S. Eliot* T. S. Eliot,2016-08-23 The sixth volume of the personal correspondences of British literary giant T S Eliot The letters of T S Eliot collected in this sixth volume were written during the years the Nobel Prize winning poet playwright critic and essayist called the happiest I can ever remember in my life Penned in large part during his tour of Depression Era America these letters reflect Eliot s resolve to end his torturous eighteen year marriage to his wife Vivienne and offer fascinating descriptions of the author s encounters with F Scott Fitzgerald Edmund Wilson Marianne Moore and other notable figures **Daughter of Boston** Helen Deese,2006-09-15 In nineteenth century Boston amidst the popular lecturing of Ralph Waldo Emerson and the discussion groups led by Margaret Fuller sat a remarkable young woman Caroline Healey Dall 1822 1912 transcendentalist early feminist writer reformer and perhaps most importantly active diarist During the seventy five years that Dall kept a diary she captured all the fascinating details of her sometimes agonizing personal life and she also wrote about all the major figures who surrounded her Her diary filling forty five volumes is perhaps the longest running diary ever written by any American and the most complete account of a nineteenth century woman s life In Daughter of Boston scholar Helen Deese has painstakingly combed through these diaries and created a single fascinating volume of Dall s observations judgments descriptions and reactions **Sherwood Anderson's Secret Love Letters** Sherwood Anderson,Ray Lewis White,1999-03-01 In 1927 tired of the literary life of New York City New Orleans and Chicago a famous but aging American writer named Sherwood Anderson 1876 1941 author of Winesburg Ohio 1919 and other short stories in which he virtually invented the modern American short story moved to rural Southwest Virginia to write for and edit two small town weekly newspaper that he owned the Marion Democrat and the Smyth County News Living again among the small town figures with whom he was usually most content William Faulkner Thomas Wolf and indeed an entire generation of the greatest American writers worked for several years at making his newspaper nationally famous while struggling to come to terms with a life threatening psychological depression and a failing third marriage Both of Anderson s midlife problems were complicated when he met Eleanor Copenhaver lovely young daughter in one of the prominent first families of Marion and a career social worker for the YWCA Trying to keep their ardent affair secret in the small town Anderson avidly courted the socially

prominent and much younger Miss Copenhaver while at the same time trying to free himself from his embittered third wife and overcome the disadvantages of his age and his lover's family's distrust of him. Having by the end of 1931 continued for three years his surreptitious and consuming affair with Miss Copenhaver, Anderson determined on the first day of 1932 that the new year should be the year of decisions for him to gain his love in marriage or perhaps to end his life and he began the new year with a creative venture unique in literature. Starting on January 1, Anderson secretly wrote and hid away for Eleanor Copenhaver to find after his eventual death one letter each day, letters that she should someday discover whether they had ever become married or not and thereby relive in her memory their days of intense lovemaking, a mutual despair about their then unlikely marriage. Found by Eleanor Copenhaver Anderson only at Sherwood Anderson's death in 1941 and then preserved intact by this grieving widow who had married Anderson in 1933, the carefully hidden letters of 1932 recording their intense and seemingly doomed love affair have remained secret until now. Chosen by Eleanor Copenhaver Anderson before her death in 1985 to publish her husband's secret love letters, Anderson scholar Ray Lewis White has prepared a fascinating edition of these unique letters for the enjoyment of students and scholars of literature as well as for all other readers who savor compelling and inspiring stories of loss and love. **Letters from a Life** Benjamin Britten, 2008. People are my landscape. Isaiah Berlin liked to say and nowhere is the truth of this observation more evident than in his letters. He is a fascinated watcher of human beings in all their variety and revels in describing them to his many correspondents. His letters combine ironic social comedy and a passionate concern for individual freedom. His interpretation of political events, historical and contemporary, and his views on how life should be lived are always grounded in the personal and his fiercest condemnation is reserved for purveyors of grand abstract theories that ignore what people are really like. This second volume of Berlin's letters takes up the story when, after war service in the United States, he returns to life as an Oxford don. Against the background of post-war austerity, the letters chart years of academic frustration and self-doubt, the intellectual explosion when he moves from philosophy to the history of ideas, his growing national fame as broadcaster and lecturer, the publication of some of his best-known works, his election to a professorship and his reaction to knighthood. These are the years too of momentous developments in his private life: the bachelor don's loss of sexual innocence, the emotional turmoil of his father's death, his courtship of a married woman and transformation into husband and stepfather. Above all, these revealing letters vividly display Berlin's effervescent personality, often infuriating but always irresistible. The Prison Letters of Nelson

Mandela Nelson Mandela, 2018-07-10 One of NPR's Great Reads of 2018 An unforgettable portrait of one of the most inspiring historical figures of the twentieth century published on the centenary of his birth Arrested in 1962 as South Africa's apartheid regime intensified its brutal campaign against political opponents forty four year old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty seven years in jail During his 10 052 days of incarceration the future leader of South Africa wrote a multitude of letters to unyielding prison authorities fellow activists government officials and most memorably to his courageous wife Winnie and his five children Now 255 of these letters many of which have never been published provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation and how he engaged with an outside world that became increasingly outraged by his plight Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner The Prison Letters of Nelson Mandela begins in Pretoria Local Prison where Mandela was held following his 1962 trial In 1964 Mandela was taken to Robben Island Prison where a stark existence was lightened only by visits and letters from family After eighteen years Mandela was transferred to Pollsmoor Prison a large complex outside of Cape Town with beds and better food but where he and four of his comrades were confined to a rooftop cell apart from the rest of the prison population Finally Mandela was taken to Victor Verster Prison in 1988 where he was held until his release on February 11 1990 With accompanying facsimiles of some of his actual letters this landmark volume reveals how Mandela a lawyer by training advocated for prisoners human rights It reveals him to be a loving father who wrote to his daughter I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her aware that photos and letters he sent had simply disappeared More painful still are the letters written in 1969 when Mandela forbidden from attending the funerals of his mother and his son Thembi was reduced to consoling family members through correspondence Yet what emerges most powerfully is Mandela's unfaltering optimism Honour belongs to those who never forsake the truth even when things seem dark grim who try over and over again who are never discouraged by insults humiliation even defeat Whether providing unwavering support to his also imprisoned wife or outlining a human rights philosophy that resonates today The Prison Letters of Nelson Mandela reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment Ultimately these letters position Mandela as one of the most inspiring figures of the twentieth century From The Prison Letters of Nelson Mandela A new world will be won not by those who stand at a distance with their arms folded but by those who are in the arena whose garments are torn by storms whose bodies are maimed in the course of contest I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him My respect for human beings is based not on the colour of a man's skin nor authority he may wield but purely on merit A good pen can also remind us of the happiest moments in our lives bring noble ideas into our dens our blood our souls It can turn tragedy into hope

last War for Peace from 1998 2002 the author lived and worked in Huambo at the epicentre of the war implementing a United Nations project This project poorly planned initially was restructured locally and achieved considerable successes before finally succumbing to UN incompetence that saw two thirds of its funding disappear and degenerated into a web of lies excuses and accusations as the UN refused to provide an explanation to donors the Angolan government and people project staff and the press of what went wrong and why Back cover
