gang busting days following the stench of dirty money and dirtier tricks across the country and across the thresholds of back rooms and front offices alike where doing the right thing is for fools and taking on the system is a dead man's gambit *Murder at the Library of Congress* Margaret Truman, 2009-07-22 Margaret Truman looks inside one of D C's great institutions the Library of Congress the place where much of the wisdom of the nation is collected and finds blood on the floor Was there a second diary beyond the one Columbus kept describing his voyage to the New World Leading scholars at the Library of Congress think so and Annabel Smith with her pre Columbian interests has been commissioned by the library's magazine Civilization to write about it She is not the only person interested Word comes through the rare books black market that a wealthy bibliophile has been offered the second diary He'd not only pay he'd almost kill to possess it Starting her search in the library itself Annabel soon finds herself competing with an ambitious TV journalist As both women come closer to finding the hidden documents other

questions creep up Was the murder of the library's most prominent Hispanic scholar connected to the missing diary Further research leads them deeper into barely explored corners of the library and closer to having to face their own mortality Murder in familiar yet surprising surroundings a great library leads to a surprising conclusion in this latest Capital Crime novel **Murder at the Opera** Margaret Truman, 2007-10-30 Margaret Truman who knows where all the bodies are buried inside the Beltway has written her most thrilling novel of suspense yet Murder at the Opera features the popular crime fighting couple Mac Smith and his wife Annabel Reed Smith as they navigate the glitz glamour and grime that is Washington D C It ain't over till the fat lady sings but the show hasn't even started yet when a diva is found dead The soprano in question a petite young Asian Canadian named Charise Lee was scarcely a star at the Washington National Opera But when the aspiring singer is stabbed in the heart backstage during rehearsals she suddenly takes center stage Georgetown law professor Mac Smith thought he'd just be carrying a rapier in Tosca as a favor for his beloved Annabel but now they're both being pressured by the panicked theater board to unmask a killer Providing accompaniment will be former homicide detective current P I and eternal opera fan Raymond Pawkins Soon the Smiths find themselves dangerously improvising among an expanding cast of suspects with all sorts of scores to settle What they uncover is an increasingly complex case reaching far beyond Washington to a dark world of informers and terror alerts in Iraq and climaxing on a fateful night at the opera attended by none other than the President himself *Murder at the Kennedy Center* Margaret Truman, 2014-10-29 An exciting romp through the maze of Washington politics The Dallas Morning News During a gala benefit for the Democratic Party's hottest presidential hopeful at the glittering Kennedy Center a young woman dies a victim of quick and brutal violence The murder weapon belongs to the candidate The chief suspect is the candidate's son The dynamic campaign of Senator Kenneth Ewald has collided with a tragedy that can send his son to jail and wreck his own career George Washington University law professor Mac Smith comes out of the classroom to tackle a case that's bad for Senator Ewald but may prove even worse for the nation And Smith himself marches straight into the firing line of an unscrupulous TV evangelist who gets his orders from God and a dethroned Central American dictator who takes interference from no one Margaret Truman has become a first rate mystery writer Los Angeles Times Book Review *Murder in Foggy Bottom* Margaret Truman, 2007-12-18 Once it was a swamp Now Foggy Bottom is swimming with real estate sharks When a man is found stabbed to death in this trendy D C neighborhood it is major news But within forty eight hours the nation is gripped by a fear that leaves this comparatively small crime in the dark Three passenger planes are shot out of the sky Everywhere in law enforcement in the media and in the most secret realms of government men and women scramble to find out who shot hand held missiles at the planes and why It is a search that reaches from Moscow to the Pacific Northwest putting some people's lives in jeopardy and turning others' lives inside out But no one can guess the truth that the epicenter of the terrorist outbreak is Washington D C and a dead man behind a park bench in a place called Foggy Bottom *Murder in Georgetown*

Margaret Truman, 1987 After one of journalism professor George Albert Brown's senior students is murdered the others determined to find the killer themselves turn up clues of their own including a tie to the South African government
