Collected Letters of St. Therese of Lisieux Abbe Combes, F. J. Sheed, 2013-10 This is a new release of the original 1949 edition [Collected letters of Saint Thérèse of Lisieux](#), 1949 The Carmel at Lixieux celebrated the fiftieth anniversary of the Little Flower s death by issuing her correspondence in its completeness every letter note inscription in her handwriting that is known to exist At the end of the famous Autobiography there is a small selection some fifty letters even

these neither in chronological order nor all as they were written Prudence caused certain modifications of her actual wording of theological matters and frequently passages from one letter were inserted in another Now we have two hundred and forty six letters exactly as the Saint wrote them and in the order of their writing They are all there from the notes she wrote as a child with a big sister guiding her hand to the inscription she wrote on the back of a picture of Our Lady when death was upon her Autobiographically the Letters are more revealing than the Autobiography itself precisely because she wrote them without any notion of publication many of them scribbled in haste with the writer standing up sometimes in a corridor without light almost without ink Certainly they document the Autobiography most remarkably and enable the reader to watch Th r se grow The Little Way becomes amazingly vivid when we see it thus in operation from week to week Especially valuable are the letter to the two missionaries whose spiritual sister she was The Abb Combes provides the biographical framework so that one can place each letter can know for instance that a particularly gay letter was written while the Saint was suffering agonies from the disease that killed her and every person or thing referred to in the letters is elucidated in footnotes

monastic life Through her writings she continues to help people who live in completely different contexts to discover that God is always present in the middle of everyday life Like Martin Luther 1483 1546 Therese clearly distances herself from the idea that we can earn our salvation from God This book begins by highlighting the extensive similarities between Therese s teaching and Martin Luther s theology With the help of the three Carmelite Doctors of the Church Therese of the Child Jesus Teresa of Avila 1515 1582 and John of the Cross 1542 1591 the discussion develops further and a receptive ecumenical study is carried out The overall question is how the Carmelite tradition can enrich the Evangelical Lutheran tradition in a way that contributes to the renewal of the church It is argued that such a renewal is of vital importance if people today are to receive the spiritual guidance that they are longing for

Maurice and Therese Patrick Ahern, 2001-02-20 As Saint Therese lay dying in the Carmel of Lisieux she overheard a conversation that amused her Outside her window two nuns were discussing what they could write in her obituary that could possibly be of any interest since the twenty four year old nun had never done anything worth noting Therese was pleased for she had always kept a low profile With the posthumous publication of her spiritual autobiography in 1898 however that low profile would vanish instantly She became one of the most beloved saints of all time and her influence will expand dramatically because of Pope John Paul II s declaration that she is a Doctor of the Church Amid growing interest in her writings comes the collected correspondence between her and a humble young seminarian Maurice Belliere Though they never met in person they exchanged twenty one letters that opened a window on the heart of Saint Therese that would have remained forever closed had Maurice not written to the Mother Superior at the convent asking for a nun to pray for him The Mother Superior chose Therese and in these conversational letters the Little Flower reveals herself in a way that we would never have known from her autobiography In his accompanying text Bishop Patrick Ahern expertly leads the reader into the worlds of Maurice and Therese and reveals the full beauty of this saint s spirituality
